Got a Good Education? You Can Decide

- If you can be happy though you have only your thoughts for company, you are well educated.
- If you can turn off some dreary TV presentation and read a good book that holds your interest, you are well educated.
- If you can protect the young, the very old, and the weak, you are well educated.
- If you can debate your point of view with an adversary without becoming belligerent or irritable, you are well educated.
- If you can keep the friends you have made over the years, you are well educated.
- If you can measure your emotional and intellectual growth and respect yourself, you are well educated.
- If you can empathize with others, you are well educated.
- If you can be yourself in the company of the wise and the foolish, the rich and the poor, princes and paupers and professors and presidents and also your peers, you are well educated.
- If you can plan and work your plan to completion, you are well educated.

Hopefully, you are well educated and you will continue to become even more educated. For that is the measure of a person.

Young Gridders Win One, Lose One

The Lower School football team has won one game and lost one game to start the 1976 - 77 grid season.

In its first game against Mil-tonvale on Perkins Field, the Cadets lost 36 - 6 in a night-time game, Sept. 16.

The second game against White City netted a win for the young Cadets by a 14-12 score in overtime.

Coach Kelly Rudolph said that the first half of the White City game was a defensive battle with the only score coming on a punt return by White City to the eight-yard line. They scored two plays later.

St. John's finally got on the board when quarterback Mark Haag threw a six-yard pass to Brian Autry in the end zone. The extra point was not good.

In the overtime, White City got the ball first and scored, but failed at the extra point attempt.

Then it was St. John's turn to have the ball. After three attempts, the young gridders still had ten yards to go for a score when John Powell took a pitch out around right end for the touchdown. With the score, 12 - 12, again Haag passed to Autry for the extra two points giving SJMS the win.

Miltonvale Defeats SJMS

Rusty Britt scored on a 10-yard run in the final minutes of the game to give the Miltonvale Pirates an 8 - 0 win over St. John's Military in an Eisenhower West league contest Friday night, Sept. 24, on Perkins Field.

St. John's dominated the game from the statistical standpoint, gaining 183 yards total offense to just 108 for the winners, but it was penalties which hurt the Cadet's chances.

St. John's was penalized 10 times for 120 yards compared to Miltonvale's three for 25.

Every time the Cadets would

get close to scoring, a major penalty would set them back. They were down on the Miltonvale 18, 13 and 10 yard lines but could not score.

Quarterback Eric Peterson had a fine game passing for St. John's, completing nine of 16 for 120 yards. Tom Miller led the SJMS running attack with 17 carries for 52 yards.

Coach Overcame Handicaps

The coach of the St. John's of Beloit football team, Brian Ludwig, coaches his team from a wheelchair. He is confined to a wheelchair as a result of a football injury in college.

He was a sophomore playing football for Bethany college against Kansas Wesleyan in Salina, Oct. 2, 1967. He was a linebacker and spun away from the guard's block and relaxed. He then got hit in the forehead by another player and his head snapped back. Two of his vertebrae were crushed, paralyzing him.

Ludwig's dream was to coach high school football. At 27, he has accomplished that.

He spent five years as assistant coach to Mark Henry at Beloit. When Henry left the coaching position, Ludwig was named the head coach.

Cadets Give Blue Jays Scare Before Losing

The Cadets almost pulled a major Eisenhower League West upset on the Cadet field Sept. 17 as Coach Kellogg's charges held defending league champion to one touchdown until the closing seconds of the game in a 14-6 loss.

The Cadet defense was outstanding. the Blue Jays from Beloit scored in the first quarter but could not get across the goal line again until there were just 51 seconds left on the clock.

Beloit, under new head coach Brian Ludwig, scored the first time it had the ball on a 33-yard pass from senior quarterback Bob Schuster to 6-5 end Steve Vossman.

But Schuster and company were foiled time and again by the Cadet defenders. The running attack was shut down in the first half and Schuster finished the game with just five pass completions in 13 attempts and one interception.

The Cadets, meanwhile, started several promising drives only to be halted by penalties. The school was flagged nine times in the game for a total of 90 yards.

The Muleskinner team did make it close on its second possession of the third period. Halfback Tom Miller returned a Beloit punt to the Beloit 45.

French Club Members Named

A French Club has been formed under the sponsorship of Lt. Ron Bartlett, French teacher. Members are David Howard, Ken Langness, John Louisot, Charles Maxie, Eric Pederson and Dan Siburg.

A holding penalty pushed the Cadets back to their own 40.

But on the next play, sophomore quarterback Eric Pederson let fly down the middle. Schuster got a hand on it but split end Ricky Smith, who had a stellar game at cornerback, caught the aerial and outran the pursuit into the end zone.

The Cadets went for two but Miller was stopped short of the goal line.

The score remained 7 - 6 until Beloit finally got its ground game untracked late in the final stanza. The Blue Jays moved from their own 22 to the Cadet six on nine straight running plays.

A penalty moved Beloit back to the 11 but Schuster found Vossman in the right corner of the end zone where the big end made a diving catch with 51 seconds showing on the clock.

Cadets Shut Out White City, 2 - 0

St. John's Cadets scored on a play which brought back memories of "Wrong Way" Corrigan at White City, Sept. 10 and won a non-league game 2 - 0.

The Cadets of Coach Paul Kellogg jr. were driving toward the White City goal in the second period when St. John's quarterback Eric Pederson's fourth down pass was picked

off by Randy Albright at the White City seven-yard line.

Albright, trying to find room to run, headed backwards and ended up in his own end zone where he was tackled by Cadet Tom Miller for a safety. That was the only tally either team could muster.

Miller led the St. John's offense with 107 yards rushing on 27 carries.
