The Gym Goes Up!

New Gym Becomes a Reality

A new gymnasium at St. John's Military School is becoming a reality. The old World War II barracks gym was razed this summer and the new structure is being built.

Col. Keith G. Duckers, School president, said that with the completion of the gym, two-thirds of a dream has come true.

The first phase of the physical education-athletic department improvement program was finished in 1975 with the completion of the building housing locker rooms, weight room, wrestling room and offices. Cost of the building was \$200,000 and is a paid-up project according to Col. Duckers.

The second phase of the improvement program is the construction of the gym. The

new structure will include three practice courts running north to south. The main basketball court will run east to west and will be covered with synthetic flooring.

Big League

The SJMS President said, "It will have a big league appearance with 'St. John's' written at one end and 'Muleskinners' on the other."

Bleachers have been purchased from Salina Central High School and are being renovated into "better than new" condition.

Cost of the gym project is \$225,000. More than \$150,000 was given in donations and pledges. Proceeds from the Muleskinners Club for the next three years will pay the balance of the project.

Col. Duckers expressed "special thanks" to Trustees Mike Scanlan and Jack Vanier who headed the fund raising drives for the first two phases of the improvement project.

The third and final phase will be an indoor natatorium or swimming pool to be added to the complex. Cost is estimated at \$250,000. It is hoped that this project can be started within the next three years.

Busboom and Rauh, general contractors, are hoping to have the 100-by-150 foot structure completed in time for the first Cadet basketball game of the '78-'79 season.

Muleskinners Club Membership Urged

A campaign is underway to increase membership in the Muleskinners Club according to Lt. Col. Paul H. Kellogg, Director of Development. Presently 240 people are members of the \$100 a-year club. The goal for 1978-'79 is 300 members.

According to Col. Kellogg the membership high was 249 in 1975-'76.

The Muleskinners group was formed to provide funds for capital improvements at the School. The dues for this year and the next two years will pay a pledge of \$75,000 toward the construction of the new gymnasium.

Cadets Open With 14-8 Victory ➔

The Cadets scored on their first possession and added another TD in the second quarter enroute to a 14-8 non-league victory over Tipton in the opening football game of the season, Sept. 8, on the Muleskinner field.

The Cadet dominated the game although the final winning margin was just six points.

St. John's rolled to 188 yards on the ground while holding Tipton to a minus 67. Tipton did have 95 yards in the air to 20 for the Cadets but most of

Tipton's yardage came in the final quarter against the second team. Tipton's lone score came with five seconds remaining in the game.

Cadets Score Quick

Following a Tipton punt and the resulting runback, St. John's

drove 54 yards in six plays with Stan Smith running the final six yards for the school with 7:42 to play in the first quarter.

The Cadets used the same play, a sweep around left end, for the two point conversion and a 8-0 lead.

The final score came on a single play when senior quarter-back Robin South took off around his own right end on a keeper play that resulted in a 65-yard touchdown with 2:25 left in the quarter. The conversion run failed.

Bennington Blanks Cadets

The Bennington Bulldogs may prove to be the dark horse of the Eisenhower West this football season.

Bennington, which knocked off Wakefield in a mild upset, put on a defensive show against St. John's Military School on their home field, Sept. 15 and handed the Cadets a 22-0 defeat.

The Cadets actually outgained Bennington, picking up 193 yards to the Bulldogs' 183. But SJMS Coach Larry Mattison was disappointed in his defense.

He said, "Bennington was better than I thought. I probably under estimated them. But we had our opportunities."

Cadet quarterback Robin South hit eight of 14 pass attempts for 95 yards and end Eric Pederson caught five for 55.

Ell-Saline Downs Cadets, 26-14

The Ell-Saline Cardinals defeated the Cadets, 26-14, in an Eisenhower West League game on the Cadet field, Sept. 29.

Ell-Saline opened the game in a winning fashion running the opening kickoff back 75 yards for a quick 6-0 lead.

Ell-Saline then took advantage of St. John's errors and penalties to open up a 18-6 half-time lead and the teams matched touchdowns in the third period.

The St. John's defense set up a 6-6 first quarter tie when the Cadets blocked the only Ell-Saline punt of the game and recovered the ball on the 11-yard line. Robin South scored from the three-yard line three plays later.

St. John's took the second-half kick off and marched 67 yards, with Stan Smith scoring from the one-yard line with 5:55 to play, to bring the Cadets within four when South ran over a two-point conversion.

Dragons Defeat SJ

The power running of Dale Wagner and Brett Moubry led Downs to a 35-6 victory over the Cadets in an Eisenhower West football game at Downs, Oct. 6.

"Our defense just doesn't have it or something," said St. John's coach Larry Mattison. "We can move the ball but can't hold anybody."

The only St. John's score came on a four-yard run by Stan Smith in the fourth quarter even though the Cadets gained 190 yards on the ground.

"I've won a lot of games with 200 yards rushing but we lack defense", Mattison said. Four lost Cadet fumbles helped put a damper on the offense.
