The officers will inspect the barracks before preparing their inspection report. The report will be presented to School officials at 5 p.m. before the team departs from the campus.

Col. Hollenbeck is assigned as the Professor of Military Science at Pittsburg State University, Pittsburg, Kas. He is a 1956 graduate of the same school.

His awards include the Legion of Merit, Joint Service Commendation, Bronze Star, Purple Heart, and Army Commendation medal.

Ian Snider won first with his oration. Terry Fihaley placed third in poetry. Gordon Snider and Max Montgomery won second and I. Snider and Scott Ratcliff took third in duet acting.

Max Montgomery placed second in prose interpretation.

Col. E.W. Hollenbeck

Major Elahee is the operations and training officer, junior division, of the Third ROTC Region Headquarters at Ft. Riley. He holds a B.S. degree in secondary education from Central State University, Wilberforce, Ohio, and a Masters of Arts in political science from the University of Dayton, Ohio.

## New Activities League Formed

St. John's Military School will be competing in a new academic and activities league although it will be competing against the same schools.

Members of the western division of the Eisenhower League have created a new group, "The Post Rock League". The Eisenhower league was composed of eight schools in the western and eight schools in the eastern divisions. At the close of each athletic activity, the first place schools played each other; second played second, etc.

The eight high schools announced their intention to form the new activities league beginning with the 1979-80 school year following a recent league meeting. More information will be available after the new constitution has been approved by the Kansas State High School Activities Association.

Member schools will be Bennington, Downs, Ell-Saline, Glasco, Miltonvale, St. John's of Beloit, Tescott and SJMS.

Officers are John Rauch, Miltonvale, president; Larry White-

## School Makes Church Appeal

A request for funding of the Chaplaincy program at St. John's Military School was made at a Special Convention of the Diocese of Western Kansas held in Great Bend, March 31.

Making the proposal were Col. Keith G. Duckers, School President, and the Rev. Thomas C. Chesterman, School Chaplain.

The proposal asks the Venture in Mission program to underwrite approximately half of the cost of maintaining an Episcopal priest as Chaplain at St. John's, in order to demonstrate the concern of the Diocese that there be sufficient time and leadership for spiritual training and a religious program at the School.

The School asked for \$35,000 to be received over a three-year period to fund the program.

Along with the academic and military programs at the School, the Spiritual training of students has played an important role in the 91-year history of the School.

The statement presented about the Chaplaincy program said: "The present method of this is to do it in the context of the tradition of the Anglican Communion, but without being exclusive in denominationalism. We believe the Episcopal Church has much to offer in this way to an ecumenical world, without either compromising our own position or imposing sectarianism."

## Razing of Vail, Griswold Halls Continues

Square nails, oak stair treads and interior brick walls two feet thick have been among discoveries of workers razing burned-out Vail Hall and fire damaged Griswold.

The round tower on the east side has been removed to ground level. The north walls of Vail are nearly down. It is anticipated that the five-story tower will be toppled early next week.

The three-story administration-classroom building, nearly a century old, is to be leveled by May 1. Crews of the Bob Smith Salvage, Inc., New Cambria, have been salvaging wood, light fixtures, radiators and electrical equipment since early January.

The salvaging operation has been slowed by the weather and the large amount of lumber to be saved.

A new one-story classroom building for secondary school Cadets will be built on the Vail Hall site.

The salvage crew foreman, Danny Smith, said carpeting, carpet pads and storage cabinets have been salvaged. The most valuable wood products are the large floor joists, which sustained little damage. Some fire-damaged prime wainscoting cannot be salvaged, however.

No attempt is being made to salvage the building's bricks because they are too soft, Smith said. The bricks are breaking and crumbling as the walls are being knocked down with a concrete ball and crane.

Some bricks were saved to be sold to alumni. The School, also kept a large wooden stairway, which may be used in a new building. The grand stairway, between the second and third floors, was personally

### REMEMBER

Daylight Saving Time begins at 2:00 A.M., Sunday, April 29.

So . . . Set your clocks and watches one hour ahead before you go to bed Saturday night. And it might be a good idea to retire a bit earlier, because you are going to lose an hour of sleep.

Last thought: You are expected to be on time Monday morning.

# Army Commander Commends Band

(Editor's Note: Lt. Col. Jerald Burns wrote the School following his change-of-command ceremony at Ft. Riley, Kansas, at which the Cadet Band played.)

"I would like to take this opportunity to thank you and the members of your band for a memorable performance. The professionalism that your band displayed was outstanding, comparable to our own Division Band and is worthy of special praise."

"I was particularly impressed with the leadership displayed by Mr. Bock and First Sergeant Bunting. I have many happy moments to remember from my 18 months of command but people such as you two and your splendid young band members have given me even more. The conduct of the ceremony is like frosting on the cake."

## EASTER SUNDAY, APRIL 15

Easter symbolizes the promise of new and ever continuing life for human beings. And each year's calendar heralds the arrival of Easter with a new blossoming of the earth's growing things.

The symbolism is appropriate. For Easter is the time for life and its renewal — both in nature and in humanity.

## Consider 13 To Be Unlucky?

April 13 this year falls on a Friday.

Some people believe Friday the 13th and the number 13 to be unlucky. BUT —

- Good Friday falls on April 13 this year.
- The first U.S. flag had 13 stripes and 13 stars.
- The Stars and Stripes were raised over Ft. Sumter on the 13th of the month.
- The U.S. began with 13 colonies.
- The 13th Amendment to the Constitution eliminated slavery.
- The beginning U.S. Navy had 13 ships.
- A baker's dozen still means 13 items.

Who said 13 is unlucky?

## Razing of Vail, Griswold (Cont.)

removed by Jack Vanier, SJMS "old boy" and trustee.

Some wooden door trim is being used for school shop projects.

The building's ornate corner-stone also will be saved as will much of the native limestone rock used in the building.

Also found during the salvage operation were school supplies, an old painting damaged beyond repair (discovered in the attic); Playboy magazines, posters of rock groups, some clothing and shoes and "lots of graffiti."

A crane equipped with a wrecking ball is being used to bring down the walls. The resulting debris is then hauled by trucks to a dumping site near the school.

## Cadets Attend Organ Recital

Several Cadets attended an organ recital given by Kevin Calloway at Christ Episcopal Cathedral, March 16. Calloway is associate organist of the Coral Ridge Presbyterian Church, Ft. Lauderdale, Fla.

One thing all young people must learn about money matters: It does!

## ★ OLD BOYS CORNER ★

Class of 1956 -- Al Ransom is the commander of the Marine Attack Squadron 311 stationed in Iwakuni, Japan.

Class of 1978 -- Rick Stitt has finished Army recruit training and is now stationed at Ft. Knox, Ky.

## An "Old Boy" Remembers

(Editor's Note: The following is taken from a letter written by Armand DeBeque, Class of 19?? of De Beque, Colo. His son, Gene, is also an "old boy".)

"It was fifty years ago last September when I first saw the towers of St. John's, and I remember my first day as if it happened yesterday. In the evening we had an assembly in the old study hall, and Colonel Perkins gave everyone a copy of "SJMS Forever", and under the direction of Captain Shideler we all sang our new song. Colonel Perkins also made a few remarks about what "Taps" meant to a good soldier.

"What great people were there. Colonel Perkins, Captain Shideler, Bishop Mize, N.A., "Nabby Barker," and of course, Al Hart." Once I got into trouble and was denied my dinner, and about 6:30 Al sent some sandwiches to my room.

"I am still in contact with a few "old boys". Ed Orr writes now and then; I saw Fishman in Denver a year ago, and last spring I saw Robineau in Arizona."

"Here's to SJMS Forever."

## Cadets Visit Washington D.C.

A spring trip to Washington D.C. and New York City on a Kansas Educational tour was made by several Cadets March 31 to April 4.

Making the trip were Mike Cox, Tyler King, Truls Ringkjøb, Erroll Waddell, Greg Kowalsky, Todd Clift, and Robin Cary.

## L.S. Track Begins

## "Gubers" Play Five

The "Guber" basketball team, coached by Capt. Gerald Woody, played five games during the season. Team members are enrolled in the fourth, fifth and sixth grades. They played against the grade schools at Happy Corners, Bennington and Kanopolis.

## Parakeets Added

Two parakeets are new occupants of Capt. Gerald Woody's classroom. Flight training to return to the cage is conducted daily. Mrs. Lillian Faerber, Lower School secretary, reports that the Cadets are trying to teach them to listen as they already know how to talk.

The road to success is full of tempting detours.

## Crack Squad To Mile-High

The Crack Drill Squad, commanded by Robin South, will compete in the annual Mile-High Drill competition at the University of Colorado, April 28.

The Squad, accompanied by Sgt. Bill Bunting, will leave Salina April 26 and return the day following the drill. They will stay with Denver parents and patrons.

## SJMS Day Held At Great Bend

Assisting with the service were members of the Cadet Council. They were George Miklos, Truls Ringkjøb, Chuck Maxie, Ian Snider, Tim Bradshaw, Tim Garrett, Richard Fawcett, Jim Newman and Tom Dixon.
