TOP CADET -- Brig. Gen. John A. Seitz, U.S. Army (Ret.) right, presents the MacArthur Cadet Award to Scott Martin during a special awards ceremony at St. John's Military School. Reading the citation is Lt. Col. Paul H. Kellogg, U.S. Marine Corps (Ret.), Commandant, as Col. Keith G. Duckers, School President, views the proceedings.

Scott Martin Awarded MacArthur Medal, Jan. 26

Cadet Battalion Commander, Scott Martin, was presented the MacArthur Cadet award for the first time at St. John's Military School in ceremonies at 6 p.m., Jan. 26 in the Baner Gymnasium.

Making the presentation was Brig. Gen. John A. Seitz (U.S. Army-Ret.), a former base commander at Ft. Riley, Kans.

The MacArthur Cadet award is sponsored by the MacArthur Memorial Foundation, an organization founded by military and civilian personnel. The Foundation has as one of its major functions to perpetuate the MacArthur ideals -- Honor-Duty-Country.

The Foundation selected the Association of Military Colleges and Schools in the United States

as the direct sponsor for this award. There are 50 member schools of AMCSUS. Each School selected a recipient of the award. The Cadet must be a senior and be the most improved in academics, athletics and leadership.

Following the ceremony, Gen. and Mrs. Seitz and Scott's parents, Mr. and Mrs. Robert Martin, Littleton, Colo. were guests of the 93rd Corps for dinner in Nichols Hall.

Pep Squad Formed

The SJMS Pep Squad made its debut Jan. 30 at the Cadet basketball game with Downs.

Mark Fusaro organized the group which leads cheers at the athletic events. The squad attended the Cadet basketball game at Bennington Feb. 6.

Squad members are Miguel Balp, Walt Barrier, Jesse Campbell, Stuart Carroll, Marcus Coukoulis, John Cooney, Justin Dashner, Greg DeBuhr, Lawrence Dirkes, Cory Harlan, Mark Harris, John Hise, George Lewis, Mark Lewis, John Little, John Nicholls, Scott Powell, David Seaney, Tim Shive, Gustavo Sommer, Robert Tams, Howard Willoughby and David Zoller.

Named December Cadet

Shawn Proctor was named the Cadet-of-the-Month for December according to Lt. Col. Paul H. Kellogg, Commandant.

Trustee Kastner Not Surprised

SJMS Trustee Bob Kastner is not surprised at the record second semester enrollment. Kastner, quoted in the March 1980 "Skirmisher", told a group of past trustees: "St. John's now really has something to sell. It always has had an excellent academic program; now it will have the facilities worthy of that program."

Kastner, beginning his fourth term on the Board of Trustees, has been the Master of Ceremonies at the Corner-stone Laying Ceremonies and the dedication of The Vanier Academic Center.

Kastner is continuing a family tradition at St. John's. His father, the late Dan Kastner, was also an active member of the School's board.

Named December Waiter

Ronald Kinser was honored as the outstanding waiter-of-the month for December.

SJMS Has Record Enrollment

One of the largest enrollments in the history of the School, 205 Cadets, was enrolled as of Feb. 11 according to Maj. Larry M. Lysell, Director of Admissions.

The young men come from 22 states, 1 Commonwealth and five foreign countries. The largest number of Cadets come from Kansas (86) with Colorado (36), Nebraska (14) and Oklahoma (11), following.

The largest metropolitan area represented is Denver, followed by Kansas City and Wichita. Eight Cadets are enrolled this year from Salina as boarding students.

There are 141 boys in the Upper School and 64 in the Lower School.

All patrons should take note that Major Lysell will be sending enrollment contracts to eligible Cadets for the 1981-82 school year on March 12. Early enrollment will insure a \$200 savings on tuition for next year.

Major Lysell said that the School anticipates a full enrollment for the next school year. He said, "Inquiries are running about 10 percent ahead of a year ago. Early enrollment is encouraged to insure a space for your Cadet for the fall term."

He added that the School has received 349 admissions inquiries from Sept. 1, 1980 through Jan. 30 of this year.

The largest class in the School is the sophomore class with 46 Cadets enrolled.

New Football Coaches Named

Maj. Kelly Rudolph and Capt. Charles Spielman have been named head coaches for the Muleskinners Varsity football team for 1981-82.

Spielman is the School's Athletic Director and wrestling coach. Rudolph has been a successful coach in the Lower School's athletic program.

Both coaches indicated a number of Cadets should provide a sound foundation for next year's team. They are Fred Valentine, Mark Lawrence, Kevin Zwink, Dan Martin, Ernie Johnson, Mike Hill, David Blair, Todd Wamhoff, Mitchell West, Brian Bradford, Phil Foster and David Zoller.

The squad hopes to continue its victory string next fall. The 1980-81 season ended with a come-from-behind victory over Ell-Saline, 16-13.

The Clem-Ferris Barracks

Pictured is the new barracks for Upper School Cadets converted from the former Clem Library and the Ferris Industrial Arts and Science building. Fifty-six Cadets, the Commandant's office and the Military Office are housed in the recently renovated structure.

Staff Serves Many Years

The Retired and Active Duty members of the Military and Commandant's Staff have accumulated 156 years of duty in the various branches of the Armed services. There are seven members on the staff.

Band Lyre Authorized

Six Cadets fulfilled the requirements specified and were authorized to wear the band lyre. They are Brian Bradford, Mike Hill, Brad Post, Oudy Wall, Paul Unterweger and Robert Schawo.

Taking Off The Yellow Ribbons

Retired Master Sgt. Dwight Woodall, tactical officer for 15 years at St. John's Military School, unties the yellow ribbons from the Battalion Guidons in special ceremonies shortly after the release of the hostages from Iran. Woodall was chosen to untie the ribbons, placed early in the hostage crisis, because he was a prisoner of war during World War II. He was held in Japanese Prison camps from May, 1942, to October, 1945. (Photo courtesy of The Salina Journal).

The Chaplain's Corner

In Times Of Joy

When speaking of God, the psalmist says, "You will fill me with joy in your presence, with eternal pleasures at your right hand."

Joy is a marvelous reaction to good things. We see good things happen to us and we see good things happening around us and we have this feeling of well being, which is joy!

During the last few weeks with the safe return of the hostages we all experienced a reaction of joy and relief that another world crisis had ended. It was also a time when we could feel a sense of unity in this country and a time when we could thank God for his guiding hand and His eternal presence. Let us hope and pray that this feeling of well being will continue and grow in our country through the guidance of the Holy Spirit.

O God, Grant us, in all our doubts and uncertainties, the grace to ask what you would have us do, that the Spirit of wisdom may save us from false choices, and that in your eternal light we might see the straight path so that we may not stumble; through Jesus Christ our Lord. Amen.

God Bless You.

Fr. Norm Nicholls +

Hot Chocolate Served

A surprise cup of hot chocolate was served in the dorms to all Cadets during final examination week. Mrs. Wanda Woodall, Mrs. Mary Kellogg and Mrs. Marilyn Nicholls served the chocolate. Bob Gilliam, Food Service Director, donated the hot cocoa.

Named January Cadet

Warren Vest was selected as the Cadet-of-the-Month for January. Lt. Col. Paul H. Kellogg, Commandant, said, "His academic performance, attention to duty, military bearing, courtesy and demeanor, are to be commended."

Fire Damages Infirmary

Spontaneous ignition of cleaning rags, left by a cleaning service employee, was cited as the cause of a blaze which inflicted \$18,000 damage to the SJMS infirmary early Monday, Jan. 5.

The infirmary is located on the second floor of Nichols Hall, which houses the school dining hall on its first level. The dining hall was not damaged. There were no injuries.

Mrs. Viola Ebert, School nurse, who lives in quarters adjacent to the infirmary, discovered the fire and called in the alarm. Mrs. Ebert and her daughter, who was staying with her during the holidays -- fled the building unharmed.

Fire inspectors soon traced the fire trail to a small furnace room. The charred remains of a plastic mop bucket, rags and a mop next to the furnace were examined and determined to be the cause.

Work is progressing to repair the damage.

Bishop Thanks SJMS

(Editor's Note: The following is an excerpt from a letter from the Rt. Rev. William Davidson, former Bishop of Western Kansas and now the Assistant Bishop in the Diocese of Ohio.)

"I must say this is a long delayed letter. I had intended, as soon as we got here, to write to you following the lovely occasion held just before we left, at the St. John's gym, where Mary and I were inundated by the love and good wishes and gifts of all of our friends in Western Kansas. I wanted you to know how much I appreciated the fact that this could be held at the St. John's gym and also to express to you and the Trustees, my appreciation for the wonderful plaque that was presented to me in recognition of years of service at St. John's.

"Of course, one of the things I miss a great deal about my new position and regret as to leaving Western Kansas, is the fact that it required me to give up my associations with St. John's, and with all of you who are associated with it, particularly at a time when it seems to me the opportunities never looked better. On the other hand, I have complete confidence that St. John's will continue and improve and that you will be able to build constructively on the present advantages you have . . .

"Please forgive the long delay in getting this off to you and know that both Mary and I send our very best wishes to you and all the St. John's family, and our deep appreciation for all you have been and done to and for us."

Cadets Halt Losing Streak

St. John's beat defending 1A state champion Ell-Saline, 59-54, Jan. 16 in the Brookville gym, to end a losing streak.

The victory came at a good time for first-year St. John's Coach John Albrecht.

While celebrating his first win at the Cadet helm, Albrecht said, "We felt we could win this game and when we got behind the kids didn't get rattled, they just worked hard and it paid off."

Albrecht had plenty of praise to pass out as he credited Bryan Holmes and Jeff Holtwick with "sensational" games. He also mentioned Jason Durley's effort around the boards and was pleased with 6-1 Warren Vest, who Albrecht says is "always consistent".

Turning in big offensive nights for St. John's were Mike Hill and Holtwick, who tallied 22 and 16 points respectively.

But one factor stood out among all the others while a modest Albrecht tried to dish out the praise upon his team. It

was Albrecht's defense, tailored to stop Post Rock League stand-out Allan Jensen, that stopped the Cardinals and the St. John's losing streak.

Jensen, a solid bet for post-season honors, was held to only 10 points as the Cadets employed what Albrecht called a "zone with a chaser on Jensen". Most of the time it was Holtwick and Holmes that were playing shadows to Jensen's every move as the Cadets chocked off the Cardinal offensive attack.

The second half was tight all the way as the score was locked at 43-43 entering the final period of play.

The Cadets built a lead of up to six points "because we rebounded strong." Albrecht said, "And then we just hung on those last couple of minutes."

Photographers Selected

Mike Conquest has been selected as the photo editor for the 1980-81 yearbook, "The Sound-Off".

Assisting him will be student photographers Richard Fawcett, Terry Fihaley, Curtis Ford, Dan Martin, Joe Sherron and Jon Slater.

Albrecht Eyes 7th Place In League

We put it all together and defeated Ell-Saline 59-54. It will take the same type of total effort to win one or two more games and move up to 7th place, said Basketball Coach John Albrecht. "If they play together we can do it."

At the time of this statement Coach Albrecht's team had four games left in Post Rock League Play. The teams are St. John's, Beloit, Miltonvale, Tescott, and Glasco. Although losing to St. John's Beloit in an earlier game, SJMS should do better this time since Mike Hill and Jason Durley played very little in that contest.

Albrecht added, "With better defense the team has a good shot at Tescott. We lost earlier 97-79, but the 79 points was a high point output for St. John's teams in recent years."
