"Beginning Anew"

Wherever one looks these days the tabloids say something like: "Try our new - improved toothpaste" or "Try our new laundry detergent." Everything is "new and improved"! Many times in our own lives we begin something new. It can be a new project, start a new job, move to a new community and, yes, even begin a new life style.

I think probably all of the "new boys" find this to be true as they begin at St. John's. There are new schedules, new clothes, new friends, new teachers, new responsibilities, etc. This becomes a significant step in their lives -- one that they will build upon for the rest of their lives. It can become a new challenge, an opportunity for greater accomplishment.

Jesus talked about change, too. He talked about beginning anew -- starting a new life. This can be challenging and something that can change our life and others.

It is difficult to change sometimes and make room in our lives for new things. Fortunately, the "new boys" are boys, and not set in their ways -- they are flexible and soon will be Old Boys who can see the advantages of something "new".

"... and put on the new nature, created after the likeness of God in true righteousness and holiness." (Ephesians 4:24)

... Fr. Norm Nicholls,
Chaplain

Cadets Thought They Were Rich

The Cadets thought they had struck it rich when they found "gold" lying on the beach during a recent field trip to Kanopolis lake and Mushroom State park. The seventh and eighth grade cadets made the trip Sept. 18.

It was a disappointment to some when they found that it was only "fool's gold". However, the Cadets brought back samples of shale, calcite, sandstone and flowers of sulphur.

While at the Kanopolis reservoir, the seventh grade class studied a freshwater biome and of what it consists. They also picked up rock samples. The eighth grade class picked up rock samples which will be analyzed later in the classroom.

Both classes studied the effect of erosion and saw examples of land forms caused by erosion at Mushroom park.

Accompanying the Cadets were the Rev. Norman Nicholls, Chaplain; Maj. Kelly Rudolph, Capt. Charles Speilman and Lt. Doug Randolph, Lower School teachers.

Activity Room Has New Look

The Activity Room in Parkview Hall was re-decorated this summer. The room was painted in many different bright colors as were the furnishings.

Various games and an Air Hockey table were donated to the room by Mrs. Donna Vanier, Director of Development.

Painting projects were done by Lt. Col. Kenneth C. Faerber, Academic Dean, and Mrs. Faerber, Lower School secretary, during their vacation.

Activities Keep Young Cadets Busy

It's life in a zoo (literally) if you are a young Cadet in grades four, five and six. The zoo is the activities room in Parkview Hall with its assortment of hamsters, gerbils, snakes and anything else that can be caught.

Between the scientific and athletic excursions of Maj. Gerald Woody, Lower School director, and the artistic efforts of Mrs. Lillian Faerber, Lower School secretary and crafts teacher, there is always something to do.

School has only been in session four weeks and yet the young Cadets have been swimming, pitched horseshoes, trapped gophers, seen a haunted house and picked up pine cones, nuts and assorted weeds for art projects. Soon they will start bowling.

A storm halted the gopher-trapping expedition. And according to the Cadets "the big ones got away". Major woody reports that one gopher was "so big" it ran down the hole taking the trap with it.

The pine cones, nuts and weeds gathered are being made into "beautiful creations" to be given to parents on Parents Weekend, according to Mrs. Faerber. After gathering all the materials needed for the crafts project, the field trip ended with a stop at the local Dairy Queen.

Debaters Prepare For First Tourney

The SJMS Debaters will attend their first tournament Oct. 31 at Minneapolis High School, Minneapolis, Ks. Mrs. Joan Dark is the debate teacher and coach.

Team members are Steven Moak, Jim Giboney, Richard Fawcett, Mike Hill, Ken Howard, Richard Vest, Chris Colburn, John Carroll, John Hise, Greg DeBuhr, Victor Tsang and Bryan Epp.

Cadets Trim Pirates

Backup quarterback Danny Martin scored on a quarterback sneak with just over two minutes remaining to give St. John's Military School a 12-6 Post Rock league victory over Miltonvale on the home field, Sept. 25.

The victory evened the Cadets' record at 1-1 while Miltonvale dropped to 0-3.

"Our kids were so excited you'd thought we won the Super Bowl," said St. John's coach Kelly Rudolph after his first win as the Cadet coach.

St. John's jumped out to a 6-0 lead in the first quarter when quarterback Fred Valentine scored on a 40-yard run. But Miltonvale tied the game in the second period when Craig Moss scored on a 15-yard run.

Miltonvale appeared headed for a game-winning score midway through the final quarter when disaster hit the Pirates. A holding penalty and a quarterback sack forced Miltonvale into a punting situation.

But the punt never got off. After a low snap from center,

Mitch West tackled the Pirate punter at the St. John's 24-yard line.

Six plays later, Ernest Johnson bulled his way seven yards to the Miltonvale one. Martin scored behind center Mike Hill and guard Art Maynard on the next play.

Valentine paced the Cadets' 185-yard rushing attack with 86 yards before an injury forced him to the sidelines. The St. John's defense was paced by end Gary Cline, safety Mark Lawrence and linebacker Kevin Zwick.

Rudolph said penalties plagued the Cadets all night.

"We moved the ball real well," the SJMS coach said. "But every time we got a drive going, a penalty would kill us."

Cadets Fall In Opener

Perennial Post Rock League power St. John's of Beloit Dominated St. John's Sept. 13, recording a 40-0 season-opener at Beloit.

The Cadets were limited to just two first downs and 25 yards total offense, 13 rushing and 12 passing.

Fencing Club Formed

Fencing has returned as an extra-curricular activity at SJMS. The program was not in the budget for the current school year; so it is being conducted on a club basis.

Members will pay for the lessons and coaching. LCDR Michael Munson, USNR, a qualified instructor and coach, will conduct the program which will lead to competitive fencing.

Richard Fawcett is the Cadet officer-in-charge. The two-hour instruction sessions are held three days each week. The sessions do not interfere with any scheduled athletic events. The fee is \$50 a semester.

Rifle Team Starts Practice

The Rifle Team has started practice to begin competitive firing in early November. Mike Conquest is the team captain and SFC Sam Valley is the coach.

The team will compete in state and national matches during the year.

Teams from throughout the Midwest have been invited to compete in the SJMS Invitational match to be Nov. 6-9 in the St. John's Armory.

Members of the team are John Little, Brian Bradford, Rick Martin, Mitch Stice, John Nicholls and Brad Post.

Young Cadets Play Two

The Lower School football team has played games against Tescott, Sept. 17, and Solomon on Sept. 24. The Cadets ended up on the losing side in both games.

After only three days of practice in pads, the young "Mule-skinners" lost their first game to Tescott 32-6. Coach Kelly Rudolph said that Jeff Goff was the offensive leader for the Cadets with several long runs. Leading the defense was Darrin Graham.

Showing much improvement in the second game against Solomon, the Cadets lost the game 20-14 in the final two minutes of play.

The score was tied 8-8 at the halftime marker. The Cadets scored on a 35-yard pass play from Jeff Goff to Roy Sweeny.

Solomon scored first in the second half to make it a 14-8 ball game. the Cadets' defense stopped the extra point try.

In the final quarter, Perry Cox dove over from the two-yard line and Sweeny ran the extra point attempt giving SJMS a 16-14 lead.

With two minutes left, a bad snap from center on a punt resulted in Solomon getting the ball on the 10-yard line and running it over just before the game ended.

Singled out by Coach Rudolph for exceptional play were Goff, Sweeny, Larry Ratliff, Raphael Valdivis and Graham.

The remaining schedule follows:
White City, H..... Oct. 8
Bennington, H..... Oct. 15
Lincoln, H..... Oct. 29

Glasco Stops Cadets

Glasco held on to down a stubborn Cadet football team, 16 - 8, on Perkins Field, Oct. 2, in Post League action.

The Bulldogs, who evened their record at 2 - 2 with the victory, built their lead to 16 - 0 before the Cadets got on the scoreboard late in the final quarter.

But Cadet Coach Kelly Rudolph was pleased with his club's showing.

"This is by far the best game we've played," the first-year St. John's coach said. "If a couple plays had gone the other way, we could have won."

The biggest play which "went the other way" came in the final minutes of the first quarter. The Cadets had marched from their own 29 to the Glasco three-yard line before a holding penalty halted the drive.

"That really cost us," Rudolph said.

Two possessions later, Glasco put together a 14-play, 59-yard drive to score.

Glasco upped its advantage to 16 - 0 when it scored on its first possession of the second half.

St. John's, which drove inside the Glasco 10-yard line early in the fourth quarter, finally got on the board 4:03 before the final gun when Mark Lawrence dove in from a yard out. Dan Martin ran in the PAT for the game's final points.

The Cadets had one final possession but an interception with 32 seconds remaining killed the threat at the Bulldogs' 13-yard line.

Glasco outgained SJMS 256-127, in total yards, but the Bulldogs committed six turnovers. The Cadets also were plagued by miscues as they had three turnovers and 114 yards in penalties.
