Salina Optimists Honor SJMS "Honor" Students

Honor Cadets at SJMS were honored guests at the Optimist Youth Appreciation week luncheon held at the Cavalier Club, Monday, Nov. 9.

Selected were the six members of the Blue Berets, Richard Fawcett, Ron Kinser, John Wolfe, T.J. Sparks, Robert Schawo, and Brad Glennie. Robert Filce was selected as another Cadet named to the first grading period honor roll.

Others honored were Matt Minson, Battalion Commander of the 94th Corps; Brian Bradford, Executive Officer of the Corps; and Eric Erickson, Alpha Company Commander. Fawcett and Kinser were also recognized as being members of the Battalion staff as personnel officer and training officer, respectively.

Honorable mention cadets were David Blair, Rick Martin and

Scott Shirey. Martin is Delta Company Commander; Blair is the Battalion Sergeant-Major and Shirey is the Corps Intelligence Officer.

NHS Inducts New Members

Four Cadets were initiated into the National Honor Society Nov. 12. They were Richard Martin, David Price, John Hise, Jim Foster and Ron Kinser.

The initiation, business meeting and dinner were held at the Cow Town of America restaurant, Sylvan Grove, Ks. Featured at the cafe are 32-ounce steaks.

Students, Civic Leaders Engage In Open Forum

St. John's Cadets and representative students from six other Salina area schools experienced a wide-ranging discussion with their peers and elders at a "Youth Speaks Out" session at the Salina Hilton Inn.

The event was sponsored by the Education Committee of the Salina area Chamber of Commerce and involved students from Marymount and Brown Mackie colleges, Kansas Technical Institute, Salina Central High School and Sacred Heart High School.

Fielding questions was a panel composed of Alice Denning, Salina realtor; Russ Jones, architect and member of the City Planning Board; Charles Roth, businessman and city commissioner and District Judge John Weckel. Roger Wilbur was the moderator.

The comments and questions ranged from development of a proposed Mall in Salina to public transportation to support (or lack of it) of fine arts.

Several Cadets wondered why more "free entertainment" isn't available and also had questions about public transportation.

"When my boys were growing up here," said Mrs. Denning, "there used to be something called Club Cherokee which had dances for high school students on a regular basis. It's a problem and I don't know if anyone is doing anything or not."

Dave Lambdin, a member of the committee, said: "We have trouble communicating with the youth. So we use our own ideas of what you want. And that doesn't work. There are lots of examples of opening centers and, because we decided what you should have, these are unused and went down the tube."

"We Cadets have a unique problem" said a Cadet, "in that

there is no public transportation except taxis. The fares are too high for us to use them. Why don't we have public transportation?"

"When someone can make money, it'll happen," said Roth. "The mood of the country and of Salina is against subsidies. Communities many times larger than Salina have public transportation difficulties."

A Marymount student questioned how greater community participation in fine arts projects might be obtained. "We have lots of things, art openings, plays, concerts . . . and few people come. Many of them are free."

Weckel, during a discussion of the multiplicity of activities available to Salinans, said the St. John's Cadets were looking for free entertainment. Marymount, he said, should make the information available.

"I don't want to embarrass you judge," said the Marymount student, "but the Cadets do come to our activities."

Southeast of Saline students wanted to know how they can become a larger part of the community. "We identify with Salina, but we don't think Salina identifies with us."

"Volunteer," counseled Roth. There was considerable give and take as the students opened up in the discussion. "Exactly what we wanted," said an organizer of the session.

Representing the Cadet Corps were Brian Bradford, Eric Erickson, Richard Fawcett, Jim Foster, Ron Kinser and Matt Minson.

Young Cadets Play Stock Market Game

The Lower School has two teams entered in the Kansas State University Stock Market game and both are ranked in regional and state competition according to Lt. Doug Randolph, Lower School math instructor and sponsor.

The SJMS teams are ranked second and third in the Manhattan Region and among the top 40 state teams, they are ranked 21st and 22nd at the end of five weeks of competition.

The game is designed to teach students the importance of the stock market and how to buy and sell stocks. History of the stock exchange is also taught in the program.

The 350 teams in the state are divided into several regions. There are 41 teams in the Manhattan region.

Lt. Randolph explained that each team starts out the game with \$100,000 in cash and \$100,000 in credits (on paper). With these assets the teams buy and sell stocks through the use of the Manhattan computer center at KSU. The game winner will be the team which makes the most money during a 10-week period. Trophies will be awarded to the first, second and third place teams in both the region and state competition. The awards will be made at a dinner scheduled for next spring in Manhattan.

Roger Bourland, A.G. Edwards and Sons, Salina, is the teams' stock advisor. A field trip to the Salina office is planned during November.

Members of the second place regional team are James Rust, Gary Woodring, Randy Moore and Richard Jenkins. The third place team members are Shane Miller, Jeff Goff, Ray Sweeney, Brad Glennie and Brad Emerson.

Gala Auction Set For Commencement 1982

The Fourth St. John's Military School Foundation Charity auction will open the 1982 Commencement weekend activities according to Mrs. Donna Vanier, Director of Development.

The gala evening will be held in Heritage Hall of Salina's Bicentennial Center on Thursday evening, May 13.

This year's event will feature a catered dinner, auction of selected items and a silent auction of valuable merchandise.

Anyone interested in donating to this event is asked to have the items at the School by March 1, 1982. A catalog of auction merchandise will be compiled at that time.

An anonymous donor has indicated an automobile may be one of the items at the auction.

Mrs. Vanier attended an auction workshop this summer. She said the workshop chairman was amazed that the School had put on three successful auctions without parent manpower; had done a good job considering there was no charge to attend the auction; a skelton crew of local people did the work; the time was limited and there was no single big item for auction.

She said that items donated will not be limited as in the past. The top items will be sold

in the live auction and other items will be sold in the silent auction.

Mrs. Vanier said that she is looking for unusual items such as items of gold or silver, a steer, puppies, bicycles and tires.

Proceeds of the auction are used to improve the campus and enrich the lives of the Cadets attending the School.

VETERANS DAY

At 11 o'clock the morning of Nov. 11, 1918, the war to end all wars came to a close; an armistice had been signed. Church bells rang, impromptu parades were formed, and people embraced perfect strangers in spontaneous rejoicing.

In 1926 Armistice Day was established to mark this great event. Enthusiasm for the day declined in the years that followed. It was not revived until June 1, 1954, when it was renamed Veterans Day to honor all men and women who served America in its armed forces.

FLASH: Fish Eats Mouse

The major topic of conversation in the Parkview Activity room is about a fish eating a mouse. A live mouse was swimming on top of the water in the aquarium when the big Sun fish caught and swallowed it.

Tescott Edges Cadets 44-40

The Cadets turned in their best offensive performance in quite a few seasons but still lost, 44-40, to Tescott in a Post Rock League game on Perkins Field, Oct. 23.

The Cadets won the statistical battle with 420 yards of total offense compared to 255 for the Trojans, but Tescott's offense was better than St. John's defense where it counted -- on the scoreboard.

Tescott scored first when Darren Ballantyne caught a 15-yard pass from Todd Weather and Kyle Deckert ran over the two-point conversion.

St. John's quarterback, sophomore Fred Valentine, also scored on a 15-yard run as the Cadets trailed 8-6 after the first quarter of play. In the second quarter Valentine gave the Cadets their only lead in the game with a two-yard run.

Tescott scored the next two TDs for a 22-11 halftime lead and the teams traded touchdowns in the second half.

In the third quarter Dan Martin scored from the four with Ernest Johnson running over the conversion for the Cadets. The Cadets trailed 28-26 after three quarters of play.

Tescott opened the scoring in the wild fourth quarter. Martin countered with a nine-yard run and a conversion run. But Tescott came back to score again. The Cadets' Johnson scored from the three for the final points of the night.

The 342 yards that St. John's compiled on the ground is the best showing in that department in quite some time. But the Cadets had only 12 first downs. The Cadets had 14 penalties for 127 yards to eight for 53 for Tescott.

SJ Cadets Play Ell-Saline Tough

Football Action

The Cadets nearly played heavily-favored Ell-Saline to a draw on Perkins Field, Friday, Oct. 16 before coming out on the short end of the 12-6 decision in a Post Rock League game.

St. John's outgained the visiting Cardinals in total offense, 138-132, but a desperation touchdown pass by Ell-Saline late in the first half proved to be the game-winner. With the score tied, 6-6 quarterback Allen Jensen hit Bob Wesch with a 37-yard scoring pass with just seven seconds to go before halftime to give the Cardinals a 12-6 lead.

"That touchdown pass right before halftime really hurt us," Cadet Coach Kelly Rudolph said. "When you get this close to winning and have to say 'we should have' . . . you just get tired of it."

St. John's grabbed an early

6-0 lead when Kevin Zwick intercepted a Jensen pass and returned it 30 yards for a touchdown. The TD came with 8:49 left in the opening period.

The score stayed that way until late in the second quarter when Jensen scored from three yards out at the 2:15 mark to cap a seven-play, 36-yard drive.

"Our defense played super tonight", Coach Rudolph said. "If we could just get some offense, we could win some games in this league but we still have a young club."

Ell-Saline Coach Bob Hachiya came away from the game impressed with the Cadets.

"We didn't execute properly, but you have to give Military a lot of credit," said Hachiya. "They came to play football. They are a vastly improved team."

Debaters Attend 1st Tournament

The SJMS debate team competed in a tournament Oct. 31 at Minneapolis High School.

Mike Hill and Richard Fawcett won three of their five rounds. Hill had seven speaker points. A perfect speaking record for five rounds would be five.

Also competing were Richard Vest and Steve Moak.

Plans are being made to attend another tournament in December according to Mrs. JoAnn Dark, debate coach.

Fencers To Start

The first meet for the SJMS fencing club will be Nov. 15 in Kansas City, Mo. The club is coached and sponsored by Cmdr. Michael J. Munson, (US-Navy, Ret.)

Named October Waiter

David Brockhaus was named the Waiter-of-the-Month for October. The commendation read: "As determined by the Food Service Officer, your attending to duty, performance of your assigned tasks, neatness and politeness are recognized as your outstanding traits as a waiter". He was authorized to wear the JROTC Commendation ribbon.

State Power Defeats The Cadets, 34-20

Senior Larry Allison rushed for 288 yards and scored three touchdowns, Nov. 6 to lead State fifth-ranked Bennington to a 34-20 victory over the Cadets in a Post Rock League game at Bennington.

The victory capped an undefeated regular season and league title for the Bulldogs, who will meet a top-ranked team in the Bi-District game of the eight-man state playoffs.

The Cadets, putting together one of their better efforts ever, ended the season at 1-6.

St. John's came out strong in the first quarter, controlling the ball and scoring one touchdown on a two-yard run by Danny Martin. Ernest Johnson's PAT run gave the Cadets an 8-0 lead.

But Bennington finally got things going, scoring 16 points in the second quarter and 12 in the third.

The Cadets put two more scores on the board in the fourth quarter on a three-yard run by Tom Cox and a 12-yard pass

from Gary Cline to Richard Vest.

The Bennington coach said, "St. John's played the best I've ever seen them. We only had the ball for three minutes in the first quarter. But we finally put things together in the second and third quarters."
