"Evening at Home" SJMS Ladies Is Foundation Project Plan Special Activities

The St. John's Military School Foundation is inviting parents, faculty and staff, and friends of SJMS to an evening at home—their own! The date of the "evening at home" has been set for Saturday, April 28.

The purpose of the project is to raise money for the School's land acquisition fund.

Mrs. John Weaver, Beulah, Colo., co-chairman of the "evening", said, "we are asking people to spend one Saturday evening at home with their families and donate the money saved to the fund. If you normally would have gone out to dinner, or to a movie or dancing, the money saved would go to the Foundation. Or if you choose to eat grilled cheese sandwiches instead of steak, the money saved will go to purchase additional land near the School."

Mrs. Hazel Thomas, Manchester, Kansas, the other co-chairman, asks that all those participating send notes or pictures with the contributions indicating the "evenings" activities. The most unusual "evenings" will be featured in the May "Skirmisher" and on a bulletin board at Commencement time.

Mrs. Weaver reminded patrons and friends that all donations to the Foundation are tax deductible and that no donation is too small.

Lettermen To Be Honored

A successful Kansas high school basketball coach who has now joined the college coaching ranks will be the speaker at the annual Lettermen's Dinner at 6:30 p.m. April 14 in Nichols Dining Hall.

Walter R. Shublom, for many years coach at Wyandotte High School in Kansas City, Kans., will be the speaker. He left Wyandotte High to become an assistant basketball coach at the University of Missouri. He is now the coach at the Kansas City Community Junior College on the Kansas side of the Missouri river.

Honored at the dinner will be all lettermen, both Lower and Upper School, in the various sports at the School.

Coach Shublom was born and raised in Salina. He was the athletic banquet speaker at SJMS in the spring of 1965.

During the time Shublom was at Wyandotte, he led the Bulldogs to seven state championships. He is an author, speaker at coaches clinics, and has received many coaching awards.

Capt. Gary Tucker, Athletic Director, is in charge of arrangements.

Sergeants Changed

A transfer in company first sergeants has been made. Bob Hansen was assigned to C-Company and Fred Johnson was named to B-Company.

and Cadets must have permission from parents or guardians.

Making the trip will be Greg Clements, Mark and Roger Paul, Larry Eberhart, Bob Conklin, Mark Jamison, John Evans, Ron Smith, Matt Weaver, Mike Heywood, Chet Baysinger, Robert Johnson, Joe Martin, Mark Harper, Kent Winchell, Dick Schnitzler, Kenneth Adkerson, Jim Coudayre, Jim Wellman, Tom Rudolph, David Wasson and Tim Kaywood.

SJMS Ladies Plan Special Activities

Special events for all Cadets have been planned by the St. John's Ladies Club. During the year the women associated with SJMS have raised money by making and selling pinecone wreaths and at a country store at the January Jubilee.

The first parties will be Saturday, April 7. Cadets will either go skating at Skateland or swimming at the Salina South High School pool. Company commanders were asked to get a list of all Cadets in the company and to specify which event they would like to attend. All expenses including bus transportation and a snack will be paid by the SJMS Ladies.

Cadets in the seventh grade through the senior class will participate in these two functions. Approximately 45 boys will go skating and more than 90 will swim.

Cadets in the third through sixth grades will spend Sunday afternoon April 15 at Playland Park. Transportation will be furnished by several faculty wives who will spend the afternoon with the young Cadets.

Mrs. Larry Dwyer is the club president and Mrs. Kenneth Faerber is the secretary-treasurer.

SJMS Gets Scholarship Money Gift

A gift of one-half million dollars was announced Feb. 23 to finance scholarship and aid youth work at four Salina institutions.

Beneficiaries of the gift from Charities Foundation, Inc., of Salina include St. John's Military Schools. Others are Marymount College, Kansas Wesleyan and the Salina YMCA.

Announcement was made at a news conference at the First National Bank and Trust Co., the creator of Charities Foundation. The Foundation provides a vehicle for tax-free contributions to charitable institutions.

The gift will provide approximately \$35,000 annually — perhaps more — for the four institutions.

St. John's will receive the income from \$50,760. With the money the schools are to provide scholarships for Kansas residents not to exceed one-half of the tuition, room and board charges of the semester in which the scholarships are given.

The principal must remain intact. Only income can be used.

Col. Keith G. Duckers, Superintendent, said that the gift will be a real asset at St. John's. "Every year we have boys who want to or should attend St. John's but their parents cannot afford the full charges. This money will permit us to assist these students".

Federal Inspection Schedule Is Set

The schedule for Federal Inspection, Thursday, April 13, has been announced by Maj. Richard Stamm, Senior Army Instructor. The chief inspecting officer will be Col. Robert J. Pazderka, Professor of Military Science at the University of Nebraska, Lincoln.

Other members of the inspecting team will be Maj. Jerome A. Durbin, Army ROTC, University of Kansas, Lawrence; Capt. George D. Mackey, University of Nebraska, and Maj. Lester F. Jenkins, liaison officer between SJMS and the U.S. Fifth Army, Ft. Riley. Maj. Jenkins has been a member of two previous inspection teams. Maj. Durbin will inspect administration, Cadet Corps performance and miscellaneous activities. Capt. Mackey will be in charge of physical security and supply, and Maj. Jenkins will inspect the Lower School in ranks.

The inspecting team will arrive on campus at 8 a.m. to be greeted by an Honor Guard. The inspectors will meet with the Superintendent, Col. Keith G. Duckers, from 8:15 to 8:30 a.m. The Cadet staff officers will conduct a briefing at 8:30.

Concurrent inspections of administration, supplies, training records and facilities will be from 9 to 10 a.m.

A coffee for the officers and SJMS faculty and staff will be at 10 a.m.

The Cadets will be inspected in ranks from 10:30 to 11:30 a.m. The Honor Unit certificate will be presented in ceremonies from 11:30 to 11:45 a.m.

Lunch will be served from 11:45 a.m. to 12:30 p.m. A complaints time has been set for 12:30 to 1 p.m.

The Crack Squad will drill from 1 to 1:30 p.m. Inspecting officers time, to permit report writing and an exit interview, will be from 1:30 to 3 p.m. The team will leave campus at 3 p.m.

New Catalogs Printed

New catalogs telling about St. John's Military School are now in the process of being printed. The catalogs are mailed to interested prospects of the School.

Six Men Elected To Board of Trustees

Six new Trustees were elected to the Board of St. John's Military School at the February meeting.

Elected to three-year terms were Robert H. Kastner, president of City Plumbing Co., Salina; Eugene B. Revels, Salina Board of Trade lounge, Jack Vanier, owner of CK ranch, Brookville; N.W. (Jerry) Solomon; insurance executive, Lincoln, Neb., and Lee Hamilton, Hutchinson, Kans.

Harvey Hoover was elected to a one-year term to fill an unexpired vacancy.

The new members will assume their duties following the June

St. John's has won the "Honor School Rating", highest award given, each year it has been in the junior ROTC program.

Salina Fund Drive Delayed

The St. John's Board of Trustees voted to wait until Nov. 15 to kick-off the Salina portion of the fund drive to raise \$650,000 to build a sports complex at the School.

Col. Keith G. Duckers, Superintendent, said the decision was made to allow more time to organize leaders and workers who now have commitments to other civic responsibilities. The timing of the drive was made so it will not conflict with other drives at the School and in Salina.

High Scout Award To Be Given

Roger Templin will receive his God and Country Award in Armstrong Memorial Chapel on the St. John's campus, May 13. The Rev. Loyd Holifield Jr., Chaplain, has served as his counselor for this highest of awards given by the Boys Scouts of America.

Mike Heywood is the only other Cadet to hold the award. Both Cadets are Eagle Scouts.

Named to All-Stars

Jim Bunting, starting forward on the Cadet basketball team, was named to the All-Star first team in the Western Division of the Eisenhower league. Bunting was also named to the football All-Stars last fall as quarterback.

Chaplain Preaches In Pueblo Church

The Rev. Loyd Holifield Jr., Chaplain, was the guest preacher at the Episcopal Church of the Ascension, Pueblo, Colo., Sunday, March 25.

Hosting a dinner honoring Fr. Holifield were Mr. and Mrs. Donald Leach. Guests were parents of present Cadets. They were Dr. and Mrs. John Weaver, Mr. and Mrs. Don Nealley and Mr. and Mrs. Jim Coudayre. Also attending were Dr. and Mrs. John McKittrick, parents of Morris Hanley, class of '72.

Rattlesnakes Beware! Here Come the Cadets

The annual Rattlesnake Hunt to Waynoka, Okla., sponsored by Lt. Col. R.L. Guernsey, will be April 27-29.

The Cadets and sponsors will stay in Alva, Okla., but will hunt snakes near Waynoka. Col. Guernsey said that last year the group brought back seven rattlers and one whip snake. In 1971, the Cadets brought three rattlesnakes back to the science lab. He added, however, that one year the hunt was cancelled due to a snow storm.

Accompanying the Cadets will be Capt. Kenneth Faerber, Sgt. Ted Hanmer, Jeff Guernsey and Col. Guernsey. Cost of the trip is \$40

Staff Members Attend Environment Meeting

A conference on environmental education was attended by Capt. Kenneth Faerber, Admissions Director, and Lt. Col. R.L. Guernsey, Science Department chairman, at Kansas State University, Manhattan, March 16.

The objectives of the conference were to define the school's responsibility in environmental education, suggest guidelines for an environmental education curriculum, and to develop strategies for implementing such education.

Major problems facing Kansas were discussed in a lecture. Of the 537 waste disposal sites in Kansas only 20 meet federal standards and that Kansas supplies of natural gas and oil are being de-

pleted at a rate that will result in a major problem in 10 years.

Congressman William Roy, (D-Kansas), was the noon luncheon speaker. He is a member of the environmental committee in the U.S. Congress. He expressed a great need for environmental education of the public, both young and old.

Group seminars were held during the afternoon.

Peace Is Here But Cadets Wait Word of M.I.A. Father

"Peace is at hand."

This statement made by Henry Kissinger last October seems to have finally become a reality.

All our known Prisoners of War have been returned. U.S. Forces have been withdrawn from South Vietnam.

So it would seem that the P.O.W.-M.I.A. bracelets would no longer be a common sight. Many individuals have sent the bracelets to the returned P.O.W.'s.

But at St. John's Military School, the bracelets are still being worn and will be until Col. Roy Knight, father of junior Cadet Roy Knight Jr., is accounted for by the government. Colonel Knight has been M.I.A. since 1967 when he was shot down over Laos.

Maj. Richard Stamm, Senior Army Instructor, has a blue star on his bracelet which indicates no word has yet been received.

At St. John's, many Cadets and staff and faculty members and their families wear the bracelets honoring the Colonel.

Now that the Prisoners of War have been returned, the long process of accounting for the missing begins.

During the time Colonel Knight has been missing he has been promoted to the full rank of Colonel.

If he is found, the bracelets will be given to him. Cadet Knight doesn't want to consider any other alternatives. He hopes this story has a happy ending.

Enrollments Are Up!

Inquiries from interested boys and their parents are running considerably higher than a year ago according to Capt. Kenneth Faerber, Admissions Director.

He said, "The enrollment picture is most encouraging. There is a definite increase in the number of old boys re-enrolled and new boys enrolled for the school year 1973-74".

Staff Members Convalescening

Several members of the St. John's Military School staff family have returned home after stays in hospitals.

Maj. Harold Fraizer, Junior School teacher, suffered a heart attack in March and was hospitalized for several weeks. He has now returned to his quarters in Mize Hall where he can oversee the work in his rose garden. Chuck Hanna spent spring furlough getting the garden in shape. Maj. Fraizer will not return to his duties during the remainder of this school year. Mrs. John Clymer, former Lower School teacher, is teaching his classes.

The doctor has assured Col. Keith G. Duckers, Superintendent, that Maj. Fraizer will be able to assume his duties next fall.

Mrs. Paul Kellogg, wife of the School's commandant, is convalescing at home after undergoing major surgery at the University of Kansas Medical Center in Kansas City.

Mrs. Gary Tucker, wife of the athletic director, is recovering after spending a few days in the hospital for tests.

VISITING WITH GEN. LEWIS WALT, U.S. Marine Corps commandant, retired, and Mrs. Walt in Washington, D.C. were (left to right) Congressman and Mrs. Keith Sebelius, Col. and Mrs. Keith Duckers, and Mrs. Walt. General Walt is to the far right in the picture.

Colonel Duckers Heads Military Schools Association

Col. Keith G. Duckers, Superintendent of St. John's Military School was elected president of the Association of Military Schools and Colleges of the United States at its annual meeting in Washington, D.C. March 4-6.

Speaker at the banquet was Gen. Lewis W. Walt, retired commandant of the U.S. Marine Corps. The Colors were presented by a unit from the Marine Corps barracks in Washington. Providing music was the Marine Corps band.

Colonel Duckers has been associated with St. John's since December of 1950 coming to Salina as public information officer. He has been superintendent of St. John's since September of 1968 and served as acting superintendent for a year prior to that.

In accepting election, Col. Duckers said, "The member colleges and schools of AMCS have played an important role in the preparation of America's leaders, both military and civilian, for many generations. Our schools combine the discipline of military training with strong academic programs and are excellent vehicles for the fostering of the educational process. I foresee a bright future for those military schools that have survived the anti-military feeling brought about by the Vietnam war. Now that we have peace, I predict an increase in enrollment in all military schools next year."

During his years at SJMS, the enrollment has grown from 63 students to an enrollment of 165. He has been active in improving and expanding the physical plant of the Episcopal boarding school. Buildings added include a library, industrial arts and science building, junior school dormitory and a student recreation center. He is now involved in a fund drive to raise \$650,000 to build a new sports center.

Colonel Duckers is a graduate of Wetmore High School, Wetmore, Kans. He was awarded a B. S. degree in journalism from Kansas State U.

He has been active in various organizations in Salina and Kansas. Col. Duckers has served on the Vestry of Christ Episcopal Cathedral, was president of the Salina Kiwanis Club, served as a director of the Salina Chamber of Commerce, has been a member of the Great State Council of the Kansas Chamber of Commerce since it was created and is a member of the board of directors of the Kansas Association of Non-public schools. He is a member of various Masonic groups and is a past potentate of Isis Shrine Temple.

Character Building Roles Of Military Schools Stressed

WASHINGTON, D. C. — Top-level position statements emphasizing the vital roles of the nation's military schools were presented here to ranking members of Congress and representatives from 47 military institutions at the annual conference of the Association of Military Colleges and Schools of the United States, according to Col. Keith G. Duckers, newly elected AMCS President.

Duckers, who additionally represents St. John's Military School, introduced the senior military of the Pentagon to include Gen. Lewis Walt (USMC-Ret.) Gen. Walt, an honor graduate of the Colorado State Univ. ROTC program, stressed the rewards of character development and leadership gained through military indoctrination at the secondary school level.

The highly decorated Marine emphasized that graduates of schools which offer military disciplines in combination with academic excellence have produced leaders in every strata of society — "good citizens in all responsibilities" — he said.

Gen. Walt, former Commandant of the Marine Corps, is instru-

mental in the organization of national youth training programs, including the fight against drugs.

Endorsements of the academic excellence and leadership disciplines offered by military institutions were furnished by the Superintendents of the three Service Academies: Lt. Gen. A.P. Clark, USAF Academy; Lt. Gen. William A. Knowlton, U.S. Military Academy at West Point, and Vice. Adm. W.P. Mack, U.S. Naval Academy.

The AMCS, recently expanded and strengthened by a merger with the National Association of Military Schools, was organized in 1914. Member institutions must be accredited by a state or regional accreditation board, and they must have a military training program approved by the Department of Defense. Today, the association represents virtually all of the major military schools in America.

Other newly-elected officers are Vice President, Col. Raymond R. Kelly, Howe Military School, Howe, Ind.; Secretary, Col. A.F. Muzyk, St. John's College High School, Washington, D.C.; and Treasurer, Dr. John Owen, North Georgia College, Dahlonega, Ga.

Science Students Attend Lectures, Demonstrations

Science students have attended demonstrations and lectures and will make field trips during the spring according to Lt. Col. R.L. Guernsey, Science Department head, and Lt. Lynn Kerbs, chemistry teacher.

Physics lab demonstrations were presented by two professors from Ft. Hays State College to the physics, chemistry and advanced math classes recently. Demonstrations using a frictionless plane, laser beam, holograms, tesla coil, VanderGraff generator, cathode ray tube and angular momentum using a bicycle wheel were given.

Several Cadets attended a Science Day at Kansas Wesleyan March 14. They saw demonstrations in physics, chemistry, biology and earth sciences and attended lectures on thermodynamics, math analysis and cation reactions. Attending were David Arledge, Jack Dennison, Dick Schnitzler, Jim Philbrook, Walt Webb, Kevin Tobin, Jim Wellman, Phil Gronemeyer, Kirk Hutchinson, Larry Eberhart, Wes Adkins and

Scott Metzler.

Science tours for the physics classes are planned to Westinghouse on April 26 and Cessna aircraft on April 10. The chemistry class will tour the Salina water plant and sewage treatment plant. No date has been set.

Another lecture will be given by a visiting professor from Ft. Hays on April 29 in the Chem lab. All chemistry and physics students will attend the lecture-demonstration.

A photo-interest group is planned by Lt. Kerbs to study dark-room procedure, techniques of picture taking and composition. Outside lecturers will talk to the Cadets and field trips are planned to see photographic techniques. Cadets involved are Adkins, Roman Lock, Jim Coudayre, Ken and Mark Harper, Mark Spiess, Webb, Greg Paul and Mike Turner.
