SJMS and SHHS To Hold Career Day

The myth that every boy wants to grow up and be a fireman is exactly that — a myth according to Capt. Paul Sommers, Guidance Counselor. There isn't enough interest in that occupation to be covered during the annual Career Day held jointly by St. John's Military and Sacred Heart High Schools.

Career Day will be March 8 at Sacred Heart High School. Forty careers ranging from accounting to veterinary medicine will be covered.

All Upper School Cadets will be taken by bus to SHHS. Departure time is 12:45 p.m. An assembly will be held. Each student will attend three different interest sessions. The first session will be at 1:30 p.m., the second at 2:10 p.m. and the third at 2:50 p.m.

Planning the day are Capt. Sommers and Jon Bingesser, Guidance Counselor at Sacred Heart.

Cadets on their interest preference sheets expressed the most interest in auto mechanics, aeronautics, law enforcement, engineering, photography, forest service, law, and radio and television.

Very little interest was shown in careers as a sales clerk, stock broker, plumber, public relations man, minister or missionary, florist, fireman, farmer or dentist.

Library Club Is Active

The Library Club made \$43.49 at the annual January Jubilee. The club is discussing plans to purchase a display case for Clem Library.

Officers of the club are Grant LaMora, president; Scott Walters, vice president; Tony Wilson, treasurer, and Dale Olson, secretary.

Other members are Chris Cadwell, Bob Conklin, Phil Gronemeyer, Al Leavitt, Hudson Leighton, Scott Metzler, Danny Miehle, Marc Seiwert, Ted Sulzen, Kevin Morris, Ed Weil and Mark Jamison.

Mrs. Martha Lohman, Librarian, is Club sponsor.

Honor Society To Initiate 3 Cadets

Three Cadets will soon be initiated into the National Honor Society. They are Roy Knight, Fred Johnson and Roger Templin.

NHS recently sponsored a Book Fair in the English Department in the Clem Library. For sale were 350 paperback book titles. Approximately 800 books were sold with "Jonathan Livingston Seagull" being the best seller.

Selecting the books to be sold were Ken Harper, Kirk Hutchinson, Gordon Crumby, Mark Fowler, Mike Turner and W.L. Webb.

The club sponsored the cake walk at the January Jubilee and made \$70. The Club uses its funds to help sponsor the Watson Rifle matches, buy books for the library, purchase trees to be planted on campus and for other worthy projects at the school.

Rat Experiment Shows Diet - Growth Relation

The results of the experiment to show the effect of improving a poor diet "were spectacular" according to Lt. Col. R.L. Guernsey, Science Department head. Colonel Guernsey and a group of Cadets conducted the experiment from mid-December to early January.

The objectives were to show the effect on growth of a poor diet and to show the effect on growth of the addition of milk and green vegetables to such a poor diet.

Two groups of four young albino rats were used.

The average gain per rat on the poor diet was 40.02 grams. The average gain per rat on the improved diet was 141.35 grams.

The rats on the poor diet were put on the improved diet at the close of the experiment. They showed an almost immediate improvement by a big weight gain in less than three days according to Col. Guernsey.

The Cadets observed that the rats on the poor diet were much smaller and thin. It was also observed that these rats were definitely harder to handle and exhibited nervous behavior. When changed to the improved diet the rats became easier to handle.

Participating in the project were Ed Smith, Bob Johnson, David Wasson, Ray Podrebarac, Dick Schnitzler, John Shaver, Marc Seiwert, Grant LaMora, Blair Miller and Ed Duckers.

Three Seniors Nominated For Academy Appointments

Three senior Cadets have been nominated for appointments to the service academies by Col. Keith G. Duckers, Superintendent. They are Jack Dennison, Kirk Hutchinson and Gordon Crumby.

To be nominated a Cadet must have been a member of the ROTC unit for at least two years; be graduated within the upper third of his class; demonstrated outstanding qualities of leadership, character and aptitude for the military service and met all other requirements prescribed for admission to the academies.

Crumby, from Cody, Wyo., is captain of the rifle team and president of the Key Club. An honor roll student, he is a member of the National Honor Society. He holds the rank of Cadet second lieutenant.

Hailing from Quincy, Ill., Dennison was chairman of the Cadet Court. He is a Cadet Captain.

Hutchinson is from Denver, Colo. He is vice president of the National Thespian Society at St. John's, is a member of NHS and is the Cadet organist for Nichols Hall and Chapel services. The S-1 in the Battalion staff, Hutchinson is a Cadet Captain.
