VOL. XXXVII

SALINA, KANSAS, DECEMBER, 1952

NUMBER 3

Christmas Furlough to Start On Saturday, December 20

15-Day Furlough For All Cadets

St. John's Cadets will scatter like buckshot from a 12-gauge shotgun on Saturday, December 20, as the Christmas furlough gets underway.

With the end of classes at 11:18 a. m. next Saturday, the Cadets will be granted a 15-day furlough. The furlough ends at 7 p. m. on January 4.

Most Cadets plan to spend the furlough with parents and relatives.

Two Won't Leave

However, at least two cadets will have to give up the idea of going home.

Francisco Gomez, a junior from Bogota, Colombia, South America, and Orin Seybert, a sophomore from Pilot Point, Alaska, will not get to visit their homes because of the distance involved. These two may go home with some other cadet, however.

The same old adage will undoubtedly be heard when the cadets leave; "I'll see you next year."

Got Tickets Early

All Cadets have had to get their reservations for train or bus tickets early because of the rush of people to get home for Christmas. Servicemen especially try to get home for the Yuletide season.

The Christmas furlough will be appreciated to a greater extent this year than before since Thanksgiving furlough was omitted.

All of the boys have gotten a little tired and run down by the long distance between September and December. Always before the longest stretch of the year was between Christmas and Spring furloughs.

To California

This year some cadets are going as far as California and as close as Ellsworth. Some will go to New Mexico, Missouri, Oklahoma, and Texas but the majority of them will return to their homes in Colorado and Kansas.

All of the Cadets are wishing for good weather over the Christmas holidays because they don't want to be snowed in or stranded when they could be enjoying themselves.

Miss Baier Resigns Position As Secretary

Miss Mary Baier has resigned her position as secretary to Colonel Clem to accept a position with a credit corporation in Salina. Miss Baier had worked at St. John's school for a year and a half before leaving.

Mrs. R. L. Clem is working in the office until Miss Helen Elmborg comes to work. Miss Elmborg will marry Lt. Virgil Loy on the 20th of December. After her marriage she will become secretary to Colonel Clem and do general office work.

Lt. Dick King Called To Army

Junior School Loses Staff Member

BY LARRY GREATHOUSE
Skirmisher Staff Writer

Lt. Dick King, popular 7th grade instructor, has resigned his position at St. John's Junior School due to being drafted into the Army.

King was an active member in the National Guard but resigned that to accept a commission in the Reserve Officers Corps. While he was waiting

Lt. Dick King

for the commission to come through, he was drafted. He reported to Kansas City for induction but no word has been received as to where he will be sent.

This was Lt. King's second year as an instructor at St. John's. Last year he was 7th and 8th grade teacher, at the beginning of this year he was shifted to 7th grade and Lt. Hugh Livingston, a new faculty member and graduate of '47, took over the 8th grade.

Lt. King coached all athletics in the Junior School and was quite an athlete himself. King attended Salina High School and Kansas Wesleyan University where he was a star basketball player. He played on two of Wesleyan's championship teams before coming to St. John's.

Lt. King's absence will be felt by all the cadets and faculty as well as the many parents who knew him personally.

"CLASS OF '57" IS ORGANIZED

At a meeting the afternoon of Sunday Dec. 7, the Eighth Grade completed their organization and adopted the name "The Class of '57".

Officers elected: President, Philip Bibb; Vice - President, Charles Seaverson; Secretary, Gail Ellebrecht; Treasurer, Bill Beech; Sergeant at Arms, Edward Doll.

Committees appointed were: Constitution and By-Laws: Myrl Campbell, Chairman, Charles Masten and Billy Kirk; Committee on entertainment: Larry Turner, Chairman, Cappy Ricks and Hugh Sender.

The organization will adopt Constitution and By-Laws at a meeting to be held before Christmas. The class will be sponsored by their teacher, Lt. Hugh Livingston, and Lt. Col. A. Y. Hardy.

It is planned that the organization be set up until graduation day in May, 1957.

Eight Pledges Are Initiated

What happens during "S" Club Hell Week? Ask the eight cadets who recently were initiated into the Lettermen's Club. Initiation started on Sunday night, November 30, and was continued through to the following Sunday night December 7.

Larry Greathouse, the "S" Club president, stated that the week, "was rough as a cob", which is the opinion of all of the members and pledges.

The new actives are, James Appling, Winfield; Truman Webber, Lincoln, Neb.; Orin Seybert, Pilot Point, Alaska; Gene Ely, Wichita; Roger Bigler, Cortez, Colo.; Tom Swiggart, Kansas City, Mo.; George Race, Grand Junction, Colo.; and William Salmon, Pueblo, Colo.

The "S" Club of St. John's Military School got it's second pledge week off to a flying start with the customary proceedings.

The heavy snow of the week slightly hampered the activities of the Actives and the new pledges, but never the less, the pledges will remember that night for a good many years.

The pledges on this initiation were members of the football team that received their first varsity letter.

- - b. s.

VISITS COLONEL

Mr. Stanley H. Johnson, 905 Linwood Blvd., Kansas City, Missouri, a Junior School cadet of the late 1930's, returned and visited the Rector, Col. R. L. Clem, recently.

BEWARE ! ! ! INDIANS

On Sunday night, 23rd of November, some loose Indians were sighted on the "B" floor wing of the barracks. Although their garb was that of a cadet, the haircuts were strictly Mohigan. Who were they, does anyone know?

Bibo Named New Boy Of Month

The New Boy of the month has been chosen as 13-year-old Cadet Philip Arthur Bibo of Cubero, New Mexico.

He attended Colorado Military School last year in the seventh grade and is now an eighth grader here at St. John's.

He is holding the rank of Corporal and is an acting Sergeant and platoon leader. His scholastic standing averages S to S. He is a member of the

Philip Bibb

Junior School Basketball team and takes an active part in school activities.

He is considered a very good citizen and his appearance is always neat. He is extremely popular among his fellow students who all admire the way in which he conducts himself.

He is a quiet boy yet his personality and associativeness is clearly evident.

We feel that any young man who is able to come to St. John's and in the space of less than 4 months reach the rank of Corporal and attain all the standards of a St. John's Cadet well deserves the praise and recognition that the Skirmisher Staff can give him as "New Boy of the Month."

- - be

CONFIRMATION CLASS

The Confirmation classes have begun under the directions of the Rector, Col. R. L. Clem. The Sacrament of Confirmation will be administered on December 15 by the Rt. Rev. Shirley H. Nichols, Bishop of Salina.

Elmborg-Loy Wedding To Be In Lindsborg

The 20th of December will be a happy day around the campus of St. John's Military School for at least two reasons. The biggest to the Cadets is that Christmas Furlough starts that day. The second reason is one that few of the cadets know about.

Lt. Virgil "Lefty" Loy, assistant coach, is marrying Miss Helen Elmborg of Lindsborg, on the 20th.

The couple will be married in the Lutheran church on the campus of Bethany College, Lindsborg, at 4:30 in the afternoon. It is not known where the two will honeymoon but it is suspected that it will be away from the noise and confusion of a military school.

The journalism staff wishes "Lefty" and his lovely bride-to-be all the good luck and happiness in the world.

Testing Program Now Underway

Progress Results Revealed By Tests

BY BOB EAKIN

Skirmisher Staff Writer

The testing program, which is under the supervision of Capt. R. N. Moffat, Senior Master, each year is well in effect as the holiday season approaches.

The first battery of tests was administered to the new boys shortly after their arrival at school and only a few late enrollees have yet to be processed.

First Session

The first test session included samplings in the fields of Mathematics Computation, English, History and Science with the addition of the Henmon-Nelson, the Otis Self-scoring, and the California Visual Acuity tests for I. Q. results and expectancy ratings. Also included in this battery were two forms of the Stanford Achievement Test.

Just a short time ago, a re-testing for I. Q. ratings was given for the purpose of verifying the first results that were established by the entrance examinations.

More Exams Coming

There will be a mid-semester re-examination session for the new boys for comparative results in general education fields while a third session will be held in the Spring.

In addition to Academic form testing, there will be a vocational series for the Juniors and Seniors aimed at discovering their vocational interests. Purpose of this work lies in the advantage of using the interest rate results for a guide in the choice of a college curriculum as well as a later choice of profession.

EDITORIALS

The Collect For Christmas

Almighty God, who hast given us thy only-begotten Son to take our nature upon him, and as at this time to be born of a pure virgin; Grant that we being regenerate, and made thy children by adoption and grace, may daily be renewed by the Holy Spirit; through the same our Lord Jesus Christ, who liveth and reigneth with thee and the same Spirit ever, one God, world without end. Amen.

The Skirmisher Staff wishes to extend their warmest and sincerest wishes to all its readers for a most Merry Christmas and a very happy New Year.

Be Proud

As the holiday season draws nearer, we stop and think how much fun we are going to have during the vacation. There is one other thing that ALL cadets of St. John's should think about; the way which you wear your uniforms while at home. No doubt your parents will want to take you places and show you off in your uniforms, and this is where you can publicize St. John's. Your good manners and cultured behavior will greatly impress the people you meet.

Another thing to remember while you are at home is to wear your uniform correctly and proudly. It only takes a little extra time to put it on neatly. That little extra time will reap you many harvests of compliments and praise.

The holiday season is one of rejoicing and good cheer and we of the Skirmisher Staff wish you a very Merry Christmas and a Happy New Year. Why not, while you are spending the vacation at home, think of St. John's and talk about it to your friends? Maybe there is some boy in your neighborhood who has never had the privilege of going to a military school. Discuss it with him. He will enjoy hearing what you do from day to day.

Be as proud to be a St. John's Cadet as the school is to have you a Cadet. Walk proudly, and act proudly. These are the virtues of a St. John's Cadet.

Out Of Control

You can't control the length of your life, but you can control its width and depth.

You can't control the contour of your countenance, but you can control its expression.

You can't control the other fellow's opportunities, but you can grasp your own.

You can't control the weather, but you can control the moral atmosphere which surrounds you.

You can't control hard times or rainy days, but you can bank money now to boost you through both.

Why worry about things you can't control? Get busy controlling things that depend on you.—Tales of Hoffman

Page Question

The Skirmisher Staff has been in a quandry as to the kind of paper on which to print YOUR Skirmisher. We would like to have your opinion on this question.

The two types of paper that can be used are the type on which this issue is printed or the regular newsprint that is used by the Salina Journal.

If no opinions are expressed then the type of paper will be chosen by the Skirmisher Staff.

Please write your opinions to the editor and place them in Lieutenant Duckers' Office.

Moral Improved

Cadets this year have a patriotism to the school that has been missing in past years.

The attitude of each cadet in classes, the willingness to take part in both curricular and extracurricular activities has boosted the moral of both faculty and cadets.

With this attitude continuing throughout the year, St. John's will have a year, so full and fruitful, as never experienced before in its long history.

First Floor
Of New Barracks
Ready SoonInterior Work
Nearly Complete

BY LARRY GREATHOUSE
Skirmisher Staff Writer

The question that has been going through every Cadet's mind for the last month concerning the completion of the new barracks was answered early this month by Col. R. L. Clem, Rector.

"The new first floor of the barracks will be ready for occupancy by the start of the second semester or shortly before," Colonel Clem said in an interview with a Skirmisher reporter.

"The cadets may have grown impatient waiting for the barracks to reach the stage where they are ready for occupancy, but I can tell all interested that the wait will have been worth it," the Rector said.

This reporter was fortunate enough to have a guided tour through the new barracks by a staff officer and what was seen was enough to make me wish that I was in the eighth grade again and could occupy the new barracks.

Completely Fireproof

First off, the new structure is all fire-proof and is protected in case of fire by a large fire door connecting the old barracks with the new. This fire door will remain open at all times and in case of fire will automatically swing shut, but will not lock thus making the new barracks a fire escape.

The walls are constructed of Haydite concrete blocks and the floor is cement and later will be tiled.

Eight Day Rooms

Each of the eight rooms on each floor will serve as daytime rooms for four cadets and will provide space to store their trunks, hang their clothes, and study. Each room will have two dressers with eight drawers each faced back to back and holding a mirror on the front.

Study desks are built of white pine and will accommodate the four cadets. The desk is divided into four equal parts and each has a fluorescent light over it which can be turned on or off at the cadets convenience.

Large Closets

Another modernistic feature of the rooms is the clothes closet with the sliding doors. Each closet has ample luggage space above it and space for the clothing of a cadet on the inside. Contained in each closet is a shoe rack and shelf for putting dress hats, brushes, and etc. There are four closets in each room.

Natural Blond Finish

The dressers, desk, and clothes closets will all be finished in a natural light blond finish and will sport flashy hardware.

Each room will contain two bulletin boards, one on each side of the door, for putting up pictures, jokes and other things that interest a boy.

The latrine on each floor in the new barracks will consist of a large shower room, eight lavatories, four stools and three urinals. The floor is tarazo and the walls of Heydite blocks which can be tinted any color that is desired.

OLD BOY TO WED

The marriage of Miss Shirley Mae Ulrich to Mr. John E. Fike, graduate 2nd Lt. of the class of '49 and a star member of the Cadet football team, will take place on Sunday, the 13th of December, in the afternoon. The wedding is to be at St. Martin's Chapel St. John's Cathedral, 1313 Clarkson, Denver. The reception will be immediately following the ceremony at 665 Lafayette, Denver.

Cadets are looking forward to another solo by Colonel Hardy on the uke at the next dance.

Message From The Rector

BY COL. R. L. CLEM

One of the important aspects of Christmas is that it reminds us each year of the importance of little things. Little things if they are full of the yeast of human love can cause big changes. The story of Jesus as a baby born in the humblest possible surroundings and in an obscure village of a remote province of the Roman Empire is the most important story ever told. It grows in importance constantly as it motivates human behavior. Who during the time of Caesar would have imagined that Jesus would be revered hundreds of years after the last of the Roman Emperors was forgotten?

It seems to me we should

make a real effort—and it takes effort—to build Christmas around the religion of Jesus Christ, to be sure that we try to love each other as He wants us to do. This Christmas season will again find the world in turmoil and despair because we forgot the little things that could become big but haven't.

Sympathy, toleration, kindness, brotherly love, and these things start at home and every good school tries to cultivate them. Many of our Cadets have made notable progress this year merely because they have taken these little things into their hearts. When a boy's heart impels him to take the right path there is nothing that can hold him back.

It is our fondest hope that all of us can find these "little things" this Christmas.

CHRISTMAS FURLOUGH
NEARS REALITY

With Christmas vacation so near and the bright prospects of a new year ahead, the cadets are becoming rather anxious and, shall we say, expectant? The talk concerning girls, cars, gifts and all the other finer aspects of life has become increasingly prominent in the rooms, halls and especially the Smoker.

How many of the dreams and expectations that are expressed in these places do you believe will come into actual being?

S J M S Old Boy
Makes Short Visit Here

A graduate from St. John's, class of '26, stopped by the School recently to renew old memories.

Denny Farnsworth of Denver went to school here back in the days when Colonel Ganssle was superintendent and Capt. R. N. Moffat, present senior master, was the school's song bird.

Both Farnsworth and Moffat were buddies when they attended St. John's and both had lost track of the other until the recent visit here by Farnsworth.

Farnsworth, a star athlete during his cadet days, was checking into the school's present program for his son. He is considering entering his son here next year.

The 'Old Boy' is now a representative for the Everhardt-Denver Co.

Main targets for the brief snowball period were stripes and officers.

New Boys Make
Necessary Adjustments

The turmoil that has been present at St. John's School during the last few weeks is gradually beginning to subside. With 118 cadets enrolled, the officials expected quite a mix-up for a while until things got ironed out.

But it has been the opposite of that. There was a little difficulty in getting the new cadets adjusted to the military life and discipline that is always present at any military institution, but not as much as had been anticipated.

The school is now being run very efficiently with regular C. O. D.'s, N. C. O.'s and P. O. G.'s. The morale is very high among the new as well as the old cadets and the team of St. John's Military School is rolling right along.

KWU Grid Coach
Speaks At Assembly

For the first assembly of the year St. John's was fortunate to have Gene Bissel head football coach from Kansas Wesleyan to talk on the subject of Sportsmanship.

Coach Bissel brought out a few examples of his experience in football and experiences in both bad and good sportsmanship.

He also pointed out that as future leaders we must also be good followers, and to be either, it takes a good sport.

We must learn, he stated, to accept defeat but not to make a habit of it. Many people say to be a good loser, but instead of being a good loser, learn to accept defeat along with victory.

Oyster Vs Eagle

When God made the oyster, He guaranteed him absolute economic and social security. He built the oyster a house, a shell, to protect him from his enemies. When hungry, the oyster simply opens his shell and food rushes in for him.

But when God made the eagle, He said, "The blue sky is the limit Go build your own house." And the eagle built on the highest mountain crag, where storms threaten him every day. For food he flies through miles of rain, snow and wind.

The eagle, not the oyster, is the emblem of America.—G. E. News.

Blonds

Some of the younger cadets at St. John's recently decided they would rather be blonds than what they were supposed to be, so they took it upon themselves to change. They acquired some chemicals from town and proceeded to accomplish their wishes in this manner.

For some time we had some very pretty little blonds but they were informed that they had better retain their natural color or lose pass so there was another rush downtown to get something to bring their hair back to normal.

One cadet, hoping to save some money, heard that it was possible to use carbon as a dye so he got ahold of some carbon paper and began to use it. By mistake it was blue instead of black and when his hair turned green, he rather hurriedly acquired some more proper fluid.

Use this information as a guide as what not to do in case you decide to change the color of your hair.

THE JUNIOR SCHOOL NEWS

By Mrs. Livingston

Once again the Junior School has been the scene of a birthday party. And wasn't Ed Barton, 8th grade cadet from Denver, Colo., very much surprised when his class took a special recess to enjoy cake and ice cream celebrating his birthday!

John Bene, 7th grader from Wichita, recently enrolled in the Junior School. Welcome to St. John's, John!

A holiday air prevailed over the Junior School as both cadets and faculty readied themselves for Thanksgiving. Corsages were ordered and brass and shoes were shined in readiness for the annual Letterman's Dance held Wednesday evening, Nov. 26, in the gym and for the following day's festivities. Thanksgiving Day saw the Junior School escorting parents and friends around a snow-laden campus. Despite the cold weather and poor traveling conditions, many cadets parents arrived in time to attend the Chapel Service and a delicious turkey dinner with all the trimmings which was served in a gaily decorated Mess Hall. We in the Junior School hope everyone enjoyed the day as thoroughly as we did.

Everyone at St. John's, and especially those in the Junior School, were sorry to see Lt. Richard King leave his faculty post to report for army induction. Lt. King taught 2 years in the Junior School in both the 7th and 8th grades, as well as supervising Junior School athletics. Lt. and Mrs. King will be missed by all their friends here at St. John's. We wish them the best of luck and hope they will visit us whenever they are in Salina. In appreciation of the fine work he has done while being at St. John's, the school presented Lt. King with a piece of luggage. He also received a billfold from the Junior School cadets.

Congratulations! to the St. John's basketball team and their fine coaches, Capt. Elmborg and Lt. Loy, on winning their first game of the season. The cadets in the Junior School are rooting for more of the same.

There are a lot of uniform changes in the Junior School of late as Mrs. Kleim, head of the Tailor Shop, can tell you. Several promotions in rank have been awarded to cadets, and they are wasting no time in getting the "new" stripes sewed on in the proper and conspicuous place. Among those promoted are John Fifiield, to Sgt.; Ed Barton, Myrl Campbell, and Cecil Johnson to Corp.;

Boo-Boo Takes Blue Ribbon Award

Jeff Guernsey, son of Major and Mrs. Guernsey, was quite pleased Saturday, November 15 when the results of the Purina Pooch Parade came in. Boo-Boo, his white purebred collie, was entered in the pure bred class and won first prize.

The children of Salina entered their pets in the class that described their particular type or kind of dog. Some of the classes were Pure Bred, dogs with the longest tail, longest ears, and others.

This contest was sponsored by the manufacturers of the Purina Dog Food.

SOCCER

The Physical Education class, under the direction of Capt. Raymond K. Hower, has been having a lot of fun playing soccer and for some of these cadets it is their first experience at the sport.

Despite the aches and pains received on the field, the spirit of the competitive teams is high.

Kilby Lightner, Bob Ezzell, Dean Radcliffe, Tom Spence, Ron Turner, Louis West, Ted Reese, and Jerry Spray to PFC.

Not to be outdone by the Senior School in having dates to the Letterman's dance, Ronnie Robinson and Bill Walker spent the evening escorting Gay Hower and a friend around the dance floor. Give these two cadets a few years and there'll be no stopping them with the ladies. Both boys are in the fourth grade.

Dec. 9 will see the Junior School open its basketball season against a local team at St. John's Gym. The Junior School team is coached by Captain John Todd, Junior School Director. Cadets showing promise as future "All-Americans" include Groves, McBean, and Babe Spence to mention a few. If Bob Ezzell keeps climbing upward in height, St. John's may have a 2nd Clyde Lovellette.

WANT ADS:

Large Crowd Visits St. John's In Spite Of Thanksgiving Snow

More than 200 parents, cadets and faculty of St. John's Military School danced in the school's gym, worshiped in the Armstrong Memorial Chapel, stuffed themselves on turkey in the mess hall, and waded waist-deep snow drifts as Thanksgiving festivities were celebrated here.

But, on the other hand, this will be remembered as a lonely and bleak Thanksgiving by many of the cadets. Due to the heavy snow of Tuesday, November 25, many parents could not be with their sons over the Thanksgiving holiday.

Lettermen's Dance

The festivities of the holiday

at the school got underway at the school Wednesday, the 26th of November, with the annual Lettermen's Dance, beginning at 2100 and ending at 2400.

Music for the dance was furnished by Jimmy James and his band. Many cadets who had dates with girls from out of town were forced to take a sideline seat and be content to just watch the proceedings.

Before the dance started, the famous Crack Squad under the command of Cadet Capt. Dave Collins, Pueblo, Colo., gave an excellent drill for those attending the social event.

At intermission, Cadets Lt. Kenneth Bellows, Sheridan, Wyo., and Sgt. Larry Great-house, Hutchinson, awarded in-

itations for admission to the "S" Club to the football lettermen who had not previously won a varsity letter.

Parade Cancelled

The retreat parade which was regularly scheduled for 1100 on Thanksgiving day, was called off because of the big snow.

This alteration extended the Cadets' pass time for an additional hour. It also gave more time for parents and guests to arrive who were plagued with the very cold weather, bad travel conditions, and an almost impossible taxi situation.

Service In Chapel

At noon on Thanksgiving day Colonel Clem, with the assistance of seven cadets, conducted the Thanksgiving service in the Armstrong Memorial Chapel.

The sermon was given by the Colonel on five of the basic things for which St. John's cadets can be thankful.

Due to the storm the balcony of the chapel was not needed as expected earlier, but the main part of the chapel was filled completely.

Very Good Dinner

The dinner in St. John's mess hall on Thanksgiving day was considered the best meal in years.

In spite of the hazardous weather about 100 guests were able to be there. There were many complimentary comments about the meal, which was built around the traditional Thanksgiving turkey and there was plenty of food for all.

The two-day holiday period ended at 2205 Thanksgiving night, with the regular schedule taking effect the next day.

New Fire Escapes Being Installed

The new fire escapes that the cadets have been watching go up from day to day are now on the verge of being completed. All that remains to do to the one in the upper school is to put up a guard or hand rail along each side of it.

The new escapes are staggered from floor to floor, and each floor has a door opening on to the escape.

Both the Upper and Lower school have had the new escapes installed.

OBSERVE SAINT'S DAY

The Sacrament of Holy Communion was administered December 1 in honor of Saint Andrews Day by Col. R. L. Clem, Rector.

A small plot of ground in front of the mess hall has been converted into a part of the entrance walk.

Many Visitors At Thanksgiving

In spite of the hardships of weather and transportation, many friends and relatives of the Cadets braved the cold and snow Thanksgiving day to come to the Chapel service and afterwards attend the feast of turkey and all the trimmings.

Among the cadets and faculty were seated the visitors. Visitors for the festivities included:

Mr. and Mrs. J. H. Eilebrecht, Mr. and Mrs. Merrel Eilebrecht, Miss Betty Cobb, Mr. and Mrs. Charles A. Masten, Mr. and Mrs. Benne, Miss Sue Benne, Mrs. A. B. Swan, Mrs. E. M. McClintock, Mr. and Mrs. J. H. Stanberry, Mrs. G. F. Meade, Miss Joanne Johnson, Mrs. Betty Johnson, Sam and Fred Chocano, Mrs. Reva Appling, Mr. and Mrs. Dale Spence, Mrs. A. Y. Hardy, Mrs. Dessie Soukup, Miss Lucy Soukup, Miss Rose Thomas, Mr. and Mrs. E. N. Jackson, Mr. and Mrs. J. B. Brand, Miss Marilyn Johnson, Mr. and Mrs. O. Hatfield, Larry Hatfield, Miss Barbara Richardson, Mr. and Mrs. Harold Collins, Mrs. Malcomb Nelson, Dr. J. Parker, Mrs. John Dalton, Mr. and Mrs. Albert Barbour, Miss Mary Barbour, Miss Ruth Hetzel, Mrs. L. A. Doerr, Miss Jean Howell, Mrs. Sara Bernard, Miss Helen Elmborg, Mrs. Betty Bryan, Mr. and Mrs. E. H. Woodford, John Woodford, Mr. and Mrs. R. E. Bray, Mrs. E. Barton, Miss Barton, Mr. and Mrs. R. H. Painter, Miss Anne Painter, Mr. Terry Keith, Miss Rosemary Shelly, Mrs. Ralph Lightner, Mr. and Mrs. P. H. House, Miss Linda House, Miss Erlene Erickson, Mr. and Mrs. C. Y. Turner, Mr. and Mrs. A. Schroeder, Mrs. M. H. Kirk, Mr. and Mrs. L. H. Miller
