St. John's Will Host Parents At Thanksgiving

By Darryl Seybert

Many parents and friends of St. John's Cadets and faculty will be guests of the school at Thanksgiving festivities here Wednesday and Thursday, November 24th and 25th.

The two-day celebration will start with the annual Thanksgiving-Lettermen's Dance in the gymnasium on Wednesday

evening. All parents are invited to attend.

The service of Thanksgiving will be held in the Armstrong Memorial Chapel at noon of the 25th. Col. The Rev. R. L. Clem, Rector of St. John's will preach.

Immediately following the service will be a Turkey Dinner at the mess hall for all guests and cadets.

All classes will be discontinued Wednesday and Thursday allowing parents plenty of time to devote to their cadets or chatting with faculty. Cadets will be expected to attend the Dance, Church Service, and Thanksgiving Dinner.

Cadets whose parents will not be able to make it for the holiday will be issued a special allowance.

No out-of-town passes granted. Classes and regular activities will be resumed Friday.

SALINA ROTARIANS VISIT ST. JOHN'S

Cadets attending were Earle Fox, David Brooks, Dean Hargrove, Larry Rice, Dick Harlowe, Bud Webber, Jerry Luton, Bill Preston, and Darryl Seybert.

The class left for Manhattan immediately after morning mess and arrived at the college in time to register at 9:00 a.m.

The class was accompanied by Capt. K. G. Duckers, Journalism instructor, and Mrs. A. Y. Hardy, English teacher.

The Salina Rotary Club had its weekly meeting at St. John's Military School on Monday, Oct. 25. Following lunch in the mess hall the Rotarians conducted a brief business meeting, prior to touring the campus.

Later the group saw St. John's fine Crack Platoon in an Exhibition drill.

Cadets Guard Campus On Halloween

Cadets were on Patrol Duty on Halloween again this year to protect the campus from vandalism. The patrol was under the supervision of Cadet Lt. Dale Browning.

The group was well equipped to protect the school using various types of two-way communication systems.

The night watch lasted until the early hours in the morning, watching for spooks. Hot coffee was served during the night.

Three Staff Officers To Chicago Meeting

Three St. John's staff officers will attend a meeting of the Private Schools Association of the Central States in Chicago Nov. 16-21.

Col. R. L. Clem, Rector, Capt. Keith G. Duckers, P. I. O., and Capt. John Todd, Junior School Director will attend the meeting.

Captains Duckers and Todd will visit Shattuck School in Faribault, Minn., prior to meeting Colonel Clem in Chicago for the conference. Captain Todd will attend a sectional meeting on Elementary Education and Captain Duckers will visit other private schools in the Chicago area. Colonel Clem is secretary of the private schools group.

CADET TO CONFERENCE

George Merritt of St. John's is going to attend a youth Conference of the Episcopal Church at Okmulgee, Okla., in early November for three days. George will represent the District of Salina.

NEW BOY OF MONTH

CADET JERRY MOORE, the Skirmisher's New Boy of the Month is interviewed by reporter Earle Mox. Moore is an eighth grade student from Albuquerque.

Skirmisher Selects Jerry Moore For "New Boy" Honor

Jerry Moore, eighth grade student from Albuquerque, N. M., has been chosen New Boy of the Month by the Skirmisher staff.

Jerry previously attended Woodrow Wilson Junior High School. He also attended Colorado Military Academy for two years.

Moore hopes to go to College and work towards a Master's Degree in English. He then wants to become a teacher. His favorite pastime at St. John's is playing chess.

During the next summer months, Jerry plans to work in something that pays "good" money so that he'll have some cash to spend on his girl, Mary.

Moore is to be congratulated for his outstanding record at St. John's and for his being selected as November's "New Boy of the Month."

Hales Appointed Battalion Orderly

Cadet Lee Hales, a sophomore from Denver, has been appointed to a position on the staff and assigned to duty as Battalion Orderly, Maj. R. L. Guernsey, commandant, has announced.

Hales is a new boy this year. His duties as Orderly are to carry out the orders of the Battalion Commander.

Mechanical Drawing Room Gets Paint Job, Tile Flooring

The drawing room in the new Mechanical Arts Building has been re-decorated. Walls were painted a foam green. A tile flooring has been laid and venetian blinds are to be installed this week.

Firing Instruction Being Given In Drill

The last few weeks of drill have been devoted to teaching the mechanisms of firing and care of rifles. An hour a day is spent in the gym under the Commandant's direction as sight patterns, firing positions, and assembly and disassembly of rifles are being absorbed. It is all leading up to the day when they will actually fire the .30 calibre rifles on the Air Force firing range at Smoky Hill Air Base.

Firing with .22 calibre rifles is now being conducted on our own range in the Armory in the gymnasium.

S. J. M. S. Precision Drill Units Make Many Recent Appearances

By Larry Rice

Both the Crack Squad and Crack Platoon have been keeping busy this last month.

On Saturday morning, the 23rd of October, both units went to Jewell, Kans., to drill for the Fall Corn Festival there.

In the afternoon the Crack Platoon marched in the parade and afterwards the Crack Squad put on its performance for the crowd. The Cadets were treated to a dinner cooked by the American Legion Auxiliary prior to the parade.

The Crack Squad performed at the Smoky Hill Air Force Base Service Club the following evening.

Monday afternoon, Oct. 25, the Platoon put on an exhibi-

REC HALL ACQUIRES NEW MUSIC BOX

The Recreation Hall has acquired a new Juke Box for the cadets. The "S" Club brought the surprise to the boys and there dates at the Cadet dance on Saturday, October 30. Dean Hargrove and Larry Rice made

Ike To View Cadets In Parade

Platoon to March At Abilene Celebration

For the second time in less than a year, Cadets from St. John's will see President Dwight D. Eisenhower.

The 34-man Crack Platoon will participate in the Armistice Day parade at Abilene and later be present at the Eisenhower Memorial when the President will dedicate the new wing.

Wants Small Parade

President Eisenhower requested that the parade in Abilene be kept small, but after hearing of the record of the Crack Platoon, officials decided the St. John's group was a must on the program.

Members of the Cadet Corps not in the Platoon will see the Chief Executive in Salina as he motors through town on his way to Abilene. He will arrive at and depart from Smoky Hill Air Force Base in the Presidential plane "Columbine."

To Honor Vets

Since the parade in Abilene is to honor veterans of the World Wars, it will be composed almost entirely of military units from Fort Riley and Smoky Hill AFB. Only civilian units will be bands from the University of Kansas and Kansas State College.

Parade units will have places reserved at the Memorial for Eisenhower's address. The President's brother, Milton, will also speak at the Dedication. He is President of Pennsylvania State College.

Less than a year ago the St. John's Cadet Corps saw President Eisenhower when he made a similar visit to Abilene.

SIX APPOINTED TO CADET COURT

Six cadets were elected to the St. John's Military School Cadet Court recently. They are Lt. Roger Bigler, Cortez, Colo., Lt. Larry Rice, Hoisington, Kans., 1st Sgt. Al Ransom, Pueblo, Colo., Sgt. George Race, Grand Junction, Colo., George Merritt, Liberal, Kans., and Fritz Handy from Ft. Collins, Colo.

This is one of the highest honors attained at the school. The Court is composed of six members; two officers, two non-coms, one old boy, and a new boy.

The Court has two functions; first, to give the Old Boy Test to the New Boys. The test concerns the cadets general knowledge of the rules of the school, rat speech, boundaries, and faculty of the school. After passing the old boy test the cadets are entitled to wear the old boy patch.

Second, the court hears all cases referred to it by the Rector or Commandant. These cases usually include the more serious infractions of rules of the school.

Webber Keeps Busy With Yearbook Pictures

Cadet Bud Webber, Photographer for the Skirmisher and yearbook, is managing to keep himself busy these days.

Deadline for the first half of the annual is Dec. 15. This means that most of the pictures must be "shot" by Webber and processed prior to that time.

Groups are urged to cooperate with Webber when a picture is scheduled to be taken.

This will help him meet the deadline.

the Presentation to the cadets and said that it was "no thing of charm" but would put out the music they wanted to hear.

The Juke Box was donated by the Salina Music Co.

DANCE ETIQUETTE

Editorials are varied. Some speak of your appearance, others of the school spirit. But this month I would like to touch on something a little bit different. I want to write on your conduct at a dance.

Dances are for the Cadets and it is up to the Cadets to make them good. You might ask, "Just what is a good dance?" The best way to define that is to say that a good dance is where everyone has a good time. "Everyone" includes your date. If you act loud, your date is more embarrassed than anyone else. And why shouldn't she be? Her friends grade her on who she dates. Check yourself some time. Do you act loud or try to make a big impression on her (such as telling about how you drive 85 miles per hour in a 25 m.p.h. speed zone)? Do you occasionally just walk off and leave her by herself while you go to talk to someone else? She's big enough to take care of herself all right, but no girl likes to be ignored on a date.

When you make a date you are obligated to show your date the best time possible and to be mannerly. Do you try to smoke while you dance. That in itself is a very poor show of manners for it sets all the other dancers on the floor ill at ease as well as your date for you could easily burn someone. Here again appearance enters into the scene. No girl wants to date anyone that looks sloppy in or out of uniform.

Remember these things, for they all add up. The main thing at a dance is for both you and your date to enjoy yourselves, so check yourself now on these items and see if we can't have some bigger and better dances. - - D. H.

Hook Book Of 1896 Reveals Times Change; Cadets Don't

By Dean Hargrove

Since 1887 each generation of Cadets who have gone forth from the doors of St. John's has seen changes that effected the school, city of Salina and the world.

They have been witnesses to two major world wars and several smaller ones which for a countless number of times have remade the map of the world. They have seen the modernizing of America from the turn of the century with it's gas lights and horsedrawn carriages to the year of 1954 with it's faster-than-sound airplanes and all it's electronic wonders.

Yet these Cadets of 40 or 50 years ago, who seem so distant to us and sometimes not even imaginable, are in actuality, much like the Cadets of this year.

This, to you, may be hard to believe. But in pursuing files of old documents, the yellowed pages of a book entitled "Discipline 1896" reveals that the trials of the Cadet in those days were quite the same as our own. The book has it's humorous side, too, as one entry graphically portrays the series of events that caused cadets Mitchler and Scaver to do penance. The entry:

September 10, 1896.
Mitchler: Offense: grabbing Scaver's napkin. 2 hours squad.
Seaver: Offense: spilling milk in an attempt to recover napkin. ½ hour squad.
Mitchler: Offense: spilling sugar in preventing Scaver from recovering napkin. ½ hour squad.
Grasselli: Offense: attempting to be witty in class. 1 hour squad.
Weil: Offense: continued groaning in study hall when in

good health. 5 hours squad.
Dodge: Offense: improper language at football. 2 hours squad.

Mitchler: Offense: gross carelessness, scuffling and disorder in hall which resulted in spilling pail of slops. 2 hours squad.

Dick: Offense: dirt swept behind wash bowl at inspection. 1 hour squad.

Mitchler: Offense: improper recitation; innocent stupidity. 1 hour squad.

Weil: Offense: openly criticizing discipline awarded by Commandant. 2 hours squad.

Vivian: Offense: not emptying slops. 1 hour squad.

Pond: Offense: pouting in arithmetic class and drawing pictures. 2 hours squad.

Grasselli: Offense: saying ne would "just as soon go without as to eat that food." 2 hours squad, to be walked off at mealtime, and to be sent to bed with no food.

Pond: Offense: encouraging small boy to place alarm clock in study hall. 10 hours squad.

Pond: Offense: lying about same. 15 hours squad.

Pond: Persistent false statements about clock in study hall. 15 hours squad.

Hill: Offense: setting clock and persuading small boy to set it in study hall, and lying about same. 30 hours squad.

Wimer: Offense: procuring and putting asafetida in study hall. 20 hours squad.

Comegey: Offense: contributing money toward asafetida in study hall. 20 hours squad.

Dick: Offense: making noise with feet and stating that he did not get enough exercise.

Of course, the Cadet of 1954 does not have to worry about emptying slops or carrying pails of water but it does remain doubtful that grass will ever cover the bull ring.

STATISTICS

Statistically speaking, the St. John's Cadets have outplayed the opposition this year through the first six games.

Although the Cadets have picked up only about two-thirds the ground yardage as the opposition, the orange and black passing attack has added to the total offense to give the Cadets a substantial over-all yardage lead, 1422 to 1347.

Going into the game with Luray on Nov. 5, Coach Elmborg's crew has racked up three wins, a pair of losses and a tie. They're favored in the final two games. Take a look at the statistics below for an overall picture:

	St. John's	Opponents
Yards gained rushing	800	1200
First downs	52	60
Passes attempted	70	31
Passes completed	40	13
Yards gained passing	622	127
Passes intercepted by	1	4
Punting average	29	23
Fumbles lost	14	19
Penalties	100	125
Score	84	85

game with the University.

The same year St. John's, according to the Salina Journal, "slaughtered the 'your innocents' from Hutchinson High School 25-0."

These are records to look back on and be proud of. Lets hope that this year, with an all-school effort, St. John's will again be able to look back on it's athletic teams with just as much pride.

Special Chapel Service Being Planned for January

St. John's will have a Solemn High Mass in the Armstrong chapel on January 2, 1955, to which all servers of other Parish's in the District of Salina will be invited.

One may wonder what a Solemn High Mass is. It differs primarily from the ordinary Celebration of the Holy Eucharist. There are two or more priests taking part. One who is called the Celebrant who says or sings the Mass or officiates at the altar. Second, the Deacon who assists the Celebrant and reads the Gospel. Third, the Sub-Deacon who assists the Celebrant and Deacon at the Holy Eucharist and reads the Epistle. Incense is used in the service, also.

St. John's Had Great Teams In Past, Too

Many cadets will be interested and amazed at the following records achieved by past St. John's Teams:

1920—St. John's football team beat Lincoln, McPherson, (twice) and Sacred Heart highs.

In basketball they won the district tournament for the second consecutive time.

1919 — This year the grid eleven took the score of McPherson, (twice), Lincoln, Beloit, and Salina highs.

In basketball the same year they won twelve out of sixteen, winning over such teams as Minneapolis, Abilene, Junction City, and Manhattan highs.

1907—St. John's beat Kansas Wesleyan University.

1904—Exactly fifty years ago our S.J.M.S. high took the score of an older K.W.U. team while the second team was nosed out by Salina High 6-0. The Union Pacific Railroad ran an excursion train from town to Kansas Wesleyan for a Thanksgiving

The Sporting Thing...

By Bill Preston

Since the backfield members of the Cadet football team have come in for their share of the headlines this year, I thought that it would be appropriate to bring in the play of the Cadet big forward wall in this issue.

The main supports of this year's line are Tom Swiegart at left tackle and Larry Rice at center. Tom is a 238 pound, three year letterman, who really eats them up, and Larry, at the 212 pound mark, is also a three year letterman, who has found little competition this year at the center position.

At ends on this years line we have two year letterman John (Sticky Fingers) McMurray, at left end and a new boy, Fred Schram at right end.

Other regulars in this year's line include Larry Menegay, Bud Webber, Kirk Masline, Tom Mathers, Dave Harris, Neil Murphy, and Guy Benitez.

The St. John's line has the greatest average weight of any high school team they will play this year.

While the backfield has had more than its share of injuries this year, the recent loss of Tom Swiegart on the line, has hurt the team greatly.

The Cadet line has made so many good plays this year that it would be impossible to mention them all, but Larry Menegay and Tom Mathers seem to be making those behind the scrimmage line tackles a habit at every game. I know with the help of the rest of the line that these two boys have thrown the opposing teams for some substantial losses this season.

Big John McMurray has made some great catches in recent games and Fred Schram, on the other end of the line has come in for more than his share of fumble recoveries.

To finish up, I'd like to say that you know and I know that no matter how speedy and elusive the backfield may be, that it's that forward wall that keeps that backfield moving.

RECTOR ANNOUNCES HONOR ROLL

The first monthly grading period ended Oct. 2, with seven Upper School and four Junior School cadets earning a place on the Rector's Honor Roll.

Eleven Upper School and seven Junior School cadets earned Honorable Mention.

Cadets making Honor Roll were:

Upper School—Roger Bigler, Whit Masten, Eddie Stone, James Preston, David Brooks, Paul Stappenbeck, and Roger Bacon.

Junior School — Jerry Moore, Douglas Foote, Stanley Baldwin, and Robert Pester.

Making Honorable Mention were:

Upper School — Robert Blethen, Fred Ferris, Tom Garrett, Dale Browning, Kirk Maslin, Larry Menegay, Hugh Parkinson, Larry Rice, Fred Schram, Darryl Seybert, and Charles Moore.

Junior School — Allen Bass, Phil Ivaldy, Jim Miller, Al Palmer, Frederick Hardman, Elwood Brockman, and Tommy Clark.

Library Gets Several New Books

St. John's Military School has received seventy-nine new books. The subjects range from travel and adventure, science and nature, sports stories, animals non fiction, biography, careers, history, games, short stories and many more. Watch the bulletin board for the titles of these books.

ALL BUT ONE foot past St. John's George Race is Glasco ball carrier E. Teasley at the St. John's - Glasco football game at Glenn Martin Stadium, Thursday, October 28th. The Cadets knocked off the high flying Bulldogs by a 26-20 count.

Idle Talk

By I. BEN HADD

'S' Club puts juke box in the Rec Hall. A working miracle . . . If it works, its a miracle. The Crack Platoon is still shaping. Up.

As feared the United States did not come to an end on the 13th of October . . . Nuts. 'S' Club threw a dance Saturday the 30th. Good turnout, good time, too.

St. John's Boy - Meets - Girl - Falls - In - Love - Girl - Gets - Mad - Runs - Home - Never - To - Return - Again - Shows - Up - Next - Afternoon - With - Another situation: Heartbreak upon Heartbreak.

Maybe sticky fingers would aid the Crack Squad. S.J.M.S. Halloween Patrol? Space Rangers or Commandos? Rumor has it that the 'S' Club members are oiling their paddles . . . Wonder why?

'S' Club has movies on Sunday afternoons. The idea isn't exactly revolutionary but the movies sure are. I don't think R. B. will appreciate that crack about the squad.

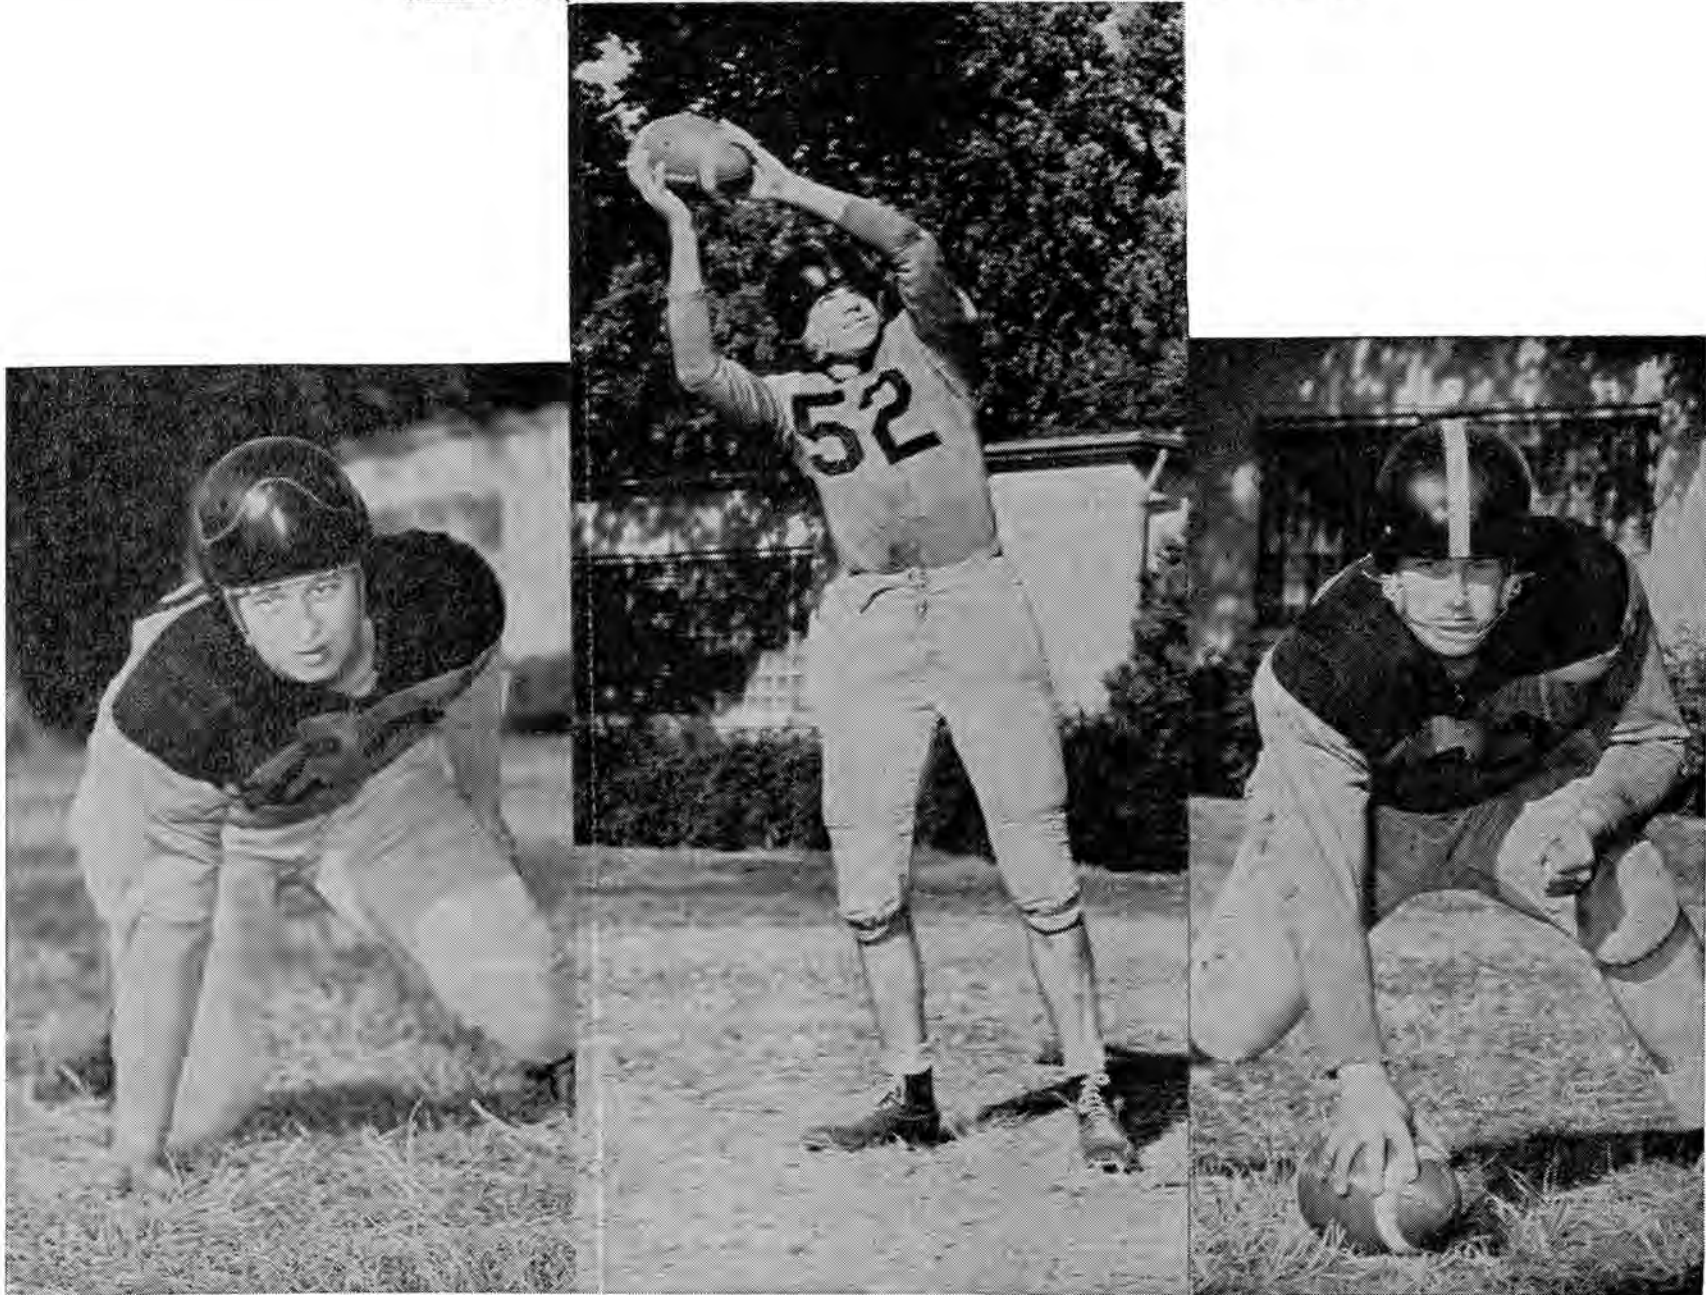

W. M.'s gruesome little ensemble is still fighting for their big break . . . It's hard to tell whether they are fighting or playing from the noise.

I want to formally discourage everyone from coming to the Thanksgiving Dance and Dinner . . . more dance floor and turkey for me.

John Fonck's spirit is hard to beat . . . so is John for that matter. The Laundry Investigation, the Short Sheet Incident. The "Caine" had nothing on this place.

Latest Notice: "Smiling Jack" McCandles seems to approve of the way things are run . . . For a while anyway.

THREE SENIOR LINEMEN TO WIND UP CAREERS NEXT FRIDAY

THREE BIG REASONS for Cadet gridiron success this year will have to be replaced next fall. They are (l to r) Bud Weber, John McMurray and Larry Rice. Webber is a 165-pound, three-year letterman, from Lincoln, Nebr., who holds down the left tackle position. Webber has another year of football eligibility left but will probably give it up to graduate this year. McMurray, a 6'3", 185 end who seems at least nine feet tall to opposing pass defenders, will wind up an outstanding football career next Friday as the Cadets close out the season against Sylvan Grove here in Salina at Martin Stadium. 'Big Jawn' snagged an aerial in the Solomon game to go 87 yards to score. This is a modern pass-scoring yardage record at St. John's. Rice, at 211 pounds, anchors the Cadets forward wall at center. The husky Hoisington senior will cop his fourth grid letter this season and leave a big pair of shoes to be filled in the line next season.

Cadets Get Hard Victory Over Glasco Bulldogs, 26-20

St. John's knocked off Glasco in the second of two football games this year. After a scoreless tie in their first meeting, the Cadets came back to beat the Bulldogs 26-20 and snap their two game losing streak. The Cadets had a 14-0 lead at the end of the first quarter but Glasco came back to score twice in a minute to make the scoreboard read 14-13. The game went nip and tuck the rest of the way with St. John's always in the lead.

Soukup Scores

Herb Soukup went around left guard in the first period to give the Cadets a six to nothing lead, with George Race kicking the extra point to make it 7-0.

With three minutes left in the period Al Ransom connected with a pass to John McMurray good for 22 yards and a touchdown. Race kicked the extra point.

E. Teasly scored in the second period for Glasco, from the four yard line and R. Bellows ran the conversion.

Two Quick Scores

One minute later in the same quarter, R. Plush went through the left side of the Cadet line to score from the fifteen yard line. The conversion attempt failed.

After Cadet Herb Soukup carried the ball twenty-nine yards to the one yard line, fullback Jerry Lutton went over to make the score at the half read 20-13.

Ransom Scores First TD

With six minutes left in the third period, Al Ransom carried the ball on a quarterback sneak

for the third touchdown for the Cadets and Ransom's first of the season.

Glasco completed its final touchdown, with 8:10 left in the game. Teasly went over from the four and Plush ran the conversion.

Stu Miller, of St. John's, recovered a Glasco fumble on the Cadet 12 yard stripe to stop a Glasco march late in the game.

Cadets Lose To SHS Gorillas

The Solomon Gorillas beat St. John's Cadets 26-13 in a game Friday October 16, at Solomon.

Solomon led 26 to 0 late in the third quarter before Quarterback Al Ransom, the Cadets' left handed passing a.e, connected for two long touchdown passes to end John McMurray, in the third and fourth periods.

Solomon led 7-0 at the end of the first quarter, 13-0 at the half and 26-0 at the end of the third period.

Intercept Aerial

The Gorillas scored their first touchdown on an interception of one of Ransom's passes by Solomon's Ronnie Rinker on the 15 yard line. Haddock made the conversion good for the Gorillas.

Dick Tessman raced around left end from the twenty-five yard stripe to score the second touchdown of the game. The conversion try failed but this left Solomon ahead 13-0.

For the third tally Rinker took the ball, on the first play

after the third quarter kickoff and ran eighty yards to score. Solomon got its fourth and final touchdown on a fourth down play from three yards out. The conversion was made by Britt, which gave Solomon its 26-0 lead.

'Big Jawn' Scores Twice

About the middle of the third period, St. John's got their offensive going and after moving from their own 30 to the Solomon 35 Al Ransom hit John McMurray for the score. George Race failed to make the conversion.

St. John's got their second touchdown in the fourth period, when Ransom again connected with McMurray, who went 87 yards for the touchdown. George Race's conversion was good.

Solomon gained 35 yards in the air and completed five out of six passes. The Cadets made 175 yards in the air and 82 yards on the ground, while Solomon made a total of 230 yards on the ground.

St. John's first string right tackle, Tommy Sweigart was unable to play in the game because of a bone infection which was discovered a few hours before game time.

Cage Practice Set to Begin On November 15

With football season fast drawing to a close, St. John's is beginning to think about basketball.

Practice will begin on Monday, November 15, and the Cadets will play their first game of the '54-'55 season sometime during the first week in December, says Capt. Jim Elmborg, St. John's coach.

Wolverines Stop Cadet Air Game

The undefeated Marquette Wolverines won their fourth straight football victory by beating St. John's 26-0, Friday October 8, at Marquette.

Marquette started out with two touchdowns in the first quarter and weren't able to cross the Cadets goal line again until the fourth quarter.

Air Attack Fails

The combination of the facts that Cadet right halfback George Race saw only limited action because of an injury and the Wolverines held St. John's powerfull passing attack to only 15 yards were undoubtedly the major factors in the 0 score for St. John's.

Marquette made a total of thirty yards in the air but scored all their touchdowns on the ground. The Wolverines gained 268 yards on the ground, while the Cadets picked up 177.

Score Over Tackle

Marquette's first tally was scored by Lyle Atkinson, who went through tackle from the 19-yard line. The try for extra point was no good.

The second touchdown was made from the 20 yard line, by Clinton Loder, who cut off tackle. Lee Terry made the conversion good on a run.

Their third touchdown was also scored by Lee Terry, in an end run from the one yard line. A pass play had moved the ball to the one.

Terry skirted left end for the last tally from twenty yards out. He scored a total of 13 points during the game.

New Basketball Suits Purchased, Elmborg Announces

According to Coach Elmborg sets of new uniforms have been recently purchased. One set is for home games and one is for those games that are played while on the road. Along with the two uniforms the Cadets will be wearing a new set of secondary warm up jackets.

One set of uniforms will consist of white jerseys with black numerals on an orange background and black and orange trim around the neck and sleeves. The pants being the same for both uniforms are boxer type, with a burnt orange body and black and white trim around the leg openings and a black and white stripe down the side.

The second set of jerseys have the orange body with a black numeral on a white background and black and white trim around the sleeves and neck.

Secondary warm-up jackets are the T shirt type, with a zipper front, a burnt orange body and black and white trim.

Capt. Elmborg said, that this years jerseys would have the word Cadets printed across the tops, just above the numerals.

You read a lot in fiction about he Yukon stove used in the North, but you'd have trouble buying one for it is merely made of anything from old omato and condensed milk ans to a gasoline drum — Sports Afield
