Never Had A Project Fail, So . . .

## S. J. Foundation Seeks \$25,000 In Pledges For Cadet Recreation Center

A Recreation building for Cadet use was undertaken as a project of the St. John's Military School Foundation at its annual meeting Nov. 24 at the Ramada Inn.

The Foundation voted unanimous approval to a resolution that the group adopt as a project a program designed to collect \$25,000 for the purpose of building a recreation hall.

Milton Blakemore, newly-elected president of the Foundation, pointed out that the plans, details of construction and location are all, of course, subject to the approval of the St. John's Military School Board of Trustees.

Ed Weillepp, Topeka, made the presentation at the meeting as his final act as Foundation president. He stressed the importance of carrying through this project to completion. The Foundation has contributed \$30,000 to the Lower School Barracks Building Fund, now Mize Hall, and was instrumental in providing the leader-

ship and money to build the Clem Library. Other projects were the building and furnishing of the Parents Lounge in Vail Hall and providing bleachers for Perkins Drill Field.

The group voted that when \$15,000 is on hand in cash and pledges construction will begin, providing the Trustees approve.

Preliminary plans, as presented to the group by Lt. Col. Paul H. Kellogg, Commandant, would provide for a pre-fabricated steel building to be built north of the present gym

The building would contain 4,120 square feet and be paneled. The cost of the structure including electrical work and installation of plumbing and heating was estimated at \$20,000. The additional funds would be needed for furnishings and equipment.

The building would house a snack bar and soda fountain,

vending machines, rest room facilities, pool tables, television area, shuffle board, ping pong tables and other table games areas.

The room would provide facilities to handle school functions such as informal dances and socials, and could be used for assemblies instead of the chapel. Once under operation, the recreation hall would be financially self-supporting from the snack bar and concession machines.

During the past week, letters asking for support for the project were mailed to more than 1600 alumni and past and present members of the Foundation. The Development Office, under the directorship of Mrs. John Fonck, Foundation executive secretary, is conducting the mail campaign.

Lt. Col. Kellogg has expressed hope that the funds might be raised and construction started during the spring semester.

**COMMENDATION MEDAL**  
—Sgt. 1/C Tom Watson (left) listens as Lt. Col. Paul H. Kellogg, Commandant, reads the citation accompanying the presentation of the Army Commendation Medal. The presentation was made at the Thanksgiving dance. The medal is for meritorious service while serving in the Republic of Vietnam from January, 1966, to September, 1966. Sergeant Watson has been assigned by Fifth Army to the ROTC detachment at St. John's Military School.

**FIRST DRILL** — The 1966-67 Crack Drill Squad, commanded by Tom Dickson of Denver, made its first appearance of the year during the intermission of the Thanksgiving Dance. It is

traditional for the squad to make its first public performance for the parents at Thanksgiving.

## Message From The Rector

As I address myself to the Skirmisher readers of this Advent issue, the term "mixed feelings" has a more personal meaning for me than ever before. I refer to my difficulty in adjusting to the knowledge that Mrs. Clem and I will be moving off-campus in early January. Many times in the past as troublesome problems arose which seemed to have no solution, I have wished heartily I could move away from them. Now that the departure is imminent and a flood of memories very often sweeps over me, I realize how much I shall miss people, places and things at St. John's.

My biggest comfort is the conviction that our School is staffed by competent and dedicated administrators, counselors and teachers whose effectiveness in the lives of the Cadets will be increasingly apparent.

Although I expect to return often to visit St. John's, I will not be as well acquainted with the Cadets as I should like to be but I want them to be my friends as I am theirs.

Remey L. Clem,  
Rector

## Thanksgiving Attracts Many Parents, Friends

Between 600 and 700 Cadets, parents, friends and St. John's faculty and staff members participated in the traditional two-day Festival of Thanksgiving Nov. 23-24.

Parents had an opportunity to meet with faculty members in conferences on Wednesday. A "get-acquainted" coffee hosted by the Denver Chapter of the St. John's Foundation was held at the Holiday Inn on Wednesday afternoon.

Thanksgiving eve was filled with activity. The Miss Sound-Off dinner, the Thanksgiving Dance, the first performance of the Crack Drill Squad and the presentation of the Army's Commendation Medal to Sgt. 1 C Tom Watson.

Thanksgiving Day activities started with the Foundation breakfast and meeting at the Ramada Inn. The meeting was followed by the Service of Thanksgiving in Christ Episcopal Cathedral. The turkey dinner was held in the 4-H Building.

The regular class scheduled resumed on Friday morning.

## PSAT Results Here

The results of the Preliminary Scholastic Aptitude Test of the "College Boards" which eleventh graders took in mid-October have been received at the school, according to Lt. Larry Dwyer, counselor.

Each cadet received an interpretive booklet along with his scores at a recent meeting for juniors.

Parents who wish to discuss the results are asked to confer with their Cadet or write to Lt. Dwyer for this information.

## Colonel R. L. Clem Moving To Denver

### ... To Promote School

Colonel, the Rev. Remey L. Clem, Superintendent since July of 1936, will move to Denver early in January to devote full time to promotional work for the School until his retirement in August of 1968. The announcement was made Nov. 21 by the Rt. Rev. William Davidson, President of the Board of Trustees of St. John's Military School.

Colonel and Mrs. Clem will move into their new home now being completed at 6914 E. Bucknell Place in Denver.

Lt. Col. Keith G. Duckers, now Assistant Superintendent, will become acting Superintendent and will head all departments and divisions of the School. He intends no administrative or other changes within the present faculty. No Assistant Superintendent will be appointed.

The change is the result of a proposal by Colonel Clem to the Board that his and Lt. Col. Duckers' combined worth to the school could be increased because of the need for an experienced man to be in the field continually among clergy, patrons, alumni and other friends of St. John's as well as to visit homes of prospective cadets.

Lt. Col. Duckers will move into the Superintendent's house. Lt. Col. Paul H. Kellogg will then occupy the present Duckers' quarters on or before Sept. 1, 1967. Lt. Col. Kellogg joined the faculty in June of 1964 as a teacher and was made Commandant of Cadets last

## Christmas Leave To Begin December 21

The 1966 Christmas furlough will begin at 10:30 a.m. Wednesday, Dec. 21 as the Cadets will leave the Salina campus by most means of transportation and scatter in all directions.

Furlough ends at 7 p.m. on Wednesday, Jan. 4.

Special charter buses will again be provided for the west-bound Cadets. The charter buses will leave campus at 11 a.m. The School will purchase tickets for the charter service only.

Lt. Col. Paul H. Kellogg, Commandant, said that this special service is also the best transportation for intermediate points between Salina and Denver. He added that it is a fast efficient way for Cadets living in Pueblo, Colorado Springs and Grand Junction to get to Denver to catch other buses and trains to home.

The buses will return to St. John's on Jan. 4. The buses will leave the Continental rail-ways terminal in Denver at 9:15 a.m.

Sack lunches will be provided for Cadets on the charters.

Furlough transportation, other than on the charters, is to be arranged by parents or guardians. Cadets will not be permitted to leave campus without written approval of the parent or guardian.

Cadets traveling to the Southwest on the Santa Fe railroad will be taken to Hutchinson to catch the train. Return transportation will be available on Jan. 4.

Col. R.L. Clem, Rector and Superintendent, said Cadets leaving before 10:30 on Dec. 21 will receive zeros for all class absences. He pointed out that all School orders and rules are

in effect enroute home and on the return trip to campus.

Col. Kellogg said that uniform "Alpha" will be worn for travel with overcoats and gloves as optional equipment. The baggage room will be open on Dec. 20 for luggage issue. Orders, tickets and authorized expense money will be issued the same day.

Check-out for furlough will begin at 10:30 a.m., Dec. 21.

Cadets wishing to eat noon mess on Dec. 21 will be asked to sign a list in the Commandants' office the day before. Sack lunches will be available between 5:30 and 6 p.m. on the day furlough ends.

Lt. Col. Kellogg cautioned Cadets that civilian clothing returned to campus after furlough will be confiscated and disciplinary action for violations will be taken.

### Christmas Dinner Set For Dec. 20

The traditional Christmas dinner for the Cadets will be held the night before furlough begins, Dec. 20, in Nichols Dining Hall. The meal will be prepared by the St. John's chef, Frank Moomau.

Joe Suchecki and Mike DeMars have been appointed as the Cadet decorating committee.

A program of Christmas music will follow the dinner. Participating in the program will be Capt. Bruce Cummings, Lt. Bill Miller, Mrs. Al Hart and Mrs. Otis Nelson.

# Cadets Open Roundball Season With Win, 47-38

## ... Over Brookville

The Cadets opened the 1966-67 basketball season with a 47-38 victory over the Brookville Cardinals in the Cadet gym, Dec. 2.

It was one of the few times in recent years that the Cadets have started the season with a win. And it was the first time in three years that a Dean Kindlesparger coached team at St. John's has topped the Cardinals.

Pete Pappas, 6-1 senior forward, led St. John's with 17 points. Pappas, who was also high point man for the game, hit on seven field shots and totaled three points from the charity line.

Tim Rademacher, 6-0 junior, connected with 12 points. Rademacher and Pappas were consistently rebounding well for the Cadets who out rebounded the Cardinals for the biggest share of the game.

The Cadets moved to a 12-5 lead early in the first period behind the inside shooting of Pappas.

Brookville came back with six straight points while the Cadets failed to score to cut the lead to only one point with a little over a minute left in the first quarter.

St. John's gathered five straight points to lead 17-11 at the end of the first period and then came up with three more quick points to lead 21-11.

**Lead at Half**

Brookville held Pappas to a single basket in the second period but Rademacher picked up half of his 12-point total in the second frame to lead the Cadets to a 27-20 halftime lead.

The Cardinals came back in the third quarter to outscore the Cadets by a single point and cut the third period lead to 36-30.

The Cards opened the fourth period with three quick points to cut the Cadet lead to three points but St. John's latched onto a good lead with a nine-point outburst before the Cardinals could put together a pair of charity shots.

The Cadets took a commanding 45-33 lead with 4:10 left in

the game and held onto a good lead for the last four minutes despite a good pressing defense used by the Cardinals.

Brookville's B-team topped St. John's 40-36 in the preliminary game. Bill Collins collected 20 points for the Cadets.
