## Holiday Furlough Begins Dec. 21

### Cadets to Scatter For 2-Week Vacation

The Cadets in the 81st Corps will scatter to points across the nation and around the world during the two-week Christmas furlough.

Furlough will begin at 8 a. m., Saturday, Dec. 21 and will end at 9 p. m., Sunday, Jan. 5.

Cadet traveling by public carrier, only, will be permitted to leave the school after midnight on Dec. 21. Cadets are asked not to return to Salina before 12:01 a. m. on Sunday, Jan. 5 unless special written permission has been received from the Commandant.

After arriving in Salina, Cadets are to report to Headquarters not more than one hour after arrival.

Special chartered buses have been arranged for the convenience of the west-bound Cadets. The buses will leave campus at 8 a. m. and will drive non-stop except to discharge passengers to the Continental Trailways terminal in Denver. Approximate arrival time will be 2:45 p. m. (MST). The bus will leave the terminal at 11 a. m. on Jan. 5 for the return trip. Box lunches will be furnished when the Cadet leaves the School and parents are asked to furnish lunches for the return trip.

A charter bus will be arranged to the Topeka and Kansas City area if enough interest is indicated.

### Atomic Energy Program Given

A science program, "This Atomic World", was presented at an all-School assembly on Wednesday, Nov. 20.

The program is sponsored by the U. S. Atomic Energy Commission and is presented by Oak Ridge Associated Universities. Traveling exhibit units visit hundreds of high schools throughout the United States each year.

The role of the atom in agriculture, industry, and medicine was explained. In addition, the growing importance of atomic research was stressed.

The program was presented by Kenneth Shain, who holds a bachelor of science degree from the University of Kansas and a master of arts degree from Missouri University. He has received special training in nuclear science at Oak Ridge, Tenn.

Mr. Shain also gave special lectures and demonstrations for the combined fifth and sixth period science classes that day.

Making arrangements for the appearance was Lt. Col. R. L. Guernsey, Chairman of the Science Department.

### Rifle Team Wins Matches

The St. John's Rifle Team has won several matches this fall according to M/Sgt. Tom Watson, coach.

St. John's won a match over Salina High School and St. Joseph's Military Academy of Hays on Oct. 3 at Hays. In a return match at Salina High on Nov. 7, the Cadets were again victorious. Playing the host to the same two schools on Dec. 5, the Cadets again placed first.

Competing in the Leavenworth High School Invitational on Nov. 16, the Rifle Team placed seventh among the fifteen schools entered. The team score was 917. In individual matches, the following performances were fired: Andy Anderson, 217; Roby Anderson, 204; Tony Davies, 223; Ed Mulford, 258, and Dennis Stewart, 229.

The Riflemen competed in the K-State Invitational matches at Manhattan on Dec. 8. The complete scoring has not been received but Coach Watson said that the Cadet team finished approximately sixth in a field of 12 high school teams. He expects Mulford to take the honors as the high individual shooter and also the high for shooting from a kneeling position. Mulford had a total score of 538. Others competing were Andy Anderson, 456; Roby Anderson, 494; and Tony Davies, 480.

The results of a postal match fired in November have not been returned but the approximate scores were R. Anderson, 227; Mulford, 271; Stewart, 235; Patrick, 230; Davies, 241 and A. Anderson, 237.

### Christmas Festivities Set

A Christmas dinner, Carol Service and Company parties are being planned for the Cadets the night before furlough begins.

Chef Frank Moomau will serve a special dinner at 6:15 p. m., Friday, Dec. 20, in Nichols Dining Hall. The dinner will be followed by Carol-singing in the Chapel.

During the afternoon, parents viewed a Varsity Wrestling demonstration, Lower School Calisthenics demonstration and a Varsity Basketball demonstration.

Barbara Hanline was crowned "Miss Sound-Off" during the Military Ball. The Crack Squad, commanded by George Dickson, made its first appearance of the school year. Bayonets have been added to the guns and the firing sequences have been eliminated. The "Springfield" rifles have been phased out and the M-1 is now used. The Springfields had to be replaced because parts for repairs were no longer available.

Dale Browning, Denver, Class of 1955, was elected president of the St. John's Foundation at the annual meeting following a breakfast on Thanksgiving morning. Mrs. M. Clare Miller, McPherson, was elected vice-president. Browning succeeds Robert C. Donahue of Denver as president.

Col. Keith G. Duckers was installed as the 14th Superintendent of St. John's Military School following the Turkey dinner at the 4-H Building. The installing officer was the Rt. Rev. Colonel Duckers was presented with the Superintendent's Seal following the installation service.

### Books Due

A reminder from the School Librarian, Mrs. H. E. Nuss—All library books are to be turned in by Dec. 18. The Library will be closed from Dec.

## Keep The Christmas Spirit

How can we best keep Christmas? How can we best defeat the little bit of Scrooge in all of us and experience the wonders of Christmas throughout the year?

—By sinking the shafts of our spirits deep beneath the sparkling tinsel and renewing within us the radiance of the inner meaning of good will.

—By rediscovering the faith and simplicity of a little child.

—By being still and listening to the angels sing within our hearts.

—By quietly evaluating our lives.

—By reaffirming the supremacy of the spirit in man's conquest of himself.

—By rededicating ourselves to the ideas of peace, brotherhood, and love.

—By resolving to give ourselves to others in joy and devotion.

So then . . .

May the wisdom of Christmas bring you understanding and compassion.

May the peace of Christmas unfold in you and through you to all.

May the life and joy of Christmas heal you in spirit, mind, and body.

May the eternal light of Christmas guide you and protect you on your way.

And may it ever be so.

## Former Superintendent Sends Congratulations

(Editor's Note: The following message was received from Col. R. L. Clem, Rector-Emeritus of St. John's Military School, in regard to the installation of Col. Keith G. Duckers as the 14th Superintendent of the School.)

"No event in my professional life has given me more comfort and pride than the knowledge that St. John's is being administered by one as eminently qualified as Col. Keith G. Duckers.

"You may be sure that my retirement from the duties he has assumed is much happier because the Board of Trustees has the same confidence in his learning, judgment and personal honor that I do.

"I am indebted to him for his many significant contributions to St. John's since his arrival in December of 1950 and for his support and continuing friendship.

"Daily it is my prayer that 'all good learning will continue to flourish and abound' in every area and aspect of the School's operation."

# SJ Wrestlers Win One Match; Drop Two

By Lt. Bob Stevens

After bouncing off to a stunning victory, the Cadet wrestlers suffered two set-backs with wrestlers of stronger and bigger schools.

The grapplers opened the season at Marysville on Dec. 2, defeating them, 33-21. In their home opener with Abilene, they fell, 6-36, and in the Russell Invitational they placed fourth.

Traveling to Marysville, the Cadets pinned five men and beat one other, while only three of their men were pinned.

Mike Gepner opened the match pinning his opponent in 2:05. The next tumble saw Mike Pierce being decisioned in a tight 8-7 competition. In the 112-pound division, Gene Strickland took 4:15 to pin his foe and Tom Byers pinned his man in 4:55.

George Dickson was the fastest Cadet on the mat, pinning his man in 1:50, but Steve Verity fell to his opponent in a 7-0 decision in the 133-pound class.

The early point getters, coupled by Jim Massell's decision, 3-1, and Jim Shoffner's pin at 3:40, gave the Cadets enough to win. Tony Bell iced the cake with a pin at 165 pounds, in 3:45.

The Muleskinners met tougher competition against Abilene on their home mat Dec. 4. Only two Cadets were able to muster decisions against the larger school. They also had to forfeit the 103-pound competition, when Pierce landed in the infirmary with the flu.

Byers easily handled the Cowboy he faced with a 4-0 decision in the 120-pound class and Jim Massell, at 133 pounds, decisioned his man, 5-2.

The grapplers journeyed to Russell Dec. 6 where they met Russell, Hutchinson, and St. Joseph's of Hays.

In the 112-pound division, Gene Strickland became the novice champion. George Tull, at 95 pounds, was beaten in the finals, after becoming ill in the afternoon.

## Grapplers Begin Season

The St. John's wrestlers opened the season with three matches the first week.

Tom Byers, who took third place in the Class A-B in the state last year in the 103-lb. division, moved up to 112.

Coach Larry Dwyer was dealt a blow when 120-lb. Gaylen Piercy received a mild concussion in an exhibition match for parents at Thanksgiving and will be out until Feb. 1. Dennis DeVore and Gene Strickland, both freshmen, are competing to replace Piercy.

Three two-year lettermen returned, including Jim Massell, Dick Dickson and Jeff Woodall. Tony Bell, a one-year letterman, returns to wrestle in the 165-lb. position.

Others competing for Coach Dwyer are Mike Gepner, Mike Pierce, David Sebring, Jim Shoffner, Darrell Eck, Andy Davis, Daniel Grauer, Mike Blanck, Marc Cartier, Mark Everett, Wade Gagnon, Ray Garvey, Doug Harwager, Elmer Pearce, Gerald Tincani, Kent Tretheway and George Tull.

Two other Cadets, David Swanda and Stan Greenbank, will see action following the first semester. They cannot enter this semester because they wrestled last year in their home schools and the Kansas High Schools Activities transfer rule prohibits immediate participation.

UP, UP AND AWAY after the basketball go Cadets Jim Martinez, No. 10, and Bill Griffith, No. 40, in the Cadets' game against Notre Dame of Concordia.

## Cadet Cagers Lose Opener In Overtime

.... 52-48 Score

The Cadets opened the cage season in a heart-breaking overtime to Notre Dame of Concordia, 52-48, Dec. 5 on their home court.
