## FORMAL DANCE IS FIRST SOCIAL AFFAIR OF YEAR

MANY INVITATIONS SENT OUT;  
RECEPTION HELD  
FIRST

A reception and dance on the evening of October twenty-fifth was the first formal social affair of the School for this year. Invitations issued in the name of the faculty and cadets were sent to friends of the School, and particularly to parents whose daughters might later attend the dances given for the cadets. Many accepted the invitations and the gymnasium was filled with guests, the young people mingling happily with their elders.

In the receiving line were Bishop Mize and Col. and Mrs. Perkins, who introduced the new members of the faculty, Mr. Parks, Miss Yeomans and Miss Birchenough, new to the School this year. Chaplain Mize, a new faculty member at St. John's, reared in Salina and so well known to most of the guests, assisted other faculty members in introducing the guests and cadets.

The gymnasium, elaborately decorated in modernistic designs, the effect emphasized by skillful use of lights, gave the party a distinctive setting. The handsome evening gowns of the ladies made the scene most attractive. Several out of town guests were present.

As usual with School dances the affair was most delightful, but this occasion was particularly pleasant because of the presence of so many older friends who seemingly enjoyed the dancing as well as the younger people.

## YOUNGER CADETS FORM BOY SCOUT TROOP

Within the past few weeks a Boy Scout troop has been formed at St. John's. Capt. Brown is Scoutmaster and thirteen cadets have so far joined the organization. They are Galloway, Smith, Mickelson, Tinch, Hartley, Bossmeyer, Wead, Clark, Poindexter, Todhunter, Keraus, Patterson, and De Wolfe. Hartley and Poindexter were elected leaders of the two patrols. Tinch was chosen scribe, and Smith, bugler.

The meetings are held every Friday evening right after dinner and hikes are taken on Sunday afternoons when the weather permits.

Mr. Frank H. Dickson, Field Scout Executive of the Jayhawk Area Council, has attended several meetings and is doing everything he can to assist in this activity at St. John's. Mr. Dickson who resides in Salina and has an office at the Y. M. C. A. oversees the scout work at Salina, Abilene, Junction City, Manhattan and Concordia.

Late Friday afternoons he attends a meeting at Abilene and has put forth a special effort to get back to Salina in time for the meeting at St. John's.

Mr. Dickson hopes that in the very near future land will be leased near Salina where Scout troops can go for over night hikes. He says it may be able to be arranged in the spring for the St. John's troop to spend a week end at the Boy Scout Camp at Brown's Lake near Abilene.

## CAPT. SIMPSON TO COACH SCHOOL DRAMATICS

Here is something new in extra-curricular activities—a dramatic club. How many of the cadets would like to see "Beak" Bivens playing the part of a poverty stricken widow or "Red" Lloyd impersonating a "petite blonde vamp"?

Realizing that there is some unusual talent in this year's student body, Capt. Simpson is spending much of his spare time in trying to find a play which will best bring it into the limelight. He also is casting a psychological eye upon every cadet with the view of ascertaining what role best suits him.

Capt. Simpson has great hopes of having a fine dramatic club this year and expects to assign parts and begin rehearsals in the near future. He has received assurances from several Salina young ladies that they will be willing to help out provided that all the St. John's cadets are found to be so masculine that they can not take the feminine parts.

## Bishop Mize Takes Several Trips Away

Goes to Little Rock for Synod; at Bishop's  
Consecration

During the past few weeks Bishop Mize has made a number of interesting trips. Toward the latter part of October several clergymen of the Diocese of Salina and he motored to Little Rock, Arkansas, to attend a Synod meeting. On the way back the party stopped at Joplin, Mo., and lunched with the Reverend and Mrs. A. L. du Domaine. The Reverend du Domaine was chaplain of St. John's for a number of years and Mrs. du Domaine had charge of the piano department.

Another journey took Bishop Mize to Kansas City where he participated in the service in which the Rev. Robert N. Spenser was consecrated Bishop of Western Missouri. Also on his way back Bishop Mize attended at Kansas City, Kansas, the celebration of fourteenth anniversary of Bishop Wise's elevation to the Bishopric of Kansas.

Early in November Bishop Mize and Bishop Wise were hosts at Manhattan to a dinner given for the Episcopal students of the Kansas State Agricultural College.

## SKIRMISHER DELEGATES ATTEND PRESS ASSOCIATION CONFERENCE

At the Journalism Conference held at the University of Kansas, October twenty-fourth and twenty-fifth, St. John's was represented by Capt. Brown, faculty supervisor of the Skirmisher, and Lieuts. Green and Coyle J.

The first thing all the delegates did upon arriving in Lawrence was to register at the Kansas University Journalism building. The different meetings in which all phases of journalism were discussed began at ten o'clock and lasted until noon.

Friday afternoon there were three meetings of an hour each, lasting from one-thirty to three-thirty. A general session of a half hour was held later at which time Dr. Gallup, Head of the Department of Journalism at Drake University, delivered a short address.

## CADETS PUT ON STUNT AT WICHITA-SALINA GAME

As a feature stunt between the halves of the Wichita-Salina football game played on the night of November 6 on the Kansas Wesleyan field, the St. John's cadets put on a parade. The Crack Squad had originally been invited to drill at this time, but Col. Perkins, feeling that the Crack Squad would lose its effect on a turf field, suggested that the entire St. John's battalion put on a parade instead.

The Salina High School Band composed of sixty pieces, furnished music and our bugle corps played the several calls used in the parade. The band augmented by St. John's buglers marched before the cadet major at the proper time and likewise took the lead when the entire battalion passed in review. Though not conducted strictly according to military standards, the parade nevertheless gave a most pleasing effect.

## Boys Help Celebrate Armistice Holiday

March in American Legion Parade; Glee  
Club Sings at Night

On Armistice Day classes at St. John's were suspended. At eleven o'clock the cadets helped the city of Salina in its observance of the occasion. In the procession that started from Memorial Hall marched the Salina Band, the ex-service men, most of whom are members of the Leslie Kreps Post of the American Legion, and the St. John's cadets. At the intersection of Santa Fe and Iron Streets the parade stopped and drew up into a circle with the colors of both the American Legion and St. John's inside. The cadet buglers sounded "To the Colors," and then the Rev. R. V. Kearns, American Legion chaplain, made a short patriotic address. The exercises closed with the blowing of Taps and a salute of 21 guns as a tribute to the dead.

That night the St. John's glee club participated in the program at the opening of the new Hawthorne grade school. They sang two numbers—"The Anvil Chorus" from Il Trovatore and "Sailing" by Marks.

## CADETS DEFEAT TESCOTT HI BY SCORE OF 6-0

BIVENS MAKES TOUCHDOWN  
BEGINNING SECOND  
QUARTER

The soldier boys took their second victory of the year from Tescott High School, on October 31. The soldiers played very ragged ball, having no luck on offense or defense, and were only able to push over for one score.

In the first quarter both teams were about evenly matched, and the ball remained near the center of the field, until the cadets took the ball on the 40 yard line and began a drive down the field with Lloyd and Coyle L. plunging off tackles for some good gains. The first quarter ended with the ball on the twenty-yard line.

At the beginning of the second quarter Scott went off tackle for eight yards and Coyle, over guard for seven yards, placing the ball on the six yard line. Bivens carried it across for a touchdown, but failed to make the extra point. Tescott then received and started a drive that might have ended in a score, but the half ended with the ball on the twelve yard line.

The third and fourth quarter seemed very evenly matched, neither team being able to score, although the cadets threatened their goal twice. Both teams resorted to desperate passes in the last quarter, of which few were completed. The cadets outplayed their opponents in the entire game, but were held by some very hard fighting.

## BATTALION ESCORTS VICE-PRESIDENT CURTIS

The band played, nineteen guns roared, and people cheered as the train carrying Vice-President Curtis pulled into Union Station at 4:40 on the afternoon of October 29. The corps of St. John's cadets stood at attention and saluted as the distinguished visitor stepped from his train and was conducted to his automobile.

Heading the parade from the station to the Lamer Hotel where the Vice-President made his headquarters were two motorcycle policemen followed by mounted officers who acted as color guards for the flag. Next came the band and then the St. John's cadets who acted as military escort.

Vice-President Curtis was the guest that evening at a dinner in the private dining room of the Lamer Hotel. Following this he spoke before a large audience in the Masonic Temple, an engagement he had traveled over three hundred miles to keep. During the Vice-President's short stay in Salina, Col. Perkins, the Commandant of St. John's, acted as his personal aide.

Among recent visitors at the school were Mr. A. I. Irwin of Topeka; Mrs. Kate Patterson and daughter Catherine of Winfield; the Rev. and Mrs. De Wolfe of Kansas City; Mrs. M. E. Hartley of Lenexa; Mrs. Edith Leaf and Mrs. Dorothy Faris of Oklahoma City; Mr. W. L. Hartman of Wichita; Mrs. Cora Keraus of Wakeeney; Miss Barbara Ehrsam of Enterprise.

## ENCOURAGEMENT

How many times have we heard something that has made our path a little smoother; our load a little lighter? Maybe it was a sermon, a song, or maybe something that someone said.

Do we ever tell the speaker, the minister, or whomever it might be about it? Try it sometime. Just a few words of praise will do wonders sometimes, and you will feel better by having done so. On the athletic field, if a boy makes a good play, tell him about it. You will say that it will make him feel too important. If he's the right kind of a boy it won't; it will inspire him to try harder and do better next time.

Encourage your classmates if they fall out of line. Often just a word at the right time will set a boy right. Many of us get "down and out" so to speak, and feel that the whole world is down on us. Speak a kind word every now and then and watch the effect.

Encourage all people to do their best, and you'll feel like doing better and trying harder yourself.

## THE TEST OF RESPONSIBILITY

Every man is a stranger to his greatest power until some supreme effort calls it forth. He does not know how great his strength really is until he is called upon to deliver.

Some of our greatest men never found themselves until they were called upon to deliver. This holds good here in the Cadet Corps. Our greatest leaders did not know that they had the power of leadership until they were called upon, and had to put out.

How many men and women have lost everything in the world that was dear to them—money, friends, love, everything except their pluck and grit—and have started over again and discovered that they could rise to the occasion. Our greatest power lies so deep in our nature that it often takes a tremendous effort to call it forth.

Many of us in the Cadet Corps shun responsibility. That is the worst thing that we can do. We should welcome it; it is a great developer and often spells success.

## THE ORIGIN OF FOOTBALL

Football is one of the most ancient games known to college men. It ranks second only to dice, poker, and passing the buck.

According to legend, the first game of football was an accident, and accidents have accompanied the game ever since. It was while one of the famous athletes of the Stone Age, Lionel Ivorydome, was discussing the ownership of a pig with his neighbor, Bigstick Swatter, that the first foot was set to a pigskin.

Swatter, being a man of mean disposition, insisted that the pig belonged to his herd because it had two ears and

all the rest of the herd was similarly marked. Ivorydome was no man to let a pig break a lifelong friendship; so after failing to persuade Swatter that he was wrong by pounding him over the head with a boulder, he magnanimously relinquished the grunter and kicked it into his neighbor's face.

But Swatter, too, was a good chap at heart, and immediately on perceiving his neighbor's kind action, his stubborn meanness melted away. He apologized for his selfishness and kicked the pig back into Ivorydome's stomach. Kind action induced kind action, kick was reciprocated with kick, until the combatants became as insistent on giving the pig away as they had been on taking it home.

At the conclusion of an exceptionally powerful boot, Ivorydome picked up the squealing porker and tried to carry it over to his neighbor's cave; but Swatter was too quick for him. With a snort of rage he dived and grabbed the good samaritan by the legs, dragging him to the ground.

By this time the rest of the cave dwellers became interested in the struggle, and without stopping to ask questions, pitched in on one side or the other.

So interested did the combatants become in the sport of carrying the pig from one cave to another that when one animal wore out they borrowed another; and before evening they ran out of pigs and had to call the game off.—Exchange.

## LOCAL NEWS

Two brothers, Archie and Chester Irwin of Topeka, have recently enrolled in the Junior School.

The many friends of Cadet Lee Trees were glad to welcome him back to school a few days ago. On account of illness in his family he was late in returning. He brought with him a radio set which is being enjoyed by the boys on the third floor.

During these fine afternoons after school some of the younger boys have been working in the park trying to construct a dam on the shallow creek that flows through it. They have visions of having a fine skating and swimming place later on.

Cadet Austin recently had the pleasure of receiving a visit from his mother Mrs. R. H. Austin and brother Robert of Niwot, Colo. Robert spent a week at St. John's and made many friends.

The Noland brothers' grandmother and aunt Mrs. J. H. Noland and Miss Goldie Noland of Arkansas City and cousin, Miss Dorothy Shirley of Wichita, visited St. John's a few weeks ago.

Van Cleve's mother and a number of his friends were in Salina for the Wichita-Salina Hi football game.

Cadet Todhunter has received a backgammon set from home and has been instructing his friends in this "new old" game.

Capt. Simpson attended some of the sessions of the State Teachers' meeting recently held at Hutchinson.

While in Kansas City not long ago Capt. Brown brought back with him two pictures which he purchased at some second hand store. The pictures which are unusually handsome are either oil paintings or clever imitations, and people who have seen them have a difference of opinion about them. Maybe Capt. Brown has got hold of some lost masterpiece by Rembrandt or Raphael which will later bring him a fortune.

Capt. Simpson and Mr. Abbott spent Sunday, November 2, with the latter's relatives in Belleville.

Capt. Brown: "Holton, give me a sentence containing the word 'candor.' "

Holton: "The Colonel hired a young lady secretary for his office, but his wife got jealous so he candor."

The cadets are glad to know that Firstenberg's wonderful hurdling of last commencement is kept on record.

Coyle I: "What did you get out of the services this morning?"

Bivens: "Not a thing. I was sleeping when the offering was lifted."

Bolte I wishes that the school would furnish window blinds, because in the evening nearly all of the visitors park in front of his window.

Chaplain Mize: "Cater, who said don't give up the ship."

Cater: "I don't know his name, but I think he was a Scotchman."

Deppen: "I don't feel well. May I go to my room?"

Capt. Simpson: "Where do you feel the worst?"

Deppen: "In Geometry."

Chaplain: "What happened between the year 1870 and 1871?"

Skeff: "The old year went out and the new year came in."

Chaplain: "Correct."

Father Kangaroo: "Where's the baby?"

Mother Kangaroo (feeling in pocket): "I must have left him in my other clothes."

Capt. Simpson: "Richards, what is the definition of the spine?"

Richards: "It is a bone in your back and your head sits on one end and you sit on the other."

Why is it that Bagnall follows Coyle II around the dining hall, when the mail is being delivered?

Firstenberg: "Last night I dreamed I was married to the most beautiful girl."

Virginia: "Oh! Jack, were we happy?"

Allen had been told to write a short composition in which he should say something about all the days of the week. The little fellow thought a few minutes and then triumphantly produced this: "Monday, father and I killed a bear; and there was meat enough to last over Tuesday, Wednesday, Thursday, Friday, Saturday and Sunday."

Mrs. Perkins: "Did Lloyd sprain his ankle playing football?"

Colonel Perkins: "No, he did it skipping classes."

David II: "But I don't think I deserve an absolute zero."

Mr. Barker: "Neither do I, but it is the lowest mark that I am allowed to give."

Poindexter has been offered his tuition and expenses paid for the year 1934, if he will sign a contract to play football for Harvard.

### DEAN STRONG SPEAKS TO STUDENTS AT EVENSONG

At a Sunday evening service in our chapel about the middle of October the St. John's boys had the privilege of hearing Dean Donman E. Strong of Christ Cathedral, Salina, speak to them for the first time this year.

Dean Strong first mentioned how much he had missed the cadets on Sundays and that it was a great pleasure for him to come to them that evening. Using as a basis for his remarks the life of the Apostle Paul in prison, the Dean spoke of the wonderful letters he had written at this time. St. Paul felt that he had been called of God, that it was no disgrace for him to be in chains, and that though he could not be among the Christians, he at least could write letters for their instruction and encouragement.

Just as St. Paul gave his letters for the glory of God each one of us has something that we can give Him. It may not seem much to us but it may be just what God wants. Dean Strong urged the cadets to give some of their lives to God and to walk worthy of the name of Christians.

### BOY SCOUT TROOP ENJOYS SUPPER IN THE WOODS

Supper and a campfire in the woods! This privilege was enjoyed by the St. John's Boy Scout Troop recently. The only damper on the whole affair was that Col. Perkins said the boys must be back in time for study hall.

Clad in their old clothes and carrying the "eats," the boys left soon after classes were over. Upon reaching the woodland details were sent out to search for a suitable camping site. When this was found, the scouts set to work getting ready to pass fire building and cooking tests.

How good that supper tasted. Broiled ham, bread, baked beans, potatoes and apples. All the potatoes were not cooked "scout fashion." On account of the shortness of time it was agreed that it was best to fry them. Hartley "double quicked" it back to school and soon returned with a large frying pan. Then the boys had all the fried potatoes they could eat.

It was not easy for the boys to be back at St. John's for study hall.

### HAVE ODD EXPERIENCE POLICE MAKE MISTAKE

Cadets in uniform often have been mistaken for porters, messenger boys, and "bell hops." The other night some of the St. John's boys had a new experience—they were mistaken for bootleggers.

It was after the Daughters of the King dance held in our gymnasium. The boys had seen their fair partners home and were returning to school in a taxi, the driver going a little faster than usual so that the boys might not over stay their passes. Suddenly a police siren was heard; speed cops showed up, and the boys' taxi had to fall in line with some other cars which had been stopped. The cops inquired what was all the hurry and the boys explained the situation about overstaying passes and that minutes now might later mean hours on the demerit squad. After a bit of deliberation the police allowed the taxi to proceed.

Next day it was learned that the authorities had received word to look out for bootleggers and had found it necessary to stop all the cars in order to catch the real culprits.

### ARMY AND NAVY CLUBS HOLD ANNUAL ELECTIONS

In St. John's School there are two clubs called the Army and the Navy. These clubs compete in track, basket-ball, and foot-ball. There is keen rivalry between them as to which shall win for the year, by scoring the most points. All members compete in these athletics no matter how small or how big they are. These two clubs are classified into four divisions so that boys of the same size may compete against one another. At the end of the year medals are given to boys scoring the most number of points in their respective classes.

The Army captain this year is Bivens. The new boys selected into this club are: Holten, Ross, Ward, Plunkett, Ehrsam, Davlin, Richards, Bossmeyer, Collier, Schweiger, Faris, Keraus, Todhunter, Michelson, Stafford, Hartley, Clarke, Booras, Lynch, and Simmons.

The Navy captain is Green. The new boys selected for the Navy are: Lloyd, Van Dervelde, Van Cleve, David II, Skeff, Lindley, Gerding, Patterson, Smith, Radetsky, Allen, Riley, Norcross, Noland I, Parker, De Wolfe, Fowitz, Galloway, Moore, and Noland II.

When the Stock Show was held in Salina last month Col. Perkins purchased one of the prize winning baby beeves. For several days afterwards the boys were enjoying tender juicy steaks at meals.

## SPORTS

ST. JOHN'S BOYS WIN  
EASY VICTORY OVER ADA

The orange and black team took an easy victory from the boys from Ada on October 22. Captain McLean's team performed fairly well on both offense and defense although they lacked the customary fight and spirit. The score was 37-0.

The game started with the cadets kicking to Ada's 30 yard line, where the ball was played back and forth in their territory. Ada punted to the 20 yard line and Lloyd returned to the 50 yard mark where the cadets by line smashes and end-runs carried the ball up to Ada's goal line. The ball was fumbled across the goal line but Ross quickly recovered it for a touchdown. The cadets failed to make the extra point.

In the second quarter Ada started a long pass which was intercepted by Lloyd on the 35 yard line and who ran for the second touchdown. St. John's again failed to make their extra point. After alternating up and down the field the cadets finally received the ball on Ada's 45 yard line. A pass from Lloyd to Cater scored the next touchdown. Coyle L. plunged off-tackle for the extra point. St. John's kicked to Ada's 5 yard line and was punted back to Lloyd on the 40 yard line who returned it back for another touchdown.

The last half of play began with Ada's kicking to the cadets on the 30 yard line who returned it 10 yards and made successive first downs through the Ada bunch. Coyle carried the ball around end 15 yards for a touchdown. St. John's failed to make their extra point.

In the fourth quarter after a series of plays the cadets placed the ball on Ada's 7 yard line. In the next play Bivins carried the ball across the goal line and gained another touchdown. The extra point was not made.

Coach McLean started the following line-up for the cadets: ends, Ross and Hight; tackles, Joe Coyle and David; guards, Bagnall, Snair; center, Deppen; halves, Shakespeare and Lloyd; fullback, Coyle L.; and quarterback, Scott.

SECOND TEAM LOSES  
TO SALINA MAROONS

The cadets' second team lost to the Maroons of the Salina Junior High, at Oakdale Park field, November 7, by the score of 14-0.

The cadets were a little light for Salina, but despite this handicap they did some good playing and showed up especially well at the offense. Bolte made several long gains through the line and Holton did good work in running back the ball on punts. Marshall showed his skill in end-running and punting. Tinchier made several spectacular tackles. David II and Skeff were the two outstanding line men. White did his best to back up the line at full-back.

Coach McLean started the following men: Davlin, left end; Ehrsam, left tackle; Plunkett, left guard; Lindley, center; Skeff, right guard; David II, right tackle; Ward, right end; Marshall, quarterback; Bolte, right half; Holton, left half, and White at fullback.

DAUGHTERS OF KING GIVE  
DANCE IN GYMNASIUM

On October 28 the Daughters of the King, an organization of the Episcopal Church, gave a benefit dance in the St. John's gymnasium. Christ Cathedral badly needs a new organ, and it was hoped that the proceeds of this dance would add to this fund.

The dance was an informal affair and was attended for the most part by Salina church people. Several of the cadets were there and escorted girls from town.

A five piece orchestra played snappy music which kept the crowd in good spirits.

ARMY SOLDIERS DEFEAT  
NAVY SAILORS 12-7

The Army eleven defeated the sailor boys in the first game of the 1930 series by a score of 12 to 7, November the third.

The Army started the game by kicking to the Navy who returned the ball to about the center of the field. After a few bad passes from center, the Navy lost the ball, and on the Army's first play Jack Bolte galloped around right end for a touchdown. The Army failed to score their extra point. The sailors chose to receive again and took the ball about the thirty yard line, and carried it to their own forty yard line where the soldier boys stopped them. The Army took the ball and tried a few line plunges with no success, and then resorted to end runs. Jack Bolte again started around right end, but found it well protected, and cut back over center, dodging until he had a clear field and ran for a touchdown. The Army again failed to score their extra point, and the first quarter ended with Army 12, Navy 0.

The second quarter was mostly played near the center of the field with the exception of the last few minutes, when the Navy started a march towards their goal. The half ended before they were able to push over.

At the beginning of the third quarter the Army received and carried the ball to about the center of the field, where they were forced to kick. The Navy then opened up on strong line plunges with David L. doing most of the ball carrying. They plowed to their four yard line and on the next play fumbled across the goal line. The ball was recovered by Nolan I. which gave the sailors a touchdown. David plunged the line for the extra point.

The last quarter was decidedly in favor of the Navy, although they were unable to score. As the game ended they were on their 13 yard line. The score remained 12 to 7 in favor of the Army.

The outstanding players on the Army were Jack Bolte, Altman and Boatright. Those on the Navy were John Tallchief, David II., and Tinchier.

CADETS TIE MARQUETTE  
IN HARD FOUGHT GAME

The cadets played a hard-fought game of 0-0 on the Oakdale park field, Nov. 5, with the little Swedes from Marquette.

Marquette got choice of the toss-up and defended the north goal. The cadets received the ball on the 45 yard line. Through a series of line plunges and end runs they carried the ball down the field, slow but sure. The ball exchanged hands several times during the first half, neither team being able to score.

The second half started off with each team fighting harder than ever. St. John's intercepted a pass which started the cadets toward the goal. By gradual gains they reached the 6 yard line. Here the Swedes tightened up. On the next play the cadets were penalized 5 yards for off-side. A series of passes were tried, but were unable

to be put across. The ball was lost on the 8 yard line. Marquette tried a few line plays, but were unsuccessful in making any gain through the cadet line. They attempted a pass and again it was intercepted. The cadets then returned the ball up the field to the 30 yard line. They resorted to line plunges, passes, end runs, but were not able to carry the ball within scoring distance. As Marquette took the ball on the 24 yard line the whistle blew and the game ended by a score of 0-0.

The following men started the game: left end, Ross; left tackle, Joe Coyle; left guard, Bagnall; center, Deppen; right guard, Van Cleve; right tackle, David E.; right end, Green; quarterback, Scott; left half, Lloyd; right half, Bivens; fullback, Lorry Coyle.

Substitutions—Shakespeare for Cater; Vandervelde for Van Cleve; Ross for Shakespeare; Shakespeare for Lloyd.
