SALINA, KANSAS, MARCH 27, 1931

NO. 6

SCOUT TROOP WILL APPEAR IN MINSTREL

BOYS TO BEAR ALL EXPENSES SHOW CONSISTS OF THREE PARTS

The date April 9 is an important one for the St. John's Boy Scout Troop. On that night they are putting on a minstrel show in the gymnasium to which they are inviting all the cadet corps as well as other friends of the school. The boys are bearing the entire expense themselves, and if possible they want to entertain their guests in royal style by furnishing in addition refreshments to be served after the performance.

The show will consist of the customary three parts—the circle with the interlocutor, end men and chorus; the olio; and the afterpiece.

All members of the troop will appear in the first part. Tinchier will act as interlocutor and will oversee the cross fire of jokes between the end men and will announce the vocal numbers. The end men will be De Wolfe I, Smith, Clark, Wead, Leaf, Collier, Hartley, and Griffith. The chorus as well as the end men will be in costume. The songs will be of three types—coon songs, ballads, and popular pieces of the day.

The olio will consist of two or three musical and dancing numbers.

The afterpiece will be a short farce entitled "The Haunted House." The lead is played by Galloway who takes the part of a negro boy with aspirations to become a great detective but much averse to going on his first case into a haunted house. Austin and Todhunter are the two detectives who accompany him on this case and are so unkind as to leave him all alone. Tallchief I and Patterson play the parts of ghosts who in the end prove to be very substantial ones. Six other boys also appear in the farce in minor roles.

Capt. Brown is working hard coaching the boys. Mr. Reitz is assisting in training the chorus. Mr. Hicks of the Salina Costume House has made the scouts most reasonable terms to costume them and has promised to oversee himself the making up of the boys.

CRACK SQUAD DRILLS AT NEW WATSON THEATER

On February 23rd the St. John's Crack Squad drill team was asked to drill at the new Fox-Watson theatre in Salina. The Crack Squad gave two drills—one at seven-thirty and another at nine-thirty.

This is the second drill this year for the team and everyone agreed that it was their best. Colonel Perkins, commandant of St. John's, recently received a letter of appreciation from the management of the theatre complimenting him upon the excellent drill. He has also received other invitations for the boys to drill in the near future.

Much of the credit is due to Captain Raymond Green who has been urging the members to practice practically every evening available and to the members themselves who have been putting forth their best efforts to make the Crack Squad a success.

Cadet Patterson was visiting for the week end of March 15 at his home in Winfield, Kansas.

NEW CATALOGUE TO BE ARTISTIC PRODUCT

Capt. Poggeman, who has charge of getting out this year's catalogue, is working hard and hopes to see it off the press and ready for distribution by the first of May. Many of the pictures have been taken and already are in the hands of the engravers.

The plan is to have this year's catalogue much more attractive than that of last year. Though possessing the same number of pages, it will be a much more artistic product. None of last year's pictures will be used in which there is the slightest flaw. For example, the chapel was re-photographed because in the old picture the sunlight coming through the windows next to the altar made a too dazzling effect.

Capt. Poggeman purposes to change the order of arrangement of the written material so that there will be a better and more logical sequence.

COL. PERKINS GOES TO ST. JOHN'S HOSPITAL

Col. Perkins, the school commandant, is in the hospital. Early last week he was sent there by the doctor with orders to take an absolute rest. For sometime past the Colonel has been in a run down condition, and this winter he has had several spells which made him feel miserable.

Bishop Mize and Capt. Poggeman are carrying on the Colonel's duties as well as they can. Also more responsibility rests on the shoulders of the cadet officers.

Col. Perkins has received many visitors and already is feeling better. It is hoped he will be back in his place within a very few days.

SUNDAY PARADES HELD WHEN WEATHER PERMITS

On account of the spring-like weather of late, the Sunday afternoon parades have started earlier than usual. The first one given in February was in honor of the visitors who were in town attending the convention of the Diocese of Salina. Cars lined the parade grounds and highways as the companies marched upon the field. The Bugle and Drum Corps were in good condition, and the companies despite the fact that their numbers had been augmented recently by green and inexperienced men made a good showing.

A second parade was held later on. Colonel Perkins plans to have either a parade or the formal ceremony of Guard Mount every pleasant Sunday afternoon during the remainder of the year.

NEATEST CADETS FOR MONTH RECEIVE GIFTS

For making the best records during the month of February for neatness in appearance at the daily inspections, Col. Perkins presented four cadets—one from each of the three companies and the bugle corps—with attractive little rugs. These rugs were made by invalid ex-soldiers now in the hospital at Fort Leavenworth.

The cadets receiving the prizes also were given a holiday at the same time the boys in the Junior School received their grade holiday. The boys receiving the prizes were cadets Cater, Noland I, Trees, and Stafford.

CAPT. RAYMOND H. McLEAN

Capt. Raymond H. McLean is finishing his fourth year at St. John's and eighth year of teaching. He is a graduate of Southwestern State Teachers College of Weatherford, Okla., and has done special work at Oklahoma University and the University of Colorado. While at Southwestern he had instruction under John Lance, now head coach at the Pittsburg, Kansas, Teachers' College and Dutch Voyle, former assistant coach at the University of Illinois and now head coach at Duke University, Durham, N. C.

Besides his work in coaching, Capt. McLean has charge of the Science department. To know Coach McLean is to respect him and to be his friend. He works untiringly with those boys who represent St. John's on its athletic teams. His strong personality and the excellent instruction he has given both in the class room and in athletics will long have its influence upon the cadets of St. John's.

BISHOP MIZE TALKS ON SELF-DISCIPLINE

Self discipline was the subject of a talk Bishop Mize made before the student body at chapel recently. He said most people are not doing as well as they ought to do or can do. The reason for this is they are not disciplining themselves. They should stop and think before they act for they may be on the point of neglecting something that ought to be done or they may be going to do something which will bear great consequences. Some people make it a rule to count ten before speaking. Most crimes are committed by persons who do not stop to think.

The Bishop urged the boys to discipline themselves; to learn to say "no" to certain temptations; to learn to wait for things which seem to them most desirable. Boys who say they can not study particularly need disciplining.

Lent, the season now being observed by the church, gives an excellent opportunity for self discipline. From the special services the church provides, a person may obtain much that will be helpful.

Mrs. Raymond H. McLean is visiting her parents at her former home in Oklahoma.

CADETS RECEIVE FIRST PLACE IN TOURNAMENT

WIN VICTORIES OVER SMOLAN, BROOKVILLE, BAVARIA AND KIPP

Game Number One

The cadets drew Smolan for the first game Friday morning, March 6, defeating them by a score of 18-8.

In the first quarter St. John's took a lead of 4-3 and steadily increased it to 10-4 up until the end of the half.

The cadets came back in the second half as strong as ever running the count to 18-7 before the end of the third quarter. In the beginning of the last period Smolan scored a free throw. During the remainder of the game neither team was able to score.

Coach McLean used all of his available cadets. Holton, Vandervelde and Bivens scored high for the winners.

Smolan played without a foul and thus ended her season with a run of seven successive quarters in which no fouls had been called on their team.

Game Number Two

Friday afternoon, March 6, the cadets ended the semi-finals against Brookville Hi winning over them by a victory of 16-13.

Bob Holton tallying five of the cadets goals was the highest scorer. Bivens and Vandervelde turned in a great defensive game in the last minute with a setup after having missed two just when the cards trailed by a point.

In the first half the teams swapped scores, the cadets gaining a lead of 8-6. This was improved to 12-8 at one period, but Shute and Reck came through with goals to tie the count. Vandervelde broke the tie with a goal and then came a setup to win the ball game.

The cadets played harder in this game than any other one of the season.

Game Number Three

Saturday morning, March 7, the cadets still in the semi-finals went up with Bavaria defeating them by a score of 21-19.

In the first half the cadets leaped away to a 6-2 lead over Bavaria and then dropped behind 8-6 at the close of the half.

The cadets opened the second half with a rush, however, Vandervelde dropping in two baskets in less than a minute to give his team a two-point lead. From under the basket he tipped in another, but was quickly followed up by Bavaria making one long and one short basket to tie it up. Kern of Bavaria swished in another long shot putting his team ahead by two points. During the next few minutes the cadets battled furiously to score. As the gun roared Holton's high archer was in the air and on its way through the hoop for a 16-14 advantage.

The cadets made nine fouls to Bavaria's one. And also made good five of the seven attempts at free throws.

Game Number Four

That evening, March 7, the cadets entered the finals against Kipp winning over them by a score of 26-14 which gave St. John's first place in the tournament.

The cadets took the proper bows as champions of the Class B elimination, receiving the bronze plate as victors of the tournament.

The same balance of scoring attack

SPORTSMANSHIP

What matters if a team loses a contest of any kind so long as they fight hard and fair? It may cost dearly, but had we not rather lose a hard, clean game than win a crooked one? Of course, every team wants to win, and some employ "shady" methods to obtain victory, but they cannot be satisfied with what they have won. In some of our own contests we have had a touch of bitterness because of acts which seemed unfair, but had we not rather be in our own shoes than in those of a victor of such a character?

If a man on the team is tempted to do a "dirty" trick to win glory and refuses to yield—and then wins despite hard knocks and breaks—it certainly makes him feel worth while and a true victor. A person who puts all he has into a game, fighting fairly whether he wins or loses, feels satisfied in having played his best.

It is the same on the side lines. A person can play the game there as well as on the field. It is not sportsmanship to jeer at a losing team no matter how much the score is. One should recognize the other fellow is doing his best in fighting for his school or followers.

Think about it, and give the opposing team the same chance of winning as your team. At the basketball games often people yell and make noises when the opponents shoot foul goals. Let's be sports, fellows, and play the game for all we are worth. Listen to Berton Bralley's wellknown "Prayer of a Sportsman":
Dear Lord, in the battle that goes through life

I ask but a field that is fair,
A chance that is equal with all in the strife,

A courage to strive and to dare;
And if I shall win, let it be by the code,
With my faith and my honor held high;

And if I should lose, let me stand by the road,
And cheer as the winners go by.

USE THE LIBRARY

Come up and use the library. It is open week days except Saturday from 6:30 till 7:30 in the evening and on Sundays from 3 to 5 in the afternoon. Either Austin or Altman, the librarian in charge will do his best to serve you and help you find a book which will interest you. A magazine rack has recently been put in which holds current copies of several popular magazines. There are also daily newspapers.

The number of books have greatly increased due to the generosity of several teachers and cadets. Col. Perkins gave about fifty volumes. Cadets Marshall, Austin, Galloway, and Van Dervelde have also been particularly generous. The librarians gratefully receive any books or magazines you may choose to donate.

Mrs. E. Booras, of Kansas City, Missouri, was visiting her son Maylin, on Sunday, March 15.

BOYS OF JUNIOR SCHOOL
ENJOY GRADE HOLIDAY

The mouths of the younger boys were broader than usual from grinning; the eyes of the older boys showed a greenish tint. All this was caused by the grade holiday which was granted to many of the boys in the Junior School on the first Saturday in March. Those with an average of 85 or over were given the whole day; those with an average between 80 and 85 received a half day.

How blissful the boys were not to have to meet formations or attend classes! The picture shows and the swimming pool at the Y. M. C. A. were unusually popular places. Meanwhile a few forlorn Junior School boys and all the boys of the upper school were at the same everlasting grind.

* * *

HEAVIEST SNOW OF YEAR
FALLS EARLY IN MARCH

With tears in their eyes many people read not long ago in the Salina Journal about the little boy to whom Santa Claus had brought a sled and who was daily looking into the heavens for signs of snow. The first week in March old man Winter must have brought joy into the little fellow's heart for a genuine snow storm occurred.

Of course the St. John's boys had great fun. There were snow ball fights and the building of forts and snow men. The sleds which Bishop Mize had presented the Junior School boys last year were taken from the store room, dusted and put to good use. The Junior School teachers in their pilgrimages back and forth to the main building had to step very cautiously and often wore worried expressions as if they had wet ankles and their thoughts were of coughs, colds, and snuffles.

Austin: Where do you suppose the horse got its name?

Poindexter: It probably was because he took after his fodder.

* * *

Marshall: "Did you see that charming girl smile at me?"

Ross: "Yes, the first time I saw you, I too, had to smile."

* * *

Mrs. McLean: You know my husband had a hope chest, too, before we were married?

Friend: Mercy sakes! What was in it?

Mrs. McLean: Old socks he had saved up during his years in college. He hoped maybe I'd darn them.

* * *

Deppen: "Have you heard about the meanest man in the world?"

Ward: "Yes. He throws chewing gum in the streets for Austins to get stuck on."

* * *

Did you ever stop to think that a fish may go home and lie about the size of bait he hooked!

* * *

Miss Yeomans: "Faris, can you tell me what a waffle is?"

Faris: "Yes'm, it's a pancake with a non-skid tread."

* * *

Hight: "Quick, Doctor, do something! I was playing a mouth organ and swallowed it."

Doctor: "Keep calm sir, and be thankful you were not playing the piano."

* * *

Scott: "What time do you get up in the summer?"

Firstenberger: "As soon as the first ray of sun comes in my window."

Scott: "Isn't that rather early?"

Firstenberger: "No, my room faces west."

* * *

Coach: "Bolte, name a poison."

Bolte I.: "An aeroplane; one drop and you are dead."

* * *

Simmons: "Say, Miss Yeomans—

Miss Yeomans: "Well, what?"

Simmons: "If George Washington was as honest as the books say, why do they close the banks on his birthday?"

The man who saves and invests his savings wisely will always be a man of means.

The boy who learns discipline and the control of mental and physical faculties will always be a man.

S. J. M. S. offers to every boy the mental and physical training that he should have. We offer to every Dad investment opportunities of the highest quality.

NEW CRACK SQUAD FORMED BY JUNIOR SCHOOL BOYS

Does any one know a good remedy for noses that have gotten out of joint? It is greatly needed by the members of the famous St. John's Crack Squad which has been in existence so many years and which has acquired much publicity both in and out of Salina by their snappy drill.

A new crack squad has come into being among the boys of the Junior School. Cadet Gus Kesselring is the captain of this organization and the boys associated with him are Noland I, Noland II, Bossmeyer, Moore, Riley, Gray, Parker, De Wolfe II, McCarty, Irvin I, Keraus, McLeod and Allen.

The members are working up an attractive drill and also have as a side activity the development of a tumbling team. In the near future they expect to give an exhibition of what they have accomplished.

The boys pay dues regularly and part of this they expect to use for refreshments to be served at their social meetings. Especially does the milk of human kindness run rampant among the boys. Recently they spent part of their dues for a potted plant to cheer up Col. Perkins in his room in the hospital.

"The old order changeth." "A younger generation cometh forward." It looks as though the old St. John's Crack Squad is doomed to be eclipsed and forced to take a back seat!

CAPT. BROWN AND FOUR CADETS GO ON PICNIC

Have you ever cooked your dinner over a forge at an oil well which was being drilled? This is an experience Capt. Brown and Cadets Smith, Hartley, De Wolfe I, and Patterson recently had.

It was February 23, the day St. John's School had as a holiday in honor of the Father of his Country. The boys wanted Capt. Brown to take them on a picnic. Bishop Mize granted permission, Bill Hart fixed up the lunch, and soon the party was in a taxi which took them as far as Marymount. From there they hiked to the school campsite on Bob White's farm.

When the destination was reached, the rain began to fall. The picnickers sought refuge in the oil well a short distance away. The drillers were most hospitable and told them the freedom of the well was there as long as they wished. For three hours the very Heavens fell, but all felt cozy in their shelter and particularly enjoyed the dinner which they cooked over the forge which was used to dress the bits for drilling.

In the middle of the afternoon when the skies cleared, the party hiked back to Marymount and proceeded on to Salina by bus.

IMPROVEMENTS MADE IN SCIENCE LABORATORY

Within the past few weeks much pounding and general disturbance have been coming from the direction of the Science Department. Everyone however, was glad to hear it for it meant the Physics and Chemistry laboratory was being made over.

How fine everything looks now! New cabinets have been built into the sides of the room. New experiment tables have been covered with hard wood. The wood work of the entire room has been freshly painted.

FACULTY ENJOYS PARTY AT SHIDELER HOME

Captain R. E. Shideler, a member of last year's faculty, can not seem to do enough for the members of St. John's School. In last Skirmisher was published an account of his entertaining at his Salina home the boys with whom he had formerly been associated. Now comes an account of his entertaining the faculty.

All of the members of the St. John's faculty with the exception of two or three who had to remain at school were welcomed by Capt. and Mrs. Shideler at their home on an evening last month. Presently Bridge score cards were passed around and everyone sought his table. The game which was a merry one lasted until a late hour. When scores were counted it was found that Mrs. Perkins had high for the ladies and Col. Perkins, for the gentlemen. Attractive prizes were awarded them.

Delicious refreshments of salad, sandwiches, cake, and coffee were served. Before the guests departed, Capt. Shideler asked that the school song "St. John's Forever" be sung.

SALINA DE MOLAY TEAM USES ST. JOHN'S GYM

During the past few weeks the Salina De Molays have been using the St. John's gym. They have played three games so far with rival De Molay teams near here. Their first game was with the Abilene De Molays which they won 16-8. The second game with the Clay Center De Molays was won 44-9. The third with the Manhattan De Molays was won 31-26. These games were very interesting and have afforded a source of entertainment to the cadets.

The Salina team is: center, Walker; forwards, Miller and Nelson; and guards, Finney and Scott. The substitutes are: Kelly, Johnson, Spaeth, Weaver, and Bruening.

SCHOOL QUARTET HAS BEEN ORGANIZED

Prof. Reitz has organized a quartet which promises to accomplish great things. One evening a week he devotes to instructing the members and gets them together at as many other times as he can find the opportunity.

The four boys in it are: Coyle L., first base; Scott, second base; Bagnall, first tenor; and Bivens, second tenor.

The quartet expects to sing in the near

future at a spring party given at Kansas Wesleyan University. They will also sing during Music Week which will be observed in Salina early in May.

TO OFFER CANTATA WITH INDIAN THEME

A musical treat is in store for the members of St. John's School the latter part of next month. Mr. Reitz is putting on a cantata in the school gymnasium in which fifteen members of the Glee club and fifteen Salina young ladies will take part.

The cantata which has an Indian theme and is entitled, "The Mound Builders," is by Paul Bliss, author of many school cantatas. Mr. Bliss spent months among Indian tribes in order to get appropriate moods to put into verse.

Mr. Reitz has not yet determined whether or not the cantata will be presented in costume. Many sweet and catchy tunes abound in the production. The chants of the braves as they leave on their hunting trip, the scolding of the women who are left behind to do all of the

work, and the return of the warriors are some of the situations interpreted in the melody.

GIVES DINNER PARTY FOR BASKETBALL TEAM

On account of their winning first place in the B Class of the recent district basketball tournament, the members of the basketball team were entertained at dinner by Mr. Raymond Shipe, a neighbor and friend of St. John's School. Mr. Shipe has made it a practice for some years past to entertain victorious athletic teams.

The dinner was held the night of March 18 in Brown's Dining Room. Rabbit was the principal dish on the menu. Vegetables, salad, and coffee were served, and for dessert ice cream and cake.

Those present besides the host were Coach McLean and Cadets Bivens, Green, Scott, Shakespeare, Holton, Van DerVelde, Lloyd, David I, and Deppen. Mr. Stuart Dunbar, sports editor of the Salina Journal, was also one of the guests.

SPORTS

SOLOMON WINS VICTORY OVER CADETS 32-13

Kirk Ward's Solomon Hi Gorillas turned in one of the fanciest jobs of the season in the matter of getting even with an early season conqueror. Victims weeks ago of a 27 to 25 defeat at the hands of the St. John's Cadets the Gorillas last night defeated the Cadets, 32 to 13 with Doidge and Hall at forward tallying 16 and 12 points respectively. Bob Bivens, from a guard position, scored 11 of the Cadets points.

The first quarter saw Solomon work out a 7 to 6 lead but the second period the Gorilla attack started to function seriously and when the half came the score was 20 to 9 and the Cadets were hopelessly out of it.

After the half the Solomon attack ran rapidly. The cadets being only able to score one point in the final period. Red Lloyd was not able to play. It is doubtful whether he would have been of a great deal of help during the terrible attack.

Bivens was the outstanding player of the evening for the cadets, Vandervelde being the other man to score for the cadets.

CADETS DEFEAT KIPP ON OPPONENT'S NEW FLOOR

Wednesday, March 4, St. John's won a victory over Kipp Hi by a score of 22-16. The game was played on Kipp's new floor.

The first quarter started by the teams alternating back and forth for the lead. In the second quarter both teams settled down to harder basket ball. When the half ended it found the cadets leading by a margin of 11-10.

At the beginning of the season half Kipp played their best ball, although they were not able to hit either field or foul goals. During the last quarter the cadets made a rapid stream of baskets, with Lloyd, Scott, and Vandervelde all getting a basket apiece, bringing the score up to 22-16 as the game ended.

In the preliminary game the cadets seconds repeated an earlier winning by 26-17. Deppen and Bolte played well for the cadets making five and three goals. White followed with two field goals. Manson, Hoffman and Martin each got a pair of goals for their team.

LOSES TO SOLOMON IN REGIONAL TOURNAMENT

Friday, March 13, St. John's entered the Regional Tournament against Solomon meeting defeat by a score of 30-27. The tournament was played in Memorial Hall, Salina.

Because the cadets declined to stall with a seven point lead and less than three minutes to play Solomon had the opportunity to leap in and win the game in a hair-raising finish.

In the last twenty seconds of play Solomon had raised the score to 26-27. The cadets still had a point lead, but lost the ball on a rebound shot, and Solomon worked it down to Hall for a 28-27 lead. Five seconds before the end of the game, Doidge flipped a rebound through and Solomon won.

Bivens scored six goals for the cadets while Hall made six goals and a free shot for Solomon.

which pushed the cadets through the first three games sent them through the finals, by jumping to an early lead, but dropping behind 7-5 in the first quarter. The cadets moved up in the second period and held a 10-7 lead at the close of the half.

In the third quarter St. John's raised the lead to 15-9. Then came their most determined drive of the tourney making eleven points in the last quarter, bringing the game and the tournament to an end by a 26-14 victory.

Bob Holton was the high scorer of the tourney with 28 points. Vandervelde tallied 23 points, Lloyd and Bivens 14 each, and Green four points, a timely field goal in each of the last two games.

During the recent snow storm Chaplain Mize was not able to get through in his car to Minneapolis where he was to conduct a church service.
