SALINA, KANSAS, JANUARY 30, 1931

NO. 4

THE RT. REV. R. H. MIZE

## CLOSES TENTH YEAR AS BISHOP OF SALINA

January 19 was an important date for Bishop Mize for it marked the close of ten years of service as Bishop of Salina. In Christ Cathedral special services were held during the morning, and in the evening a reception took place in the parish house at which time all of the Bishop's friends were invited in to meet him.

Many potted plants and vases of flowers had been brought in to beautify the large hall in the parish house. In the receiving line stood the Bishop, the Very Reverend Donnon E. Strong and his mother, and the members of the Cathedral Chapter and their wives. During the course of the evening a great many people dropped in to offer the Bishop their felicitations. Refreshments of coffee and cakes were served.

Bishop Mize was chosen Bishop of Salina by the House of Bishops which met in St. Louis in October 1920. On January 19, 1921, he was consecrated in Christ Cathedral, Topeka by Bishop Tuttle who was assisted by Bishops Griswold, Beecher, Longley, Thomas, and Wise.

Except for the few times he substituted outside of the state, Bishop Mize has spent all the years of his ministry in Kansas. His first parish was at Hiawatha; then followed eight years as Rector of St. John's School. Then he had charge of parishes in Emporia and Kansas City. While he was holding the latter charge, he was elected Bishop.

## SENIOR CLASS ELECTS OFFICERS FOR 1931

At a recent meeting of the Senior Class the following officers were elected: President, Lt. Green; Vice-President, Lt. Bivens; Secretary and Treasurer, Lt. Phillips; Valedictorian, Lt. Coyle J.

When the president-elect took his chair, he brought up several matters for consideration, one of which was the kind of rings or pins the class wished to have. The class voted to adopt the same kind used last year which bears the official school seal.

## TAKE MOTION PICTURES OF SCHOOL ACTIVITIES

By the number of moving pictures that are being taken at St. John's it looks as though the old school will soon become a second Hollywood. Capt. Poggeman and Mr. W. L. Hartman of Wichita, the father of one of the cadets, started the whole thing last spring. Knowing that motion pictures was one of Mr. Hartman's hobbies and that he owned a camera, Capt. Poggeman suggested that he come up to St. John's and photograph the commencement activities. And so Mr. Hartman acted upon this suggestion and took over 1300 feet of film in which the final drills, parades, athletic contests, were pictured. Besides this over 500 feet of colors of the Crack Squad in action were taken. Mr. Hartman kindly allowed St. John's to develop films from his negatives. These have been shown before the cadets on several occasions and were frequently used by Capt. Poggeman last summer when traveling in the interests of the school.

This year Mr. Frank Bangs of Salina who owns a camera has kindly loaned it in the interests of St. John's. One of his associates, Mr. P. H. Rose, took pictures of the arrival of Vice-President Curtis in Salina in which the St. John's cadets played an important part as his military escort. Capt. Simpson, assisted by Cadet Radetsky took pictures of the recent Tescott football game and Capt. Poggeman filmed parts of the Marquette game.

## Marymount College Acts as Hostess

### St. John's Glee Club Sings for Girls Reception Held Afterwards

As hostesses to the St. John's cadet corps and teachers, the Sisters and students of Marymount College proved themselves especially fine on an afternoon just before the Christmas holidays. The boys were welcomed at the door by a committee of the Sisters and students and were shown into the large auditorium. Here the St. John's glee club put on a short musical program at the conclusion of which Bagnall and de Beque sang a few popular songs to the accompaniment of the ukelele.

After the program a social hour followed. The cadets in company with the Marymount girls were shown over the building which is entirely modern and attractively furnished. The library, the individual music rooms, the home economics equipment, the display of oil paintings and hand painted china were particularly to be commended. Some of the cadets and their fair friends enjoyed dancing to the tune of a victrola in one of the reception rooms.

All too soon for the boys the time for departure came and the return to school for dinner and evening study hall.

Mr. and Mrs. George Schweiger of Castle Rock, Colo., were in Salina, January 17 and 18, visiting their son Cadet Schweiger.

\*\*\*

A radio owned by Bishop Mize has been set up in the dining room. The cadets now are enjoying music with their meals.

\*\*\*

Mrs. Grace Van Cleve of Wichita was in Salina on the 16th to visit her son Cadet Van Cleve.

## LIBRARY IS MADE OVER BOYS GIVE MANY BOOKS

Bang, bang, bang! thump, thump, thump! Such sounds as these usually offensive to sensitive ears and keen nerves have been especially welcome to the St. John's boys of late, for they have been the evidence that the school library is being made over. By the removal of the partition into the old barber shop and an unnecessary closet the room has been almost doubled in size. Celotex is being put on the ceiling, the woodwork and floors are being varnished, neat shelves are being built for the books, and new electric light fixtures are being installed. When this is all finished, tables and chairs will be moved in, a few pictures will be hung on the walls and St. John's will have a library of which it indeed may be proud.

About sixty new books were brought by the cadets after Christmas. Although this did not come up to expectations, it has made a nice addition. A number of boys have declared their intention of writing home for books. Many juvenile books dealing with adventure and Boy Scouts' activities have been donated. Sergeant Marshall is due especial thanks for his volumes of famous short stories of the Lock and Key Library and Cadet Van Dervelde for his set of "Epochs in American History." Other authors of books donated include Kipling, Barrington, Tarkington, O. Henry, Zane Grey, and Curwood.

## Football Team Has Annual Banquet

### Colonel Perkins Acts as Toastmaster for Occasion, Coach Makes Talk

The St. John's annual football banquet was held in the school dining room on the evening of the 13th of January with a squad of twenty-four attending.

This event usually takes place immediately before the Christmas holidays, but due to the number of other school activities then, it was postponed until after the vacation. The banquet this year, as in former years, was a huge success. The meal consisted of large steaks with everything to go with them.

The commandant, Colonel Perkins, acted as toastmaster. After the meal had been finished, the Colonel called on each player for a few remarks, introducing him with some funny reference, either true or imaginary, about his playing. Coach Raymond McLean gave a short talk in which he expressed his appreciation of the good work the team had done and the spirit they had shown.

The banquet closed with the election of Richard Bagnall as captain for next year's squad.

Bishop Mize recently has received word of the death of two St. John's alumni—Jesse E. Flint of the class of 1897 who died in Kansas City the week before Christmas and Frazier Cole of the class of 1906 who died at his home in Girard, Kansas. The latter was killed accidentally when he was handling a shot gun.

\*\*\*

Cadet Fowitz was so unfortunate as to get a bone in his throat one day last week. It was finally removed by the doctor, but Fowitz experienced much discomfort both before and after.

## CADETS DEFEAT SOLOMON HI BY SCORE OF 27-25

### WON DURING FINAL PERIOD ST. JOHN'S SECONDS LOSE 7-2

The St. Johns cadets defeated Solomon on January 18 by a score of 27-25. This is the first loss of the season for the Solomon team.

The cadets were the leaders in scoring at the end of the first, second and third periods. During the final period the cadets dropped behind the invaders, who with less than three minutes to play were holding a three point lead. Vandervelde was fouled and made a free goal. On the next play the big center after tipping the ball, broke for the basket and tossed the ball through the ring which tied the score. In the next five seconds of play Bob Holton, a new man at forward, dribbled in and made the winning basket of the game as the whistle blew.

Bob Bivens the four year guard of the cadet team, presented a wonderful exhibit of floorwork. The cadets played without Scott, a very fast and experienced guard, who underwent a minor operation this week.

Cormack, Solomon's guard, was the outstanding player for the invaders. He was high man with ten points to his credit. Doidge and Eisenhaws were handy in the scoring also.

St. Johns seconds lost to Solomon by a score of 7-2.

Shakespeare was the outstanding and high point man for the cadets.

The lineups were as follows:

ST. JOHNS—27	SOLOMON—25

## PASS QUIET CHRISTMAS THREE CADETS REMAIN

Things were pretty quiet around St. John's during the holidays. Cadets Brehmer and Irwin I and II were the only boys who did not go home. Brehmer, however, spent two or three days with Cadet Richards who lives in Salina. Brehmer and Richards went on a number of hunts and the former showed himself particularly skilled when it comes to killing rabbits.

Christmas day was unusually quiet. All who sat down to the excellent dinner here were Colonel and Mrs. Perkins and their daughter Dorothy, Captain Parks, and Cadets Irwin I and II. The cadets received presents from some of the members of the faculty.

Two new boys have enrolled since Christmas in the Junior School. They are Delbert Griffith of Wichita and Phillip DeWolfe of Kansas City.

HALF FINISHED

Half finished! It seems only a very short time ago that the entire school year of 1930-1 stretched ahead of the St. John's cadets. Now it is half finished, the date January 24 marking that lap of the journey. How many boys feel satisfied with the way they have traveled so far? How many have regrets over the "what might have beens" and realize that many opportunities to accomplish worthwhile things have been thrown aside?

May the first class of boys keep up the good work and when Commencement time rolls around experience a greater sense of self-satisfaction than ever. May the boys in the second class turn over a new leaf, buckle down with noses to the grindstone, and at the close of the year feel that after all they have accomplished many worthwhile things at St. John's.

TEN YEARS OF SERVICE

Assured that they are speaking the sentiments of the entire student body, the editors of the Skirmisher wish to offer along with the many other people, congratulations to Bishop Mize upon the tenth anniversary of his consecration as Bishop of Salina. His life has been one of great service during the past decade. His service as Superintendent of St. John's is the one that is nearest home to the cadets. All the boys appreciate what he has done and is continually doing for them. St. John's would not be the St. John's it is today without Bishop Mize's wise guidance. His love, his great interest, his unselfishness and constant thought for their welfare are well known to the boys. Congratulations to Bishop Mize by the cadets of St. John's are best expressed in the form of appreciation.

THE LIBRARY AGAIN

Have you given one or more books to our new library? It soon will be opened, and won't you do your part toward making it the finest small library in the state? A number of cadets brought books back with them after Christmas and others have expressed their intentions of having mother or dad send some from home. Why don't you write the folks today to do likewise? Surely there is a book or two they could spare up if they looked. The goal is for every boy to give a book. Won't you help us reach this goal?

On the evening of January 10 Capt. Simpson, Capt. Brown, Mr. Abbott and Jones K. held a party in the latter's cabin at the Follow the Swallow Tourist Camp in honor of Mr. Abbott's birthday. Delicious steaks occupied an important place on the menu and last but not least came the delicious cake Mr. Abbott had just received from relatives at Belleville.

These snappy cold days have found many boys skating after school on the stream running through the park.

BOY SCOUT NOTES

At the first meeting held after the Christmas holidays Tincher was elected a new patrol leader. Tallchief I was chosen scribe to succeed Tincher in that office.

\*\*\*

Recently Bishop Mize, Colonel Perkins, and Capt. Poggeman have received their appointments as Troop Committee of the St. John's Troop Number 83. Capt. Brown also received his appointment as Scoutmaster and Chaplain Mize, as Assistant Scoutmaster.

Twenty-four boys now belong to the troop. In Hartley's patrol are McCarty, Gray, Parker, Smith, Mickelson and De Wolfe. In Poindexter's patrol are Wead, Galloway, Gerding, Bossmeyer, Todhunter, and Tallchief III. In Tincher's patrol are Lynch, Patterson, Brehmer, Tallchief I, Keraus, Clarke, and Collier. Tallchief II and Austin who have recently joined the troop have not yet been assigned to patrols.

\*\*\*

At a Board of Review held in December Hartley took the tests for First Class Scout and Tincher for Second Class Scout.

\*\*\*

February 8-14 all scout troops over the country celebrate the twenty-first birthday of the organization. There will be a number of interesting happenings in Salina at that time in some of which the St. John's scouts will participate.

\*\*\*

The troop owes thanks to Cadet Deppen for the gift of some signal flags and to Cadet Norcross for a handbook.

\*\*\*

On Saturday evening, January 10, Capt. Brown entertained the scouts at a party in the music room. Many contests and games were played, prizes being offered for some of them. At ten o'clock all went down to the dining room where refreshments of punch, weenies, and rolls, were served. The entire faculty and the boys on Capt. Brown's floor of the barracks were also invited to partake of the "eats."

TABLE MANNERS

"If you love me as I love you,  
No knife can cut our love in two."  
Oh yes it can, and cut it quick,  
For should you cultivate the trick  
Of eating with the self-same knife,  
I would be off of you for life.

"The rose is red, the violet blue;  
Sugar is sweet, and so are you."  
But not so sweet that should you stoop  
To making noises with your soup,  
I would find within the hour  
That you and love had both gone sour.

"Trouble and pain and want and ill  
Would never make my passion chill."  
But if you spill things on your vest  
Or smack your lips with too much zest,  
Or from your saucer drink your tea,  
You'll get the well-known gate from me.

"Sorrow I could bear up underneath."  
But should I see you pick your teeth  
Or spear your bread; or if I viewed  
You in the act of gulping food,  
I'd hand you, thereupon, a lime;  
And thank my stars I'd learned in time!

—Selected.

Ward: "You don't make very good music with that instrument."

Deppen: "No, I don't. But I drown out a lot of bad music."

\*\*\*

Jones K. says Mr. Abbott is the politest person on the campus. One night at a show he got up and gave his seat to three ladies.

\*\*\*

Mrs. Poggeman (at dining table): "Riley! your hands are dirty. What would you say if I came to meals with my hands that way?"

Riley: "I wouldn't speak about it. I'd be too polite."

\*\*\*

During the holidays Brehmer was a frequent visitor at the Richards' home. We wonder whether Cadet Richards was the only attraction there.

\*\*\*

Firstenberg: "I like your evening gown."

The Girl in Wichita: "It doesn't take much to please you."

\*\*\*

Ask Boatright what he found in the bottle the other day behind the hedge at one end of the campus. We wonder if he really found it there or was caught with the goods.

\*\*\*

Coyle I: "Ever hear the Irish bulldog's love song?"

Bivens: "No, what is it?"

Coyle I: "Litter by litter."

\*\*\*

Bagnall: "See this handkerchief you dropped the other night. I have been keeping it next to my heart ever since."

Rosie: "That's not my handkerchief. That's Fido's sweater."

HOLIDAY AFTERMATH

There never was a house so still—  
The radio brays like a mule,  
Bereft, the rooms seem caverns  
(The boys have gone to school.)

The cookie jar is empty,  
No sugar's in the yawning bin,  
The dog cries plaintively, and I  
Feeling his grief, go let him in.

The night brings only vague unrest,  
How quiet is the coming dawn!  
So lonely is the house wherefrom  
Two boys to school have gone.

Bulldog Jake: "Give me a quarter, will you? I'm just out of jail."

Bulldog Jake: "For killing a man who refused me money."

Scott: "Yeh?"

Ross: "Yes, but six lessons were lost in the mail."

In some cities a subscriber may at a small cost have the telephone operator remind him at a specified time of something important. We suggest that the Colonel have phones put in the buglers' rooms so that they will never be late in sounding reveille.

Ehram: "Yes, but you seemed to be getting all you needed."

Hartley: "That's the temperature of the room, mother."

On two nights not long before Christmas instruction was given to those cadets desiring to learn something about dancing. After dinner the boys interested repaired to the gymnasium. The persons who kindly gave their services but who made no claims of being expert teachers were Mrs. Poggeman, Miss Yeomans, Miss Strong, the sister of Dean Strong of Christ Cathedral, and Capt. Simpson. Capt. Brown and Capt. Parks furnished the piano music.

Most of the time was spent on the waltz. Great improvement was noted in many of the cadets. All entered into the spirit of the occasion, and seemed to get much pleasure as well as profit from the instruction.

DOROTHY PERKINS DOES  
GOOD WORK AT COLLEGE

Among the many visitors St. John's receives none is more welcome to the old boys than Dorothy Perkins, the daughter of Col. and Mrs. Perkins. Until last June when she graduated from Salina High School, Dorothy was most closely connected with life here at St. John's and grew up within the walls of the old school.

Dorothy is now attending Christian College at Columbia, Mo., and is making a brilliant record for herself. She is majoring in Modern Languages and is taking a particular interest in French. She is a member of the Pep Squad and has a place on the staff of the college paper. She is thus enabled to make use of some of the experience she acquired last year as Assistant Editor of the Salina High News.

College life has not eradicated all of Dorothy's interest in military schools and cadets. Not many weeks ago she attended a dance at Kemper Military Institute at Booneville only a few miles from Columbia. For this she was campussed two days!

CHAPLAIN MIZE HOLDS  
COMMUNION REGULARLY

Commencing with the New Year Chaplain Edward M. Mize has been celebrating the Holy Communion regularly in the school chapel every Sunday morning. During the fall Bishop Mize used to hold early services in the chapel whenever he was in Salina on Sundays. On December 17 Chaplain Mize was ordained to the priesthood at which time he received authority to perform all the sacraments of the Church.

Three cadets—Marshall, De Wolfe, and Schweiger—have been taking turns serving at the early services.

WHERE THE TEACHERS  
SPENT THE HOLIDAYS

Bishop Mize spent the holidays at his home here in Salina.

Chaplain Edward Mize passed the holidays here with his father. He took a number of trips to Minneapolis to look after the interests of his mission there.

Capt. Brown spent his vacation very pleasantly with his parents in Miami, Florida.

Capt. Simpson visited friends in Harper and Manhattan. He also visited his sister in Hoisington.

Mr. Barker spent the holidays quietly at the school.

Col. and Mrs. Perkins remained here most of the time with their daughter, Dorothy, now a student at Christian College, Columbia, Mo. They took a short trip to Wichita.

Capt. Poggeman was on the road most of the holidays while Mrs. Poggeman stayed with relatives in Wichita.

Coach and Mrs. McLean visited Mrs. McLean's relatives in Fairview, Okla., and Coach McLean's relatives in Cordel, Okla.

Capt. Parks remained at the school during the holidays.

Miss Yeomans visited her parents in Ottumwa, Iowa.

Miss Birchenough remained at school throughout the holidays.

ABIE DE BEQUE FAILS  
TO RETURN TO SCHOOL

Armand deBeque otherwise known as "Abie" is gone! After spending several years within the St. John's halls of learning, he left for home for the Christmas holidays to return no more.

"Abie" was popular with his fellow cadets and his genial good natured smile will long be remembered. He was musically inclined—he sang well and played upon both the piano and ukelele. The team of "Abie and Sadie" which has entertained the cadets upon so many occasions will be sorely missed. Though modest and not claiming any great talents, this team more than once came to the rescue at the eleventh hour when musical entertainment was sorely needed.

Early in the fall "Abie's" father died which made him feel he was needed at home. At the time of his withdrawal from St. John's he was a corporal.

### RUSSELL TEAM DEFEATS CADETS IN FAST GAME

The fast work under the basket gave Russell Hi, the Union Pacific League champions, an easy victory over the inexperienced cadet team December 16, by a score of 30-15.

The westerners displayed some small advantage in matter of size, but made their largest gains by following their shots to the goal. Schaffer, Russell forward, was the outstanding player of the evening, bagging 14 of his team's points.

During the third period of the game Bob Bivens and Hayes Scott were expelled on fouls, but the lineup with the subs continued to keep Russell in check. Bob Holton a new man on the team made a very good showing for St. John's as likewise did Vandervelde the strapping big center. Scott, Bivens and Green are tried veterans showing at times excellent work at their position.

The game was scheduled at the last minute by Coach McLean who had had only a few previous days of practice toward game condition.

### SWIM AT Y. M. C. A. BOYS GO IN GROUPS

All cadets are now members of the Salina Y. M. C. A. A few weeks ago cards were given out. Swimming has become an important activity, and it is expected that within a short time some fine swimming teams will be developed.

With the exception of Wednesdays some groups of St. John's boys swim at the Y. On Monday and Thursday afternoon the boys from the Junior School are taken down in the truck and instructed in swimming by one of the athletic directors. On Tuesday and Friday groups from the upper school have their turn and on Saturdays the members of the first and second basket ball teams take their dip.

The reading rooms, bowling alley, and gymnasium are of course at the disposal of the cadets.

### START CLASS IN BOXING WRESTLING, TUMBLING

Mr. A. B. Huckabee, athletic instructor at the Salina Y. M. C. A. for the past three years, has recently started a class in the St. John's gymnasium. The class which meets three times a week is being taught the important movements and points of wrestling, boxing, and tumbling. Later on after the boys have had more practice, the cadets showing the greatest proficiency in wrestling will represent St. John's at the state wrestling tournament to be held at Manhattan, February 25, 26, and 27.

Captain Brown: "Please use veracity in a sentence."

Poindexter: "He certainly can do the veracity drag."

Blair: "Brehmer's teeth remind me of the West."

Boatright: "How's that?"

Blair: "Great open spaces."

### ORCHESTRA PROGRESSES UNDER ABLE LEADER

St. John's School is fortunate this year in having such an able orchestra director—Mr. Louis E. Zerbe of the Department of Music of Kansas Wesleyan University. Mr. Zerbe who holds a Bachelor of Music degree from the American Conservatory of Music of Chicago, has aroused a keen interest among the players. The rehearsals are held weekly, and at present the members are working on some well known popular pieces which they hope to offer in a program in the near future. Mr. Zerbe brings with him each time Mr. Paul Ryberg, a Wesleyan senior, who acts as accompanist.

The personnel of the orchestra is as follows: saxophones—Ehrlson, Van Cleve, Deppen, Smith, and Norcross; trumpets—Elmore and Keraus; violins—Marshall, Wead, and Mickelson; clarinet—Davlin; flute—Poindexter.

### GLEE CLUB FLOURISHES PUTS ON FEW PROGRAMS

Under the direction of Prof. Ralph W. Reitz of Salina, this year's glee club is doing some good work. Prof. Reitz who has studied in the east under the best instructors came to Salina several years ago and has been active in giving piano lessons and instruction in both solo and group singing. The club has been divided into two groups composed of the upper and lower classmen. The former will enter the contest to be held in the spring and are being trained to put on programs. The lower group is given a sort of preparatory course.

On the evening of Armistice Day the Glee Club sang two selections at the opening of the new Hawthorne School. Last week they sang before a nurses convention at the Salina Public Library.

The boys in the upper group of the Glee Club are Green, Firstenberger, Hight, Phillips, Deppen, Van Cleve, Van Dervelde, Norcross, Shakespeare, Radetsky, Bivens, and Scott.

### COLORFUL DINNER HELD BEFORE CADETS LEAVE

The farewell dinner held just before the cadets started home for the holidays was a memorable occasion. Several extra guests were invited, many of whom were parents who had come to take their boys home in cars. The dining room with its many decorations gave forth a decided atmosphere of Christmas.

Roast goose with all the "fixin's" was the main dish served.

After the dishes had been cleared, small presents and candy from Bishop Mize were given out to all the cadets. The gifts were small toys and trinkets mostly of a humorous nature. Just before the dinner broke up Bishop Mize made a few remarks appropriate to Christmas.

Hight: "What's the difference between dancing and marching?"

Grace: "I don't know."

Hight: "I thought so."
