CADETS SPEND TEN DAYS AT BROWN'S LAKE

DELIGHTED WITH CAMP SITE.
FIRE COURSE ON THE
RIFLE RANGE

On May 9th the cadet corps commenced its annual encampment. It was finally decided not to camp again at Arcola, the site used for the past three years, but to go to Brown Memorial Park, four miles south of Abilene and about twenty-six miles from Salina. The name of the camp this year was called Camp C. L. Brown in honor of the noted Abilene citizen and philanthropist who had established the Brown Memorial Foundation with its worthy projects.

The faculty and cadets made the trip to Brown Memorial Park in automobiles and trucks. Most of the first day was spent in pitching tents and getting settled. The site of the tents was at the west side of the lake and just across Turkey Creek from the Boy Scout Camp of the Jayhaw Area Council. St. John's had the use of the scout mess hall and lavatories which were equipped with electric lights and running water.

Brown's Lake itself was constructed artificially. Pumps working night and day keep adding water so that the lake always is bank-full. The natural contour of the ground made attractive islands which have been linked by graceful arched footbridges. The center of the shore has been widened and the lake deepened for bathing. Here carloads of sand have been placed to form a beach. Boats dot the lake and are free for the asking. Several bath houses and diving towers provide swimming accommodations. The entire shore line is electrically lighted during the season.

(Continued on Page 4)

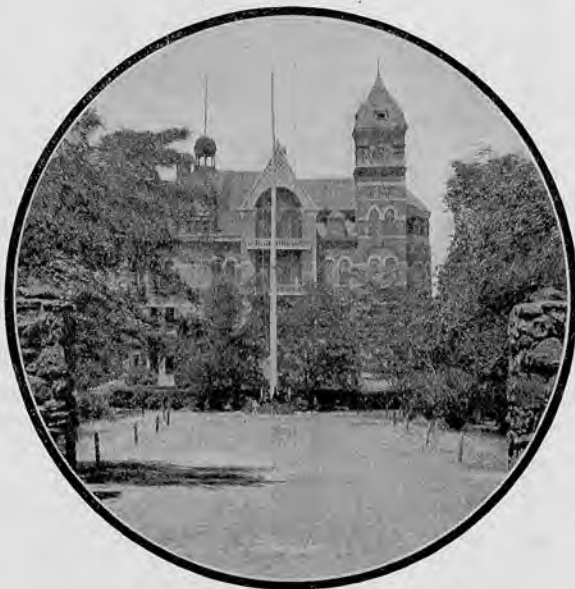

MAKES GOOD RECORDS ON HIGH POWER RANGE

The results of the firing on the high power range during the cadets' stay at Camp C. L. Brown were most satisfactory. Stamey, Lieutenant Hoyne, and Captain Evans qualified as Experts with scores of 226, 225, and 224 respectively out of a possible 250. Cadets Moberly and Lytle qualified as Sharpshooters with scores of 221 and 214.

Twelve boys qualified as Marksmen. The names with the score they made are as follows: Hamilton I, 205; Ehram, 204; Richards, 202; Bigley, 200; Jones I, 199; McKinley, 196; Fletcher II, 194; Willard, 191; Williams, Keraus, York, and Wilbur, 190.

Every boy fired ten rounds in each of the following positions: prone, sitting, kneeling, rapid-fire prone, and choice of rapid-fire in sitting or kneeling position. In slow firing Stamey was the high man in both prone and sitting positions with 48 and 45 points. Ehram made a possible 50 in rapid fire prone.

Many of the new boys were at first leery about shooting the high-powered rifles; but after their first shot, they realized how foolish they had been, and settled down to conscientious shooting.

VAIL HALL
St. John's Military School

Several Boys Enter Delphos Track Meet

Fritsche, Naylor, and Hamilton I Make
a Good Showing

On Tuesday, May 8, Coach Bishop motored to Delphos, Kansas, with a squad of seven boys to participate in an invitation track meet with a number of other schools. Glen Elder took first place in the meet, while St. John's finished fourth. Of the various field and track events the following St. John's men qualified: Fritsche, second in high jump, third in high hurdles, and third in 220 yard low hurdles; Naylor, third in pole vault and second in the hundred yard dash; Hamilton I, third in javelin throw.

Considering that they were not entered in a number of the events offered, and that they had had such a short time for training, Coach Bishop believes the cadets made a very good showing.

The men who made the trip were: Tinch, Jones I, Hamilton I, Moberly, Naylor, Fritsche, and Stamey. Norcross and Richards were managers.

GLEE CLUB HAS PART IN SALINA MUSIC WEEK

St. John's School had a part in Salina's Annual Music Week held early in May. Mr. Ralph W. Reitz, who has charge of the music activities here at school, presented the St. John's Glee Club together with a group of his downtown students. The groups first appeared separately and finally together.

The St. John's cadets sang as their opening number "Wagon Wheels" with Corporal Naylor playing a trumpet accompaniment and Lieutenant Richards singing the baritone solo part and Lieutenant Norcross, the tenor solo part. The glee club's second selection was "Massa Dear," Largo from the New World Symphony.

At the end of the program the St. John's boys appeared again together with the Reitz Studio chorus. Two numbers were given at this time, "Ole Man River" and "Indian Love Call."

St. John's Presents Program Over Radio

Members of Glee Club Render Group
Numbers and Solos

Under the direction of Mr. Ralph W. Reitz the St. John's Glee Club broadcasted over station KFBI, Abilene, from 4:30 to 5:00 on the afternoon of the last Sunday in April. At the conclusion of the broadcast congratulatory telegrams from interested listeners were read out.

The glee club itself gave three numbers "Lonesome Road," "Wagon Wheels," and "Massa Dear." Four boys sang solos. Corporal Stamey sang "There Goes My Heart" and "You Have Taken My Heart." Lieutenant Richards sang "Spin a Little Web of Dreams" and "Somewhere a Voice Is Calling." Cadet Moberly sang "Prairie Lullaby." Lieutenant Norcross sang "Our Big Love Scene" and "When Day is Done." As a closing selection Mr. Reitz and Lieutenant Norcross sang a duet "Play to Me, Gypsy."

Mr. Reitz served as accompanist for all the numbers.

BISHOP MIZE GIVES A DINNER FOR SENIORS

On the evening of May 31 Bishop Mize entertained the senior class and a few other guests at dinner at the Salina Country Club. Miss Margaret Mize acted as hostess, and the other guests were members of the St. John's Board of Trustees and their wives—Mr. and Mrs. Charles A. Lee, Mr. and Mrs. E. A. Hiller, and Mr. and Mrs. Earl Woodward.

Upon the table artistically arranged with vases of flowers and lighted candles in the center, the excellent dinner was served. The menu consisted of fruit cocktail, tomato salad, broiled chicken, whipped potatoes, buttered asparagus, coffee, hot rolls and strawberry sundae and cake for dessert. The occasion was indeed a jolly one and everyone enjoyed himself thoroughly.

After the dinner was over Bishop Mize gave the seniors passes to town. A number of the boys attended the movies.

DEFEATS OTHER RIFLE TEAMS IN MATCHES

SALINA HI AND HUTCHINSON
ARE THE CADETS'
COMPETITORS

During the past few weeks, the St. John's rifle team has taken part in several shooting matches with outside clubs. The first was a match with the Salina Hi club on the latter's range; next came a contest with the Hutchinson Junior Rifle Club; and third, a practice shoot, with Salina Hi boys. Having had much practice with .22 calibre rifles, St. John's was victorious in every engagement.

In the first event, with Salina Hi, a team of five from both clubs took part. Each boy fired twenty rounds, making it possible to obtain one hundred points on each ten shots. Ehram was the high-point man for the cadets, while Hagy led the Salina bunch. The soldiers under the direction of Captain Evans easily overcame the obstacle of nervousness, which is common in match competition, and performed better than was expected. Final score was 942 to 922 in favor of the cadets. The line-up was as follows:

ST. JOHN'S	SALINA HI
Ehram—96-96	Hagy—97-96
Richards—95-95	Hoffman—94-93
Stamey—94-95	Marietta—92-93
Keraus—94-95	Weisgerder—91-88
McKinley—93-89	Hines—88-89

In the next event, which was with the Hutchinson Junior Rifle Club, a team of ten on each side fired ten shots apiece. The best five scores were then chosen to make the total. Stamey topped the list for St. John's with a 99, while Tinbrook stood high for Hutchinson with a 99. Cadets Richards and York followed closely

(Continued on Page 4)

ATTEND A NUMBER OF SHAKESPEARE PLAYS

During the second annual observance of Shakespeare week three dramas were presented in Sam's Memorial Chapel at Kansas Wesleyan University. Groups of St. John's cadets accompanied by Captain Brown attended these plays on three consecutive evenings—April 25, 26, and 27. The first production in the series, "As You Like It" the Freshman class attended in a body. The second production "Macbeth" the Juniors attended and to the last production "The Merchant of Venice" any boy in either the upper or lower school was allowed to go. All three of these plays had been studied this year in different English classes. A special price of fifteen cents a performance was made to all students in Salina.

The cast of players was made up of Salina townspeople and students from Kansas Wesleyan. Upon a specially constructed stage without any change of scenery between scenes the plays were presented. The object was to make the productions simple and try to present them as nearly like they were presented at the time of Shakespeare. The acting was continuous from the rise of the curtain at the beginning until its fall at the close.

THE CLOSE OF THE YEAR

The time has come. Within a few hours St. John's closes its school year, and there will be much sorrow among many as commencement means partings.

But it has been a great and glorious year. Of course there is a regret here and there among the boys about the things they did not do that they had planned and about the things they would do differently if they could do them over. But over against that there is a record of real achievement. St. John's has moved onward and upward. New friendships have been formed and old ones strengthened—that is always worthwhile. Some of the boys have studied pretty hard and have developed character as well as muscle.

Now has come the time to part. Some of the boys will never meet again—ships that pass in the night—but they can always look back on associations together and as time goes on they will think of the old school days with an ever increasing feeling that they were happy ones in spite of ups and downs.

Promotions

Effective on May 21

Second Lieutenant Richards to the grade of First Lieutenant.

Corporal Chittenden to the grade of Sergeant.

Corporal Naylor to the grade of Sergeant.

Private Stout to the grade of Private First Class.

To Be Effective on May 28

First Lieutenant Fritsche to the grade of Captain.

First Lieutenant Norcross to the grade of Captain.

First Lieutenant Richards to the grade of Captain.

Sergeant Hamilton to the grade of First Sergeant.

Corporal Stamey to the grade of Sergeant.

Private First Class Kesselring to the grade of Corporal.

Private First Class Moberly to the grade of Corporal.

EXCUSED FROM FINALS

The following cadets were excused from the final examinations in certain subjects, their averages for the year being ninety percent or above: Willard, English; Moberly, English and Chemistry; Maker, English and Modern History; Lytle, English; Naylor, Business Arithmetic; Tinch, French; Big Eagle, Spelling; Fletcher W., Spelling and Writing; Iron, Spelling, Writing, and Arithmetic.

The following Seniors whose averages for the year were 85 per cent or above were exempted from the final examinations: Richards, English, U. S. History, and Constitution; Norcross, English; Fritsche, English.

During the early part of May, several of the older boys attended one or two dances in Bennington.

CAMP NOTES

The cadet corps is grateful to Mr. W. J. Ehram who kindly donated the use of his truck for transporting cadets and their equipment to and from camp.

* * *

The old boys were especially glad to have Lieutenant J. T. Hoynes of the Kansas National Guard at camp this year. In 1931 and 1932 he was with them at Arcola.

* * *

Watches and clocks could easily be dispensed with at camp. Except when there was a high wind the chimes in the tower of the "Brown Home for the Aged," could be heard plainly when they struck every quarter of an hour. Each morning at seven o'clock they played hymns.

* * *

The zoo at Brown Memorial Park is most interesting. In it there are elk, deer, buffaloes, bears, coyotes, rabbits, and birds.

* * *

The little store adjoining the bathing pavilion came in most handy. Here cold drinks, ice cream, candies, and several kinds of sandwiches could be purchased.

* * *

It was an interesting sight to watch the water wheels and rams as they pumped water from Turkey Creek into Brown's Lake.

* * *

A number of the boys took trips into Abilene, and one evening the entire corps was given a pass to town.

* * *

Among the visitors at camp were Mr. Ralph W. Reitz, Mr. La Velle F. Hicks, Mr. and Mrs. C. W. Stamey of Hutchinson, Mr. and Mrs. O. E. Olsson of Salina, Mr. Smith Ainsworth of Lyons, Mrs. Roy Perkins and sister Mrs. Ruth Moy of Salina, and Mr. and Mrs. Warren Smithers of Salina.

* * *

The one day of extremely bad weather came on Sunday and prevented the corps from attending service in Abilene. The Rev. Mr. Chillington of the Episcopal Church in that city had extended the corps a special invitation to attend service at his church. He had planned to send out cars for transportation.

* * *

One day Sergeant O. S. Smith, who is caretaker of the Salina Armory and an expert in handling machine guns, brought out a machine gun and gave a demonstration in firing. Every boy was given an opportunity to fire the gun.

* * *

Every morning five horses were allotted to the cadets to ride. The boys took turns riding them. Two or three boys were thrown off, but there were no serious accidents.

* * *

St. John's can boast of a few "Izaak Waltons." These boys tried their luck at fishing in both the creek and lake. The results were nothing astonishing—at least the chef did not have to work over time frying up messes of fish.

* * *

One day the Reverend Mr. Chillington of Abilene brought out a number of Boy Scouts who challenged our cadets to a game of baseball. The game was an interesting one though pretty much one sided, our cadets beating the scouts 12 to 2.

* * *

Annual initiation of the new boys took place on the evening of May 25. The new boys were shaking in their shoes for many days before hand. Too bad it came so late this year that there was not time to write it up in the "Skirmisher."

JOKES

Moberly: Did you know that Napoleon was the shortest soldier in history?

York: "No, he wasn't. It was another fellow I read about, one who slept on his watch."

* * *

First Cat: "I hear you are a proud father. Was it a boy or girl?"

Second Cat: Oh, six of one and half a dozen of the other.

* * *

Naylor: "Your Denver girl powders and paints a good deal, doesn't she?"

Hamilton I: "Yes when I kiss her it's just like eating a marshmallow."

* * *

The pupils in a Buffalo, New York school were once given a general information test. Below are listed a number of the questions and answers.

Q. What is "The White Man's Burden"?

A. Women.

Q. What is a catacomb?

A. A thing on top of a rooster's head.

Q. Define anthology.

A. The study of ants.

Q. Define plagiarism.

A. Going around for pledges.

Q. In what field is Henry Pu Yi famous?

A. Laundry.

Q. What is a symposium?

A. Something like a symphony but not quite so bad.

* * *

Captain Simpson: "Haythorne, if you want a thing done well, you must do it yourself."

Haythorne: "Then, sir, suppose you work these Geometry problems for me."

* * *

Keraus: "Captain Parks, I think I should have a better mark on that History test. I wrote twelve pages."

Captain Parks: "I don't weigh test papers to determine their value."

* * *

Eaker: "I'm growing a mustache. What color do you think it will be?"

McCoy: "Gray, at the rate it is growing now."

* * *

Do you carrot all for me?

My hearts beats for you,

With your turnip nose

And your radish hair,

You are a peach

If we cantaloupe

Lettuce marry

Weed make a swell pear.—Selected.

* * *

Mrs. Mize: "Mallery, correct this sentence, 'The horse and cow is in the lot.'"

Mallery: " 'The cow and horse is in the lot.' Ladies always come first."

Miss Sally's
Question Box

Ask Miss Sally Prune—
She Knows

All person's standing at life's door
Afraid to take one small step more
May write Miss Sally for advice
She'll show them how to cut much ice.

My dear Miss Sally,
Woe is mine

My girl has handed me a lime
Her cruelty will surely slay me
Help

Your heart-broken friend,
Tom Stamey

Dear Tom,

I think you're mighty slow
To let your sweetie treat you so.
To this maiden quickly teach
She's not the only pebble on the beach.

* * *

Miss Prune,

With sweetest smiles I greet
All teachers and cadets I meet.
I can not gripe; I'm full of joy.
Should I ever complain?

Yours,

Carson McCoy

Dear Sunshine Lad,

A saintly smile
Is always very worth your while.
If you will keep a close watch out
Wings may upon your shoulders sprout.

* * *

Dear Miss Prune,

Was I a dip
To let my friends shave my upper lip?
Minus a mustache life is all gall.
Suggest a tonic.

Yours,

Butter Ball

Dear Boy,

Just mix a pint of glue
With dark thick ink of color blue
Apply at night, and in the morn
You'll be like Samson yet unshorn

* * *

My dear Miss Sally,

Should a friend
Be ever glad his clothes to lend?
My buddies take what they find handy
They get my goat.

Your good friend,

Andy

Dear Andy,

Your friends sure have nerve
And the roughest treatment they deserve
Next time a fellow takes your clothes
Give him a quick-punch in the nose.

VACATION DAYS

In a short time St. John's School will be like a graveyard. Most of the boys will be home resting up or entering upon some kind of summer work. A few people will be left at school. The janitors will be busy trying to repair those things which the cadets have been gradually demolishing.

Bishop Mize will be in Salina a great part of the summer looking after his affairs in the Diocese. He may later on spend a time at his mountain cabin at Allen's Park, Colorado.

Miss Mize hopes to make a number of visits to friends and relatives. She will accompany her father to Colorado if he decides to open up his cabin there.

Chaplain and Mrs. Mize will be in Salina most of the summer. The Chaplain has his missions to look after in Bennington and Minneapolis. Chaplain and Mrs. Mize will probably make a visit at Mrs. Mize's home in Ottumwa, Iowa, later on.

Directly after the close of school Captain and Mrs. Evans will motor to their homes in Illinois and Wisconsin. About the middle of June Captain Evans will return to Kansas to travel in the interests of St. John's School.

Mr. Barker expects to spend the entire summer at his home in Cambridge, Massachusetts.

Captain Simpson may take a summer course at either a Kansas or Colorado College. He expects to make visits at his home in Dresden, Kansas and his sister's home in Hoisington, Kansas.

After a short visit with his sister in Montgomery, Alabama, Captain Brown will go to his home in Miami, Florida for the greater part of the vacation. In August he may go with his parents to the mountains of North Carolina.

Captain Parks hopes to continue work on his Master's Degree at the teachers college in Greeley, Colorado. At the conclusion of his summer course he may visit his home in Michigan.

Captain Bishop will spend most of the summer at his home in Oklahoma City.

On every Monday in April Captain Ehrsam and Lieutenant Norcross were luncheon guests of the Salina Rotary Club.

Last week Corporal Chittenden was called to St. Louis by the death of his uncle.

The Seniors

JOHN ROSS EHRSAM. Born in Enterprise, Kansas in 1916. Attended school in Enterprise, Kansas and Palo Alto, California. Entered St. John's in the fall of 1931. Graduating as a Captain. Expects to attend Kansas University.

CARL NELSON RICHARDS. Born in Tulsa, Oklahoma in 1917. Attended school in Salina, Kansas and Detroit, Michigan. Entered St. John's in the fall of 1931. Graduating as a Captain. Plans to attend Kansas Wesleyan.

WILLIAM BARCLAY NORCROSS. Born in Greeley, Colorado in 1916. Attended school in Greeley, Colorado and Las Animas, Colorado. Entered St. John's in the fall of 1931. Graduating as a Captain. Expects to attend the University of Southern California.

JAMES LOUIS FRITSCH. Born in Springfield, Minnesota in 1916. Attended school in Tracy, Minnesota; Belleville, Illinois; Denver, Colorado, and Scofield Barracks, Honolulu. Entered St. John's in the fall of 1932. Graduating as a Captain. College plans are indefinite. Hopes to get an appointment to Annapolis.

THOMAS WALTER STAMEY. Born in Hutchinson, Kansas in 1917. Attended school in Hutchinson. Entered St. John's in the fall of 1933. Graduating as a Sergeant. Plans to attend the Kansas State Agricultural College at Manhattan, Kansas.

ROBERT MCINTOSH HAMILTON. Born in Salida, Colorado in 1915. Attended school at Salida, Colorado and Denver, Colorado. Entered St. John's in the fall of 1933. Graduating as a First Sergeant. Hopes to attend the Colorado School of Mines at Golden, Colorado.

SENIORS CAN BOAST OF
MOST ATTRACTIVE RINGS

If any of the undergraduates have been observant lately, they will have noticed the seniors have been going around with their left hands stuck out for someone to notice. But this is quite natural because the seniors recently received their rings and naturally want to show them off.

The St. John's crest in oval shape is engraved on the face of every ring. On each side of the emblem is an eagle with wings outspread. On the underside of the ring is inscribed the year 1934 and the initials of the cadet to whom it belongs.

Olsson: "Jesse surely is a rapid typist."
Fletcher II: "Yes indeed. If he worked any faster he would have to use a water cooled typewriter with an asbestos ribbon."

Randall says he may be a barber when he grows up. It will give him an opportunity to talk while he is working.

THE DECATHALON

This year a new form of competitive athletics was launched among the boys of the cadet corp. The Decathalon, an athletic contest consisting of ten events, was started and judged by Captain (Coach) Bishop. The deciding and carrying out of the various events were modeled after the National Decathalon, which is held every year in the United States to honor the country's best athlete. This contest gave every cadet, regardless of his record in varsity athletics, an opportunity to become a winner.

Each contestant was put into one of two classes, first class for the larger fellows, or second for the smaller. The number of points which every boy made was credited to his intramural club, either Army or Navy.

The events of the Decathalon were as follows: accuracy in punting, passing, drop-kicking, and place-kicking of a football; distance in punting, passing, and place-kicking of a football; accuracy in throwing of a baseball; distance in throwing a medicine ball; and accuracy in pitching horseshoes. After all of these events were finished and scored, the individual winners in both classes were picked and the total club points determined.

The winners and their scores were as follows: first class; Naylor, Navy, 4815 points; Hamilton I, Army, 4285; Fritsche, Navy, 4230; and Moberly, Navy, 3794. In the second class were: Stout, Navy, 4100; Curtis, Navy, 3775; Chittenden, Army, 3770; and Fletcher II, Navy, 3520.

The total club scores were: Navy, 56,725; Army, 35,345.

The Decathalon proved to be a fine thing, for it created a genuine school spirit among the cadets.

DEFEATS OTHER RIFLE TEAMS IN MATCHES

(Continued from Page 1)

with 97's. St. John's won 462 to 461. The line-up was as follows:

ST. JOHN'S	HUTCHINSON
Stamey—99	Tinbrook—99
York—97	R. Hendershot—94
Richards—97	Atkinson—92
Lytle—95	W. Hendershot—90
Ehrsam—95	Hooper—86

In the practice shoot with Salina Hi, four men on each club were used. Ehrsam stood high for St. John's with a 98, while Stamey and Richards tied for second with 97's. For Salina, Hagy led with 97, while Dodge and Hoffman followed with 96 and 95 respectively. The line-up was as follows:

ST. JOHN'S	SALINA HI
Ehrsam—98	Hagy—97
Stamey—97	Dodge—96
Richards—97	Hoffman—95
Lytle—93	Marietta—88

THE SWIMMING MEET

On May 18 while St. John's was camping at Camp C. L. Brown, an Army and Navy swimming meet took place in Brown's Lake. Army won an easy victory over Navy, in contrast to last year's meet. Army piled up a large score in the dashes, underwater swim, and relay, but Navy narrowed the gap with its diving points.

Ehrsam of the Army won the 100 and the 50 yard dashes and took the last lap on the winning relay team. Williams of the Army won the underwater swim.

Naylor of the Navy took first place in diving, while Ehrsam, Army, and Stout, Navy, stood second and third respectively. Army's four-man team won the exciting relay which was 400 yards long.

Coach Bishop and Captain Evans were the judges and officials throughout the contest.

CADETS SPEND TEN DAYS AT BROWN'S LAKE

(Continued from Page 1)

Except for the discomforts which were the aftermath of a heavy rain, the ten days spent at Camp C. L. Brown were ideal. Twice daily groups of boys went in trucks six miles distant to the Dickinson County Rifle Club and did their required amount of shooting. In the mornings boys who were delinquent in their studies were given opportunities to study under teachers' supervision. All boys took turns in serving on the various details which were necessary for the running of the camp. However the cadets had much time to enjoy themselves. They played many baseball games. They had the privilege of going in swimming twice daily. Many boys especially enjoyed horse back riding. The use of these horses is free to all organizations who camp in Brown Memorial Park.

On May 19th St. John's broke camp and returned to Salina.

ABOUT THE CATHEDRAL

For the past few months Christ Cathedral, Salina has been without a Dean. About January first the Very Reverend Donnan E. Strong tendered his resignation, but for sometime previous owing to a serious illness he had been unable to attend to his duties.

At present Dean Strong is undergoing treatment at the National Jewish Hospital in Denver. According to latest reports he is much better.

Bishop Mize and the Reverend Leonard Mitchell are temporarily taking care of the work at the Cathedral. The latter has been making his headquarters at St. John's School as the Bishop's guest.

The vestry of the Cathedral plan to call a new Dean in the near future.

"The Town of No Good"

My friend, have you heard of the town
Nogood,

On the banks of the River Slow;
Where the Sometimes-or-Other fills the air
And the soft Go-Easy grow?

It lies in the valley of What's-the-Use,
In the province of Let-Her-Slide;
It's the home of the reckless I-Don't-Care,
Where the Give-it-Ups abide.

The town is as old as the human race,
And it grows with the light of years;
It is wrapped in the fog of the idler's
dreams;

Its streets are all paved with discarded
schemes

And are sprinkled with useless tears.

—Selected.

BEFORE THE PUBLIC

Just before camp the St. John's Glee Club visited Assaria one day and gave a program before the high school students in general assembly.

At a May Day celebration at Marymount College the Cracksquad drilled and the Glee Club sang a few numbers.

On Mothers' Day the Glee Club put on a program for the old people at the "Brown Home for the Aged." After the program the boys were shown through the home.

Lieutenant Norcross sang one evening recently at a Review put on by the Mary Ellen Rathbun School of Dancing.
