ST. JOHN'S CADETS TURN TABLES ON ABILENE

The cadets redeemed themselves this year by defeating Abilene. Last year St. John's was defeated by the Abilene team, which made this year's game all the more interesting. The cadets were determined to win this time, and did so, winning by a score of 21 to 20.

Coming down with the intention of an easy victory over the cadets, Abilene met with sad disappointment. By the end of the first quarter, it looked like an easy victory for the cadets, as Skilling completed two long runs around right end. Ross kicked both goals, making the score 14 to 0 in favor of St. John's.

In the second quarter the cadets fumbled, and the Abilene full back made a thirty-five yard run for touch-down. Abilene missed the goal kick. St. John's completed a pass—Lippincott to Ross—and successfully kicked goal, making the score 21 to 6 at the end of the first half.

In the third quarter St. John's fumbled again, Abilene making another touch-down and kicking goal. Abilene then completed a forward pass, which yielded them another touch-down and goal.

The last quarter was a show-down, as it put the two teams to the test of showing which was made of the better stuff and had the better training. It was decided in favor of the cadets, the game ending with the above score.

The line-up was as follows: Sanders, McDonald, Clark, Bigelow, Harris K., Shiney, and Wagner, on the line. Skilling, Ross, Pattison, and Lippincott, in the back field.

Mrs. Myers: "What's a ballad, Fulwider?"

Fulwider, "A rugged poem written to be sung. The Village Blacksmith is a ballad!"

BISHOP-ELECT, FORMER RECTOR OF ST. JOHN'S

When the Diocese of Salina welcomes her new Bishop-Elect, The Reverend Robert H. Mize, she will be greeting a friend of St. John's Military School. For years Reverend Mr. Mize officiated as rector of the school. It was under his able guidance that St. John's grew and prospered. It was during The Reverend Mr. Mize's residence here that the enrollment increased until it was necessary to find additional quarters for the housing of cadets. At that time the Barracks was built.

St. John's Third Rector

Reverend Mr. Mize was the third Rector of St. John's. On the twentieth of September, 1889, the school was formally opened by Bishop Thomas, the founder, who retained the Rectorship, except for a brief interval, until his death on March 9, 1895.

His successor was the Right Reverend Frank R. Millspaugh, Bishop of Kansas, who retained the Rectorship until the fall of 1899, at which time The Reverend Robert H. Mize was placed in charge of the school.

New Gymnasium

Also it was during The Reverend Mr. Mize's stay in Salina that the original gymnasium burned. This occurred March 4, 1901. A new one, twice the size of the first building was started immediately and was made ready for use by the opening of the fall term in 1902. This gymnasium is the one in present use.

The Barracks

Because of the success and the growth of the school, larger quarters for dormitory and class purposes became necessary. A new dormitory, The Barracks, was completed in time for the opening of school in September, 1904.

Winners of Pennant

A great honor was conferred upon the school during The Reverend Mr. (Continued on Page Seven)

MANAGED BY CADETS

CADET EDITORIAL BOARD FOR 1920-21 "SKIRMISHER"

This year the Skirmisher is to be managed by an Editorial Board composed of cadets. Heretofore it was edited by one of the faculty, and consequently it was a real credit to St. John's. Now that the faculty has given the opportunity to the boys to edit the paper, it is going to keep us boys busy trying to keep up its high standard and to see that the issues are out on time.

We have been delayed in editing this first issue by the fact that we have had nothing to work on, but have had to make a fresh start. It was no easy task, and we ask the indulgence of our readers in the mistakes we may make.

This issue is to be unillustrated, but the future "Skirmishers" will contain several drawings and cartoons by cadet Gray, besides pictures of the Football Squad and other cadet organizations. Any suggestions from the faculty or cadet corps or others interested in this paper will be gladly received and acted upon.

The Editorial Board was elected by the cadets from the four upper forms. The Senior class had the privilege of selecting three of their members for the Board. They chose the following cadets: Gilbert Smith of Denver, Colo., Harold Brewer of Big Sandy, Mont., and Harry Gray of Platte, So. Dakota. The fifth and fourth forms were to select two members from their respective forms. The fifth form chose Donald Pattison of Ranger, Texas, and Daniel Schaffner of Emporia, Kans., while the fourth form chose Ronald McDonald of Denver, Colo., and William Wood of Sheridan, Wyoming. The lower forms were allowed but one representative. August Shiney of Hutchinson, Kansas, was chosen from that class. Robert Kirkpatrick, a member of the fifth form, was later selected by a vote of the Board.

St. John's 21; Lindsborg 0

St. John's won their second game from Lindsborg by the score of 21 to 0. During the first half Skilling made two touch-downs, but several times the cadets' goal line was threatened by the Lindsborg team, which made first downs on forward passes. The half ended, however, before Lindsborg scored.

In the second half our openents renewed their aerial attack, but this was broken up and the ball intercepted frequently. Pattison caught one of their forward passes, and ran 55 yards for a touch-down. Ross showed consistent ability in kicking, making all three goals.

St. John's 49; McPherson 0

St. John's won easily from McPherson High School by a score of 49 to 0. Skilling made four touchdowns, and Pattison scored three times, one as a result of an intercepted forward pass. McPherson played hard and clean but were out-classed by the cadets.

St. John's 69; Sacred Heart 0

The cadets piled up their biggest score of the season in a game against the Sacred Heart High School. The Cadets would probably have made a larger score if they had not been handicapped by the absence of some of the first team players. Moreover, the quarters were shortened five minutes by the officials because of inclement weather. Many substitutes were used throughout the game,—in all 21 cadets played in the game. Benest, a substitute half-back, showed up exceptionally well, scoring five touch-downs. Condon made one, Pattison two, and Lippincott one. Pattison exhibited exceptional ability in kicking goals, scoring nine out of his ten chances.

Lucas 7; St. John's 0

The St. John's Football Team played the Lucas High School Team at Lucas on October 19th. The Lucas boys played a clean game, and won it by superior play. Although Skilling was absent from the cadet line-up, they played a good game and fought to the end. This was the first game that the cadets had ever played with Lucas, and had Skilling been in the game, the boys feel confident they would have won. Mr. Charles Cannon, who coached the St. John's Basket Ball Team last year, is the Lucas High School Coach, and has succeeded in developing a fine team.

St. John's 7; Salina 7

The annual game between Salina

High School and the cadets was played at Kenwood Park on Nov. 19th, and proved to be the hardest game of the season. The crowd which flanked both sides of the field several deep watched the two teams struggle to the end.

Calvert of the High School, and Skilling of St. John's, were the star players, but both teams were aided throughout the game by a strong line and fast back-field men.

The Cadets received the first kick-off and chose to defend the west goal. The cadets opened the game with a long pass to Ross, who fumbled. This was followed by an end run by Skilling, who made a 65-yard run for a touch-down, which, however, was not counted, as the officials ruled that only six men were on the line of scrimmage.

After working the ball into the High School's territory, the cadets were held for downs, and after an exchange of punts, the quarter ended with the ball in the High School's possession on the St. John's 30-yard line.

At the beginning of the second period, the High School worked the ball to the St. John's 10-yd. line, but were penalized five yards. After working the ball to the cadets' 8-yard line, Calvert plunged the line for the first touch-down, and later kicked goal.

The next kick-off was not caught by the cadets, but Skilling fell on the ball on his own 10-yard line. After plunging the line twice, the cadets were forced to punt, but the ball went into the line of scrimmage, and it was the High School's ball on the cadets' 15-yard line. The High School received a fifteen-yard penalty and were unable to gain back the ground, losing the ball on downs.

The cadets, on taking the ball, opened an offensive that swept their opponents back to their 15-yard line, but there they held the cadets for downs. In an attempt to punt, Salina recovered the ball on their 3-yard line, and again punted the ball 40 yards into the field.

The cadets opened an aerial attack, two of the passes falling short; but the third was touched by the receiver, fumbled, and recovered by a teammate, who carried the ball over the line. The score, however, was not counted, it being held that it was an incompleated pass.

The third period was a repetition of the first half, St. Johns gaining 68 yards from scrimmage against the High School's 16. The High School

was forced to punt five times during the third period. They completed one pass for 5 yards, but received 25 yards in penalties.

St. Johns tried for a field goal from their 25-yard line, but missed by a small margin.

Beginning the fourth quarter, Skilling gained 5 yards on a fake play around end, then Pattison rounded the left end for a 25-yard run, crossing the line for a touch-down, and later kicking goal. This made the score 7 to 7. Salina received the kick-off, and after gaining 72 yards from scrimmage and completing two forward passes, were penalized 70 yards. Here the game ended in a tie, with the ball on St. Johns 25-yard line.

Yards from Scrimmage: St. John's 190; High School 175. First downs: St. John's 11; High School 8. Punts: St. John's 6 for an average of 20 yards; High School 8 for an average of 29. Penalties: St. John's 10 yards, High School 115. Forward passes: St. John's 5 incomplete, one completed for 10 yards; High School 11 incomplete, 2 completed for 21 yards.

The line-up was as follows:

Substitutes: High School: Brown for Thurston. St. John's: Hill for Lippincott, Condon for Ross, Brewer for Simmons, Clark for Gotte.

Cadets Win First Game

St. John's team started their season by defeating Lincoln 34 to 14. Ross caught the kick-off and ran seventy yards for a touch-down, and then kicked goal, making the score 7 to 0 during the first minute of play. About the middle of the quarter Skilling caught a forward pass from Lippincott, ran 50 yards for another touch-down, but he was called back for stepping out of bounds. However another pass from Lippincott to Ross netted the cadets a second touch-down before the end of the quarter. Ross again kicked goal.

Lincoln showed more fight in the second quarter and made good gains through the line. St. John's also played the line and gained another seven

points by the end of the quarter. It was during this period that Wood, our right end, received a broken collar bone and had to be replaced by Wagner.

During the third period Lincoln first scored. The ball had been taken back to the cadet's five-yard line by a series of penalties, and Lippincott was forced to punt. He was almost directly behind the goal. When the ball was kicked it rebounded from the goal posts behind the cadet's line. One of the Lincoln team fell on the ball scoring the touch down.

Both of the teams scored during the fourth period. After consistent ground gaining by the St. John's team Lippincott went through the line for the fourth touch-down. Ross kicked the goal. Skilling went over soon after the kick-off, but was called back by a penalty. He later carried the ball across. The second Lincoln touch-down came during the last minute of play, when Hill's punt was blocked, and one of the Lincoln players recovered the ball, running 30-yards for a touch-down. The game ended with a score of 34 to 14.

Ross played a most brilliant game, and missed but one goal.

Phi Delta Sigma Welcomes New Members

The Phi Delta Sigma fraternity at one of their recent meetings elected the following cadets to membership:

McKinley Wood of Sheridan, Wyoming, Elmer Hill of Denver, Colorado, Lawrence Bigelow of Augusta, Kansas, Donald Pattison of Ranger, Texas, and Lynn Christensen of Platte, South Dakota.

On the evening of initiation the fraternity was very fortunate in having the company of a few of its older members who had graduated and were in Salina visiting at St. John's. Among those present were Norvin Gable of Chicago, Tinsley Fry of Fort Collins, Colorado, Ralph Muir, Bert "Onsgarius" Strom, and Bruce Johnson of Salina.

Greeley Timothy. Elected Football Captain of St. John's for 1920 has made an enviable record of the Greeley Colorado Football team, Timothy has kicked a forty-nine yard drop kick. In the last game he was taken out on account of injuries, but has been playing a consistent and brilliant game all season. Timothy has starred in all of the Greeley games and made a reputation for himself in the game against East Denver High.

We wish to call your attention to our advertisers. Look over our "ads" and the next time you need anything, buy it from one of them. These people are behind us, and the only way we can show our appreciation is by patronizing them. Patronize them at every opportunity, as it is largely due to their co-operation that this paper is made possible.

Do You Really Want It?

Many times we have had cadets ask us in a semi-complaining voice when the "Skirmisher" would be out, and why in thunder we did not hurry up and show some action. We have, and will continue to do so, but we would like to have some co-operation from the cadets themselves. The faculty has left the Board in complete control of the Skirmisher this year, and is watching us to see whether we really want a school paper or not. It is up to us to put out a paper, but we cannot do so without the help of every cadet.

When you find yourself feeling dizzy and light-headed, it is a good sign. Pick up a pencil and paper, and write it down. It may bring joy to all. If you feel intellectual, tell us about it; we will give you something to do.

You know what we want. Contribute to the "Skirmisher" and help us make a paper that will be acceptable to you cadets, the faculty, our parents, and our advertisers.

Welcome—Our New Bishop

We are glad to have this opportunity, in the first number of the "Skirmisher" for this year, of extending a most cordial welcome to the Rev. Robert Mize, our new Bishop-elect. We

will be delighted to welcome him in person to Salina, for we know from the reports of his friends here, that he is a real boys' man. It was due to his influence and efforts, while Rector here, that St. John's showed remarkable growth. In fact, it was largely due to him that the barracks in which we are now quartered, were built. We are glad he is to return to Salina, and we hope his renewed friendship with St. John's will bring as much enjoyment to him as we are sure it will bring to us.

Faculty Notes

Once more our faithful faculty have returned from their summer paths of pleasure and have resumed there respective posts. With the exception of Captain Small, Captain Hicklin, Captain Vernon and Captain Cannon, we have with us again our last years faculty. Several new members have been added to fill the vacancies referred to. Major Ganssle, having spent the summer in many travels both east and west, is again in his chair at the head of our school and ready as usual to direct the activities and provide for the comfort of his mischievous cadets.

Major and Mrs. Wier are back after a pleasant summer spent in California. This year Major Wier coaches us in foot ball and teaches the mathematics. It is to him also that we apply this year for Wednesday and Saturday passes.

Captain Barker, our faithful friend and helper for the past five years, has returned from a visit with his sister in Cambridge, Mass. He is our instructor in languages. He insists that he has not returned to St. John's but has returned home.

The Rev. Mr. Myers, Chaplain and Head Master of the School has also returned. Mr. Myers spent the early part of the summer vacation in traveling about the state in interests of the school. During August he went out into Western Colorado for his vacation and his trip west was not in vain, for this year he returned with a bride, the former Miss Jessie Coryell of Glenwood Springs, Colorado. Mrs. Myers has charge of the English in the Upper School. She is a native of Colorado. After graduating from East Denver High School she entered the Colorado Normal at Greeley, and graduated with the degree of Ped. B. She then went to Colbran, Colo., where she taught in the grade school. She later was appointed to teach in the High School at Malad, Idaho.

Captain Bailey is with us again as teacher in the Lower School. He spent his summer in traveling about the east with his wife. He spent several weeks at his wife's home in Council Bluffs, Iowa. From there he went to Chicago and on east to New York and arriving in Washington, D. C. in time for decoration day.

Every one was more than pleased, on their return to the School, to find Mrs. Mercer, our faithful House Mother again returned. Mrs. Mercer spent two weeks of her vacation in Minneapolis visiting her daughter. The remainder of her vacation was spent with her sister in Kansas City, Mo.

Capt. Allen, a former instructor at St. John's in 1911-1913 had planned his return from England to arrive in good time for the opening of the term. But due to transportation complications he was unable to arrive earlier than October 10th.

Captain Thronson, a new comer at St. John's, is building for himself a reputation as a teacher in the Lower Forms. He has also proven himself at the game of soccer. Mr. Thronson has attended Pittsburg Normal and has had the experience of three years high school teaching at Willies, Kansas.

Capt. Hicklin, former Commandant is not with us this year, having taken a position as teacher of journalism in the University of Washington.

Captain Cannon, our friend, teacher and basket ball coach of last year and previous years is this year employed as Superintendent of Schools at Lucas, Kansas.

Captain Small, Ass't Commandant of last year, is this year attending Kenyon College at Gambier, Ohio. Capt. Small expects to join us again next year.

Elections

In the recent elections Cadet Captain Ross of St. John's, Kansas, was elected Captain of the Navy Club and Cadet Captain Lippincott of Denver, Colorado, Captain of the Army Club.

The form representatives were as follows: Cadet First Lieutenant Sanders of Concordia, Kansas, Sixth form representative. Cadet First Sergeant Pattison of Ranger Texas, Fifth form. Cadet Sergeant Elmer Hill of Denver, Colorado, Fourth form and Cadet Corporal Shiney of Hutchinson, Kansas, Third and Lower forms.

The class officers have not yet been chosen but will be elected before the Christmas holidays.

ALUMNI NOTES

Word was recently received from R. W. Barnes X-17, who is now in School in So. California.

Former Senior Captain, Norwin Gable, of Chicago has been delayed in Salina on his way to California over business matters. We are glad to have this opportunity of renewing his friendship. Since he left he has been in the employment of the Ford and Apperson factory. He was influenced into the Ford plant at the time the Ford party stayed at St. John's during the tractor show.

H. H. Hayden, class of 1920, is attending Centre College, Danville, Ky. Word has been received, through various channels, that he is enjoying his work very much. He is a pledge of the Phi Delta Theta fraternity.

Word has just been received from Mr. J. R. Stubbs, the father of Alvin Stubbs who was at St. John's from 1913 to 1918, that Alvin has just returned from the hospital. It is hoped by all that his recovery will be speedy and permanent.

Glen Hepworth, 1918 to 1920, drove up from Manhattan with Belmont Rising '19-20 one Sunday this fall. Everyone was glad to see the boys and to hear of their success at Manhattan. Rising, who was a former Band Officer at St. John's, is playing a cornet in the Kansas State Agricultural College Band.

Lloyd Umstot, 1918-20 drove up from his home in Hutchinson with Henry Perry, 1915-20. Umstot has bought a large truck and is hauling grain in Reno county. Perry is helping his father manage the Chalmers Hotel in Hutchinson.

Bruce Johnson, 1916-20, and Ralph Muir 1915-20 have visited the school several times this fall. They are freshmen at the Kansas State A. C.

A. G. Oliver, 1916-19 former senior Captain and Athlete of St. John's is enrolled at Ann Arbor, Mich. Beecher Hungerford, 1916-18 is junior at the University of Michigan.

Bert "Angarius" Strom and John Pribble, 1916-18, are playing football this fall with the Kansas Wesleyan University team of Salina.

Tinsley Fry, 1915-17 is in the Tire Business at Fort Collins, Colorado.

William Richenbacher 1919 - 20, came out to St. John's for a short stay while visiting his relatives, Mr. and Mrs. Cliff. Dodge of Salina. Ricky is going to school in Topeka this year.

Gordon Worley, 1916-18, of Marlow, Okla., has been visiting his old friends in Salina recently. He claims that his military training gave him a decided advantage when he enlisted in the Marine Corps during the war.

Robert Wyber, 1916-19, of New York City, is attending the University of North Dakota after having finished his first year at Kansas University.

Lawrence Oakes 1916-18, is an auditor for an electrical supply company of Wichita. It is rumored that Oakes is to be married soon. The "Skirmisher" and all of St. John's wish him continued happiness.

John Bland 1916-19, is married and is living in Tulsa. The "Big Chief" was lucky to find oil on his property and is doing his utmost to keep up the price of gasoline by burning it in his Stutz Bear Cat.

St. John's First Dance

The first dance of the school year was given Saturday the 30th of October, the day before Halloween. The gymnasium was attractively decorated by the cadets in orange and black.

The dance was given by a few of the cadets and was a trifle different from the regular school receptions. A collection was taken from the cadets who attended to defray the expense of decorating. Young ladies from town were invited by telephone, because of the limited time for preparation.

The music was furnished by a four-piece orchestra from town. Several members of the faculty were present, and all spent an enjoyable evening. Refreshments were served about 10:30 and consisted of ice cream and cake. The guests and cadets were unanimous in voting the occasion a successful one.

The decorating was done by cadets Blaney and Kirkpatrick. These cadets and Fleming comprise this year's Dance Committee.

Wanted: New rules for the game of soccer, including some against the barking of shins.—Dr. Myers.

Isis, Our Bear Mascot

The Shrine Bear, Isis, which became the Mascot of St. John's last summer, and has been under the care of the cadets since that time, has grown from a cub to a healthy young bear. He has grown so strong that many of the cadets find him an equal, and sometimes a better, in a wrestling match. It is remarkable the way Isis keeps his temper with the cadets scrapping with him all the time, and once in a while he does forget his St. John's training and nips at some offending leg or arm. He is a great problem to the disciplinarians of the school, for he cannot be made to walk the bull ring with a rifle on his shoulder and absolutely refuses to perform extra duty. However, this difficulty is lost sight of by the fact that Isis is able to furnish much amusement for the boys at school, and for the town people when the Mascot is taken to the City to take part in various activities. Besides creating entertainment at the football games, Isis has taken part in several parades. The one which probably appealed the most was held the last of September for Homecoming Week. Isis was placed on a Wallace Cub Tractor under a sign "Powerful But Not Dangerous," as an advertisement for the Cecil Cleveland (ex. 1917) Tractor Company, of Salina. Lieutenant Howard Fulwider of Winner, So. Dakota, drove the tractor.

Rifles in Barracks

The army rifles are being kept in the cadets quarters this year whereas before they have been kept in the armory, when not being used at drill. Each cadet is responsible for his gun and they must be kept in good condition. The rifles are the property of the government and are loaned to St. John's for range and drill purposes.

Much grief was expressed by the uninitiated when the rifles were given out and instructions issued to clean the grease off. The guns were smeared and caked after their three months stay in the armory and many a cadet's patience was sorely tried in rubbing it off. The prescription is hard oil, soft pine and elbow grease, especially the latter.

The uniform is slightly changed this year. The Cadets now wear the regulation bone button overcoat, and the serges are made of a heavier and warmer material than heretofore.

BISHOP-ELECT FORMER RECTOR OF ST. JOHN'S

(Continued from page one)

Mize's Rectorship at St. John's. First honors in drilling at the World's Fair in St. Louis were carried off by the St. John's Cadets.

From June 9 to 18 the Cadets were in camp within the Fair grounds. On June 11 the St. John's Cadets won in competitive drill the pennant offered by the World's Fair authorities to the best drilled company in camp on the grounds.

Concerning the exhibition of the Cadets the St. Louis Globe-Democrat said:

"The St. John's Cadets were commanded by Major E. L. Oldham, and gave one of the most faultless exhibitions since the departure of the West Pointers."

"The decision of the judges was not reached until St. John's had been recalled to give a special exhibition in platoon movement. The perfection of their cadence and their thorough knowledge of military maneuvers was acknowledged by the award of the pennant offered by the exposition.

Left Salina

Since leaving Salina in 1906, The Reverend Mr. Mize has been in parochial work in the Diocese of Kansas where he has won for himself an enviable place in the esteem of his associates.

Because of the illness of his wife, Reverend Mr. Mize asked for a leave of absence for a year. His request was granted and he and Mrs. Mize left for Prescott, Arizona in search of rest and health.

Recalled to Salina

The Diocese of Salina was left without a Bishop a year ago in November when The Right Reverend John C. Sage was taken. Since that time, Bishop Beecher of Western Nebraska has assumed the duties here.

Now, however, the new Bishop of Salina has been elected. The Reverend Mr. Mize again will be welcomed to Salina. Although he will not be in residence at St. John's, his office as Bishop of this district makes him our Rector Ex-officio. Everyone at St. John's looks forward with eagerness and joy to the return of the man who was influential, to such a great degree, in bringing honor and growth to the school.

WELCOME HOME, OUR BISHOP-ELECT.

Captain, what is mind?

Oh, no matter, Harris, No matter.

Whell what is matter?

Never mind.

Mac's Condition After the Lucas Foot Ball Game

"My shins were so darn sore I couldn't walk. My jaw was hanging out a foot, and my hips were both gone. Then some bird came along and kicked my spinal column clean out of my mouth.—Told in his own words.

Why is Schlesinger called a jewel? He is so set in his ways.
